Most people know that if they have been sick they need *Scott's Emulsion* to bring back health and strength.

But the strongest point about *Scott's Emulsion* is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.

Food in concentrated form for sick and well, young and old, rich and poor.

And it contains no drugs and no alcohol.

ALL DRUGGISTS: 50c. AND $1.00.

PENINSULA HORTICULTUISTS

Annual Session To Be Held In Salisbury Next Week.

The annual meeting of the Peninsula Horticultural Society will be held at Salisbury, Md., the 14th, 15th and 16th of this month. An excellent program has been arranged. In addition to the very practical talks that will be given by the fruit growers who have made marked success of their own business, the experiment station men of both Delaware and Maryland and the investigators of the United States Department of Agriculture will bring to the meetings the result of the most recent studies and experiments in different parts of the world.

Besides these noted horticulturists, noted fruit growers and educators will come from a distance to add their experiences to the interest of the occasion. Among these latter are Senator Henry M. Dunlap, of Savoy, Illinois, President of the Illinois Commercial Apple Growers Association, one of the largest and most successful commercial apple growers in the United States; Professor F. A. Waugh, of Amherst, Massachusetts, and Dr. H. W. Collingwood, editor of the Rural New Yorker.

Professor W. M. Scott, of the United States Department of Agriculture, has made a careful study of the cause and methods of control of the diseases of apple orchards, and will illustrate his work by a series of lantern slides. Professor Scott has also made a study of the brown rot of the peach, the disease that has played havoc with this crop in Delaware and Maryland for several years past. This piece of work is perhaps of greater practical importance than anything else that has been done for the benefit of fruit growing during the year, and the method of control that has been worked will be fully explained.

The Kind You Have Always Bought

Children To Give Portrait.

The school children of Talbot county have had painted an excellent portrait of the late Governor of Maryland, Phillip Francis Thomas, who was a native of Easton, which will be presented to Governor Crothers to be hung in the Senate Chamber of the State House.

State's Attorney J. Harry Covington, of Easton, will make the presentation speech, which will take place in Annapolis January 13. A large delegation from Easton will accompany Mr Covington to Annapolis.

A little Lobster Salad,
Terrapin and other things,
And in a little while
A doctor's phone bell rings.
The terrapin is on his feet,
The lobster's found his claw,
And judging from the inner man
There's is the "Unwritten Law."
The case is pickly diagnosed
As inside information,
On how a lobster and terrapin
Can raise so much larnation.
The trouble found, it was the thing
To furnish quick relief,
And the way Rydale's Stomach Tablets accomplished this
Was simply beyond belief.

Predicted His Own Death

"I believe I am going to die. Be sure to light the lamp in the light house and see that it stays lighted."

These were the words of Joseph B. Benson, keeper of the Bombay Hook light along the Delaware Bay, shortly before sunset Monday. When Mrs. Benson went out and lighted the big lamp to guide the mariners up and down the Delaware Bay and returned to the little house back of the government reservation, she found her husband's prophecy true—he was dead. Benson was stricken with a mild stroke of heart trouble on Friday afternoon, but he attended to the light as usual. He was 78 years old and had been keeper of the Bombay Hook light for 54 years. He had 12 children.

Wise Counsel From The South.

"I want to give some valuable advice to those who suffer with lame back and kidney trouble," says J. R. Blankenship of Beck, Tenn. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief and after taking a few more bottles, I was completely cured; so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at Forman & Keating's drug store. Price 50c.
