VALUABLE LAND IN ALLEGANY COUNTY, FOR SALE.

THE TRACT OF LAND called TREASURE TROVE, containing about SIX THOUSAND ACRES, originally granted to W. Pratt, on the 31 day of March, 1801, and resurveyed for the Hon. Thomas G. Pratt about the year 1816, and located about 18 miles east of Cumberland, on the National Road which traverses the property. Wheat, Corn and Indian Corn grow admirably in this region. It is admirably suited to Sheep raising. There are several open and cleared upon the land and now under cultivation. The tract, however, is principally wooded with large and fine Timber, which can easily be transported over the gently sloping to the Chesapeake and Ohio Canal and Baltimore and Ohio Railroad, which run within 3 miles of the southern boundary of the tract.

In the centre of the tract are several remarkably fine and strong Iron SPRINGS of different strengths, issuing from a small valley within a few yards of each other. These, with the Sulphur Spring in the same vicinity, have long been known and resorted to first by the Indians, afterwards by the Hunters for their Hygeian qualities. The water as it comes off across the mountain is a very fine IODINE WATER, which is well known in the neighborhood and is highly adapted to the cure of all cutaneous diseases.

The whole tract is offered for sale at very low rates and on terms as it will be divided into SMALL FARMS of suit purchasers. Apply to

IN THE CIRCUIT COURT OF BALTIMORE CITY.—JAMES S. FORBES *vs.* MARY C. ERVING.—The object of this proceeding is to obtain a decree for the sale of certain property on Gibson street, in the city of Baltimore, for payment of an unpaid balance of purchase money. The bill states that the complainant, on the 11th day of November, 1857, contracted with the defendant to lease to her a certain lot of ground, fronting 15 feet 3 inches on the south west side of Gibson, (otherwise called Eutaw) street, running back to Morris alley, in said city, for a term of ninety-nine years renewable, subject to an annual rent of $180, payable semi-annually, and entitled to be paid at any time for $3,000. That the defendant contracted, in consideration of such lease, to pay the complainant $6,000; and paid and delivered her four promissory notes, dated October 1, 1857, for $750 each, payable 1, 2, 3 and 4 years after date, and her eight promissory notes for the interest to accrue thereon, payable semi-annually. And that the complainant executed and delivered to the defendant a bond of conveyance in the usual form, conditioned for the performance of said contract on his part, and put her in possession of the property. That all of said purchase money notes are over due; and there remain unpaid in the hands of the complainant, three notes for $750 each, payable at 2, 3 and 4 years from October 1st, 1857, and two interest notes for $22.50 each, payable at 42 and 48 months from said date. And that the defendant has removed out of the State of Maryland, and now resides in parts unknown to the complainant. He therefore asks for a decree for the sale of said lot, for the payment of said over due purchase money notes. It is thereupon ordered this 23d day of December, 1861, that the complainant, by publication of this order in some daily newspaper of the city of Baltimore, once a week for four successive weeks before the 1st day of February next, give notice to said absent defendant of the object and substance of this bill, and warn her to appear in this court in person or by solicitor, on or before the 5th day of May, 1862, to answer the same, and show cause, if any she has, why a decree should not pass as prayed.
