Burch moves to protect policyholders

State Insurance Commissioner Francis B. Burch, disclosed today that the Insurance Department has issued Regulation 66 - 5 prohibiting Maryland agents and brokers who are also licensed in other states or the District of Columbia, from placing business on Maryland risks with unauthorized insurers.

Commissioner Burch referred to several recent instances where agents and brokers licensed in the District of Columbia placed insurance on Maryland risks for Maryland citizens with companies not licensed to do business in this state.

He reminded Maryland agents and brokers that it is a violation of the Unfair Trade Practice section of the Insurance Code to solicit for or place business with unlicensed companies.

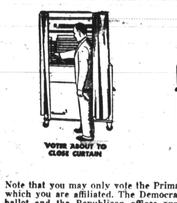
HOW TO VOTE ON A VOTING MACHINE

1. Move the Red Handle from the Left to the Right as far as it will go, and LEAVE IT THERE. (This will close the curtain around you.)



2. Note that you may only vote the Primary Ballot of the Party with which you are affiliated. The Democratic offices are at the top of ballot and the Republican offices appear in line F. Democratic candidates appear in lines A to E. Republican candidates appear in lines G, H and I.

3. Turn DOWN a POINTER OVER the name of each candidate you wish to vote for (for each office) thus

AND LEAVE IT DOWN.

4. Continue in the same manner to the end of the ticket, taking care to turn down a Pointer for EVERY candidate that you wish to vote for and LEAVE THE POINTER DOWN.

5. Move the Red Handle back to the left as far as it will go and LEAVE IT THERE. (This will register your vote; return the Pointers to their unvoted position, then open the Curtain.)

A FEW WORDS OF EXPLANATION

No votes are registered until you move the Curtain Lever back to the Left to open the Curtain. You can therefore make as many changes in your ballot as you wish while the Curtain Lever is at the right (Curtain closed). Each candidate's voting Pointer is directly ABOVE his or her name.

The machine is so arranged that you CANNOT TURN DOWN MORE THAN THE PROPER NUMBER of Pointers for each office.
On the Democratic ballot you may vote for the nomination of:

one for Governor
one for Representative in Congress
one for Comptroller
one for Attorney General
two for State Senator
seven for House of Delegates from the 4th, 5th, and 6th Districts, eight from the 2nd and 3rd, 6 from the first,
five for Associate Judges of Municipal Court
one for State's Attorney
one for Sheriff
three for Judges of the Orphan's Court
one for Clerk of Court of Common Pleas
one for Clerk Circuit Court No. 2
one for Register of Wills
three for Democratic State Central Committee
eight for Delegates to the State Convention from the 1st District, ten from the 2nd & 3rd Districts, nine from the 4th and 5th Districts.

On the Republican ballot you may vote for the nomination of:

one for Governor
one for Representative in Congress
one for Comptroller
one for Attorney General
eight for House of Delegates (3rd District only)
five for Associate Judges of Municipal Court

And you may vote for the Election of:

two for Republican City Committee by Districts
one for Republican City Committee by Wards

You may also vote on the following question:
State Question No. 1 ("Constitution")

There is no danger of anyone knowing how you vote, as the movement of the Curtain Lever returns the voted Pointers to their unvoted position BEFORE the Curtain begins to open. SO LEAVE THE POINTERS DOWN.

This specimen ballot shows the machine ballot at this Primary Election. If you will read and remember these directions, you will cast your ballot easily and quickly.

BEFORE GOING INTO THE MACHINE ON ELECTION DAY

1. Examine the Specimen Ballot and decide which candidates you wish to vote for, and note where their names are located.
2. Practice a few times on one of the little Instruction Models, until you are sure that you know how to cast your ballot.

AFTER ENTERING THE MACHINE

1. Turn down the Pointer OVER each Candidate's name for whom you wish to vote and the "For" or "Against" of the Question.
2. LEAVE the Pointers DOWN.
