ANOTHER TREAT in Gibbs for good eating!

The base of this better catsup is rich, red-ripe tomatoes. Picked at their plumpest best, these cultivated tomatoes are combined with spices from the Orient. The Gibbs recipe has been the secret of this spicy, zestful catsup for 50 years. Adds zip to cheaper cuts of meat . . . and as the base of a sauce when you serve substitutes for higher priced foods. It's the key to helping you save food and money. Costs less today than under OPA.

Here's an idea for Gibbs good eating!
