"We are advertised by our loving friends."

William Shakespeare, King Henry VI (Act V, Sc. 3)

The Bard of Avon did not have Gordon's Vodka in mind when he wrote the above. However, the sentiments expressed are as accurate concerning Gordon's Vodka, as whatever Mr. Shakespeare did have in mind.

For since Gordon's Vodka was introduced (a few short weeks ago) the response of *our* loving friends has been tremendous! The word has gotten around from vodka-lover to vodka-lover ... Gordon's is *the one* for amiable mixability ... for astonishing dryness ... for incomparable smoothness in every vodka drink.

We like to think of Gordon's Vodka as *liquid poetry*. (A phrase we're sure Mr. Shakespeare would have approved.) Each precious drop is imbued with the skill and care of the distiller famed for over 188 years as producer of the world's finest gin.

If vodka is your drink—Gordon's is your brand. Try it today—and you too will become one of our loving friends.
