No. 3753 Equity

Ans.- I have known Philip B. Kunkel for Twenty five years (25) and Joseph C. Keller for about twelve (12) years.

2d Int.- Are you acquainted with the property described and mentioned in Complainants "Exhibit A"? If yea, state how long you have been acquainted with the said property, and how you have become acquainted with the said property?

Ans.- I am. I have known it about fifteen years (15-) I came to know it by running & hunting over it, and Rhodes owns a piece of property right adjoin of it, and I used to go over with Rhodes every two, or three weeks, and for the last Eight (8) years I have been living one & a half miles from said property.

3d Int.- What was the value of the said property, on the third day of February in the year Eighteen hundred & seventy two?

Ans.- Well, I suppose it worth as much now as it was then. I should think four (4) or five (5) hundred dollars would be a high price for it.

4th Int.- What is the present value of the said property?

Ans.- Four, or Five hundred Dollars ($400, or ($500-).

5th Int.- In your answer to the 3d Interrogatory, you have stated what you deemed the value of the property mentioned and described in Complainants "Exhibit A", on the third day of February in the year Eighteen hundred and seventy two In said answer did you, or did you not include the value of all improvements, at that time, on the said property?

Ans.- Everything
