ONE OF THE prettiest weddings this town has seen in many a day was the Sunday afternoon ceremony at Sharp Street Methodist Church when pretty Christina Carr exchanged vows with Roscoe Young Jr. of New York. The Rev. Edward G. Carroll officiated.

Some 1,000 guests braved the heavy rains to see the event and even the weather man cooperated for a few minutes. The bride was wrapped in two sheets to make the trip from her mother's Gwynns Falls Parkway home and just as she arrived at the church, the rains let up.

She was a picture in a fitted white slipper satin gown with allusion neckline and a collar studded with pearls and rhinestones which matched the tiara on her head. Her 3½ yard train was also of white satin. Her 15-yard veil was of tulle. The gown was designed by Anita Hawkins who also did the attendants' outfits.

The attendants all wore green — colors of their gowns varied from pale green for the matron of honor to dark green for bridesmaids. Theirs were of net with full skirts and draped necklines.

And the church was transformed into a bower of green and white flowers as was the Morgan Christian Center where the reception was held.

Stanley Beckett did the floral decorations and Verniece Reynolds arranged the wedding colors-scheme and details.

Particularly striking were the red roses which decorated the reception table and made a beautiful contrast against the green and white flowers and the green and white gowns.

Attendants were: Cynthia Cannady, matron of honor; and Mrs. Von Pitterson, Washington; Misses Iris Husband, Boston; Ovella Dorsey, Mazie Barbour, Dorothy Sheffey and Mrs. Edith Davidson, all of Baltimore.

Best man was Herbert Robinson, the bridegroom's classmate at Howard U. Ringbearer was Irvin Cannody. Flower girls were Brenda Jones and Sheila Fleming, all of Baltimore.

THE BRIDE'S mother, Mrs. Roscoe Young Sr. wore a navy blue silk faille dress with contrasting pink taffeta. Also here was the bridegroom's sister, Miss Marie Young.

Mrs. Reid, who is a city teacher, is well known for her work in Sharp Street Church where she has been active for 25 years. She is also a member of the popular We Wives Club.

Mr. Carr is an architect and contractor.

Following the reception attended by 400, the newlyweds left for a secret honeymoon place.

They will be at home after June 27 at 2215 Flagler Pl., NW. Washington, where the bridegroom is a junior in Howard Medical School, and the bride is a research assistant at Freedman's Hospital.

CORRECTION

A story that appeared in Tuesday's AFRO stated that Mrs. Florence R. Coates, supervisor of psychiatric nursing at Provident Hospital, would be the principal speaker at the commencement exercises for the Henryton School of Practical Nursing on Thursday.

This was in error. Mrs. Coates was to introduce the principal speaker who was Dr. Effie O. Ellis, attending pediatrician at Provident.

The AFRO regrets the error and an embarrassment it might have caused to those concerned.

Announce New Way To Shrink Painful Piles
Science Finds Healing Substance That Does Both — Relieves Pain — Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all — this Improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in *suppository or ointment form* called *Preparation H.*® Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drugstores. Satisfaction guaranteed or money refunded.

INTEGRATION SCORED another point this week as the first mixed group of Girl Scouts boarded the bus for camp at Deer Creek, in Baltimore County.

Among the Intermediate and Brownie Scouts who will enjoy 12 days of the same race relations they experienced this year at the public schools are Constance Carroll, Marilyn Oliver, Patricia Nichols, Barbara Prestwidge, Rosemary Backus and Charlene Cephas.

The first camp period ends July 2 at which time the second group including Deborah Butler, Sylvia Payne, Barbara Elliott, Lalitia Henderson, Dorothy Cash, Jean Spencer, Betty Robinson, Julia Randall, Eleanor Robinson and Pehrlean Woolridge will get set to go.

Registration for the third period, July 19 through July 30 has not been completed yet, but word is that there is a long waiting list of both white and colored scouts.

The integration move was decided in April by the Girl Scout board. At this time the members voted to begin desegregation at the frontiers and to include a colored camp at Deer Creek this year and to completely integrate the now all-white camps in Cecil and Anne Arundel Counties next year.

The day camps for the girl scouts throughout the state are opened to all, this year.
