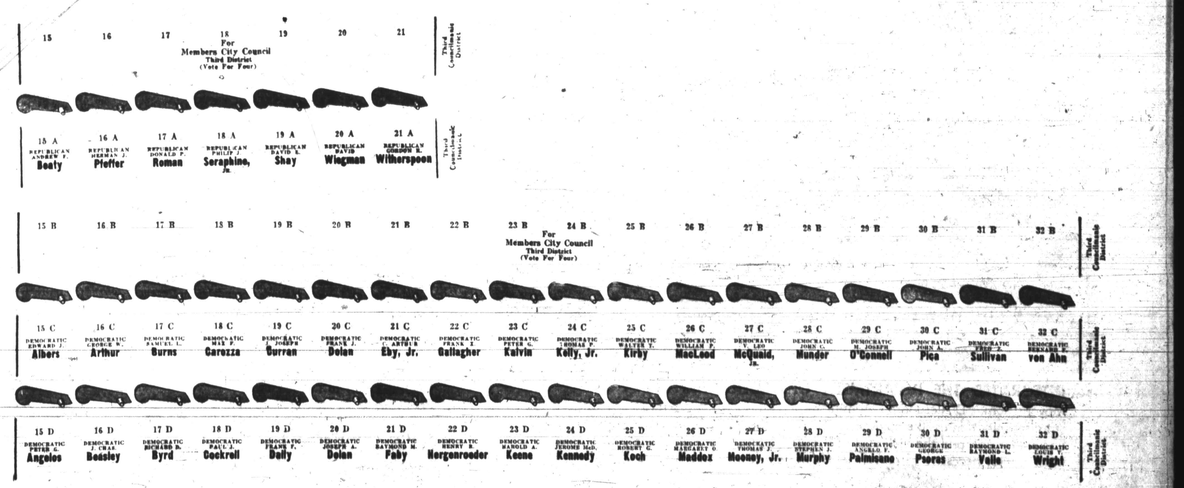
BALLOT

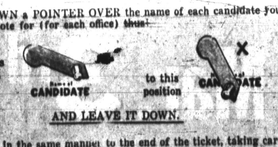
CITY TUESDAY MARCH 3, 1959

Polls Open 6 A.M. to 7 P.M.



VOTE ON A VOTING MACHINE

2. Note that you may only vote the Primary Ballot of the Party with which you are affiliated. The Republican offices are at the top of ballot and the Democratic offices appear in line B. Republican candidates appear in line A. Democratic candidates appear in lines C and D.
3. Turn DOWN a POINTER OVER the name of each candidate you wish to vote for (for each office) thus:



AND LEAVE IT DOWN.

4. Continue in the same manner to the end of the ticket, taking care to turn down a Pointer for EVERY candidate that you wish to vote for, and LEAVE THE POINTER DOWN.
5. Move the Red Handle back to the left as far as it will go and LEAVE IT THERE. (This will register your vote; return the Pointers to their unvoted position, then open the Curtain.)

A Few Words of Explanation

No votes are registered until you move the Curtain Lever back to the Left to open the Curtain. You can therefore make as many changes in your ballot as you wish while the Curtain Lever is at the right (Curtain closed). Each candidate's voting Pointer is directly ABOVE his or her name.

The machine is so arranged that you CANNOT TURN DOWN MORE THAN THE PROPER NUMBER of Pointers for each office.

On the REPUBLICAN BALLOT you may vote for the nomination of:
one for Mayor
one for President City Council
one for Comptroller
three for City Council from the 4th Councilmanic District
four for City Council from the 3rd Councilmanic District.

On the DEMOCRATIC BALLOT you may vote for the nomination of:
one for Mayor
one for President City Council
one for Comptroller
three for City Council from the 1st, 2nd, 4th and 6th Councilmanic Districts
four for City Council from the 3rd and 5th Councilmanic Districts

There is no danger of anyone knowing how you vote, as the movement of the Curtain Lever returns the voted Pointers to their unvoted position BEFORE the Curtain begins to open. SO LEAVE THE POINTERS DOWN. This specimen ballot shows the machine ballot at this Primary Election. If you will read and remember these directions, you will cast your ballot easily and quickly.

Before going into the Machine on Election Day

1. Examine the Specimen Ballot and decide which candidates you wish to vote for, and note where their names are located.
2. Practice a few times on one of the little Instruction Models, until you are sure that you know how to cast your ballot.

After Entering the Machine

1. Turn down the Pointer OVER each Candidate's name for whom you wish to vote.
2. LEAVE the Pointers DOWN.
