CONSUMPTION.

☞ Consumption, that fell Destroyer! More Proof of the efficacy of Doctor SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, in relieving afflicted Man.

To Dr. Swayne.

Dear Sir—The time has been, when I would not recommend a medicine advertised in the public prints over my own signature; I now feel different—I feel it my duty to inform the afflicted where they may find relief. I was reduced, by a protracted COUGH for six months, to a mere skeleton; no rest at night; soreness and pain in my breast, side, &c. Suffice it to say, I used your *Compound Syrup of Wild Cherry*, which in a few weeks relieved me effectually. I am certain, had it not been for your medicine (as life frequently depends on early attention to proper medicines,) I should now be in the silent grave. Let no person delay, but procure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions, and often lead to dangerous consequences.

Your friend, ABRAHAM SKINNER, Crawford county, Pa.

VALLIER'S FRENCH PILL, FOR THE CURE OF SECRET DISEASES. *One box of these inestimable Pills is worth all the Quack Medicines in the world.*

COMMENT. If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such nauseous drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no doubt but such a remedy as *Vallier's French Pills*, will meet the universal approbation, being entirely free from those objections; pleasant in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded to, are not based upon supposition; on the contrary, it is founded upon rational experience, having used them in a successful practice for upwards of two years, he feels confident of their superiority over the remedies hitherto employed.

☞ Price one dollar per box. For sale in Baltimore by SETH S. HANCE, ja11-y Corner of Charles and Pratt streets.

HANCE'S Compound Syrup of Horehound.

CERTIFICATE. Mrs. WILLIAMS, of Petersburg, Va. caught a very severe cold last fall, and thinking it would wear off in the course of time itself, neglected it to a very great extent. Finding, however, it did not leave her, she then tried various remedies, some of which subdued the cough in a measure, but none effectually cured it.

About a month ago, her husband thought she had better try a change of air, so she came to Baltimore, where she first became acquainted with the COMPOUND SYRUP OF HOREHOUND—the first bottle produced such relief, that before she had finished it she determined to purchase two bottles and return home. Price 50 cents per bottle.
