Testimony

Testimony

To the 5th Int. — 5th Ans. The land is not capable of division among the heirs at law Catharine Flamigan for the reason that there is but one sett of buildings on it and the tract is too small to be divided into so many parts to any advantage for sale or cultivation.

To the 6th Int 6th Ans - I think it would be to the interest and advantage of all the parties infants as well as adults to have the same sold and the proceeds divided among them because the property is in need of repair and and will go down in value by the time the infants become of age

To the 7th Int. - 7th Ans - I know of nothing further.
