Survey # WA-I-598
Street Address 212 West Side Avenue
Town, State Funkstown, Maryland 21734
private _x_, public ___

Approximate date ___C. 1940_____

Description:

This "Cape Cod" style house is a one and a half story, three bay structure with a central entrance and dormer windows. There is a large number of houses like this in Funkstown on the side streets, particularly south of Baltimore Street. They reflect the later development of this part of the town. Because of the borderline age of these houses, a few representative examples will be included in the survey.
