

Advertising

There are **twelve million** Negroes in the United States.

They spend a **thousand million dollars** every year.

THE CRISIS reaches more Negroes with **intelligence and money** than any periodical in the world and is therefore a **valuable medium** for advertising.

The patronage of **recognized advertising agencies** and of **national advertisers** will receive careful attention. **Rates** will be sent on application.

Circulation—100,000

THE DISGRACE OF DEMOCRACY

An Open Letter to President Wilson

By **KELLY MILLER**

"The ablest document the war has yet produced in the United States."—H. L. Menchen, Editor Smart Set.

"With this document the Negro problem is no longer a vague futurity. The Negro question has arrived."—New York Globe.
