which real estate is described in the certified Copy of the deed filed with the Bill of Complaint in the cause and marked Exhibit A. About a year ago, that is in January 1913, the House on said lot of ground was destroyed by fire so that the lot of ground and the stable and outbuildings are all that is left. The property as it now stands, in my opinion is worth $250 or $300.

The said Martin Luther Norris at the time of his death left the following as his heirs at law--

1. His said brother and co-owner Joseph M. F. Norris.

2. A sister Elizabeth J. Geiselman, wife of the present witness.

6. The following children of a deceased brother George Washington norris, viz--

Nettie norris whp is now said to be the wife of Warren G. Jernegan and

Mearl G. Norris whose wife's name is Alvia Norris.

All of the aforenamed heirs at law of Martin Luther Norris are over 21 years of age. The defendants nettie Norris Jernegan and her husband live in the Panama Canal Zone in Central America, and Mearl G. Norris and his wife, live in California, and when we last heard of them they were traveling around in Europe some place.

The said real estate whicj is only about an acre of ground could not be divided among the parties interested thereon without loss and damage, and the only way in which a division of their intere t could possibly be made is by a sale of th land and a division of the money among them.

To the Gen. Int. by the Examiner.

Ans. Nothing further.

George K. Geiselman.

Grayson H. Valentine, a witness of lawful age produced on the part of the Plaintiffs being duly sworn and examined viva voce, deposes and says as follows--

My name is Grayson H. Valentine, my age 60 years; I live at Rocky Ridge, in Frederick County, and I-Knew all of the parties to this suit except a few of them who live out of the State of Maryland.

I knew Martin Luther Norris who died intestate in Frederick County in January 1901, and I knew his brother John M. F. Norris, who is yet living in Frederick County Md. I also knew the real estate which they owned at Rocky Ridge in this county, and which is described in Exhibit A. filed with the Bill of Complaint in this cause. It is about an acre of ground, and the dwelling house was burnd off about a year ago.
