-Some Treatment He

Has Received. Rev. Dr. M. C. B. Mason, who is seriously ill at Johns Hopkins Hospital from an affection of the kidneys, is reported to be in a lightly improved condition. His condition was so grave last Saturday that the end was thought near, but he rallied under the skill care of the physicians in attendance. Many local ministers have visited him, and say that he is apparently a

very sick man. Dr. Mason is said to have met with some treatment that is not due a man in his station in life. He was advised to go to the hospital by Dr. Daniel H. Williams. the well known Chicago surgeon,
