ACTION TAKEN

M: 28/34 Mount Pleasant II

Mount Pleasant II has been removed from Locational Atlas.

On May 25, 1989, the Montgomery County Planning Board held a public hearing, as required under Section 24A-10 of the County's Historic Preservation Ordinance--Moratorium on Alteration and Demolition, in order to make a finding on the significance of Mount Pleasant II at 17025 Norwood Road in Sandy Spring. This structure is identified as Site #28/34 and was added to the Locational Atlas and Index of Historic Sites in Montgomery County, Maryland in 1986.

The Planning Board found that this resource does not warrant designation on the Master Plan for Historic Preservation. At the conclusion of the hearing, the Board closed the record on the resource and voted unanimously to remove Mount Pleasant II from the Locational Atlas in order to allow the issuance of a demolition permit on the structure.

Please adjust your records to reflect the Planning Board's action. If you have any questions concerning this resource, please do not hesitate to contact Gwen Marcus at 495-4570.

Sincerely,

Norman L. Christeller
