16th. Int: What would be a fair price for the batten doors in said house?
Ans: Two dollars ($2.) a piece. In estimating the value of the doors the door frames are not included.
17th. Int: What was the character of the windows and frames in said house? How constructed? With, or without, rollers?
Ans: With box frames with rollers, but without cords and weights.
18th. Int: What was the character of the workmanship of said house? State all your knowledge herein?
Ans: Well, I didnt consider it first class, but pretty good common work.
19th. Int: What was the value of the Carpenters' work in the erection and construction of said house? State all your knowledge herein and the reasons for the opinion you entertain on the subject?
Ans: I estimated it at one hundred and eighty dollars ($180.) I examined the work of said house. I didnt think the work of the stairs well done - the balance is good common country work.
20th. Int: What in your judgement, is a fair reasonable price for the house in question taking into consideration the nature and quality of the materials used and the manner in which the Carpenters' work in said house was done?
Ans: Fourteen hundred and seventy five dollars ($1475) from the basement up.
21st. Int: Was there any porch or Veranda attached to said house?
Ans: No Sir.
22d. Int: Look at the Exhibit now shown you marked "Exhibit J. W. S." - State what would be the cost of putting up a porch or Veranda as represented in said plate, both as to the material and workmanship?
Ans: I look at "Exhibit J. W. S." now here shown me. Five dollars per post, or One hundred and seventy dollars ($170.).

To Cross Interrogatories filed with the Commission by the Complainant, and herewith returned, the said John H. Taylor deposes and says, to the
1st. C. Int: Do you reside in the town of Emmittsburg? If not, how far from said town?
Ans: About a mile and a half from Emmittsburg, due west.
2d. C. Int: What is your present occupation?
Ans: That of "Carpenter".
3d. C. Int: What kind of Carpenter, and what branch of that trade do you follow?
Ans: I follow house Carpentering.
4th. C. Int: Are you engaged in said business in partnership with any one? If yes, with whom?
Ans: I am in partnership with my Brothers John H. Taylor & Bro. We do all kinds of work - Bridge building and house building. I work mainly on houses.
5th. C. Int: When did you make the examination of the house you spoke of?
Ans: Sometime during the last month.
6th. C. Int: In making an examination of the kind you speak of, can you see all the timber used in framing?
Ans: No Sir.
7th. C. Int: Is not a large portion of it concealed from view?
