Terms and Conditions of Lease

1. Lessee hereby leases from Lessor, and Lessor leases to Lessee, the personal property described above and in any schedule made part hereof (herein called "equipment") which Lessee warrants shall be used for commercial purposes only and not for any farming purpose.
2. Lessee requests Lessor to purchase equipment of the type and quality specified above from the supplier named above and agrees upon written acceptance hereof, signed at Lessor's office by an authorized officer of Lessor, to lease said equipment from Lessor on the terms, provisions and conditions of this lease. Lessor agrees to order such equipment from said supplier, but shall not be liable for specific performance of this lease or for damages if for any reason the supplier delays or fails to fill the order. Lessee shall accept such equipment upon delivery, and hereby authorizes Lessor to add to this lease the serial number of each item of equipment so delivered. Any delay in such delivery shall not affect Lessee's obligations hereunder.
3. As used herein, "Actual Cost" means the cost to Lessor of purchasing and delivering equipment to Lessee, including taxes, transportation charges and other charges. The amount of each Rent Payment, the Advance Rent, and any Renewal Rent set forth above are based on the estimated cost to Lessor and shall each be adjusted proportionally if the Actual Cost differs from said estimated cost. Lessee hereby irrevocably authorizes Lessor to correct the figures set forth above when the Actual Cost is known, and each Rent Payment shall be increased by any sales or other tax that may be imposed on or measured by the rent payments. If Actual Cost differs from the estimated cost by more than ten percent thereof, Lessor at its option, may terminate this lease by giving written notice to Lessee after receiving notice of Actual Cost. If prior to delivery there shall occur any event of default hereunder, Lessee shall be liable for Lessor's damages occasioned thereby, which for purposes of this paragraph only, it is agreed shall be the difference between Actual Cost to Lessor and the Total Rent as provided herein, plus any amounts paid on account of the equipment.
4. The initial term of this lease commences upon the acceptance hereof by Lessor and ends upon the expiration of the number of months specified above (for the initial lease term) after the rent commencement date, which date shall be the date upon which the supplier ships the equipment to Lessee, or 12-15-83 whichever is earlier.
5. Lessor will upon Lessee's written request, request the supplier to authorize Lessee to enforce in its own name all warranties, agreements or representations, if any, which may be made by the supplier to Lessee or Lessor. Notwithstanding the foregoing, Lessor itself makes no express nor implied nor statutory warranties as to any matter whatsoever, including, without limitation, the condition of equipment, its merchantability or its fitness for any particular purpose. No defect or unfitness of equipment shall relieve Lessee of the obligation to pay rent or of any other obligation under this lease. Lessee agrees that any maintenance service to be performed is the sole obligation of Lessee who may arrange for same with the supplier of equipment. Lessee agrees to pay Lessor a lease documentation charge of $40.00 upon its acceptance hereof.
6. Lessee agrees to pay during the initial term of this lease Total Rent equal to the number of rent payments specified herein multiplied by the amount of each payment specified herein. The first rent payment and any advance rent shall be due upon execution of this lease by Lessee; any deposit or acceptance of such sum by Lessor shall not be deemed acceptance of this lease. In no event shall the first rent payment or advance rent be refunded to Lessee. The second rent payment shall be due and payable one month after the rent commencement date and subsequent rent payments for the initial term shall continue on the same date of each successive month thereafter until the Total Rent and any other sums payable hereunder are paid in full. All rent shall be paid to Lessor at its address set forth herein

SEE REVERSE SIDE FOR ADDITIONAL TERMS AND CONDITIONS WHICH ARE PART OF THIS LEASE

The undersigned lessor and lessee agree to all the terms and conditions set forth above and on the reverse side hereof, and in witness thereof hereby execute this lease.

THE EQUIPMENT IS LEASED HEREUNDER AS-IS, AND LESSOR MAKES NO EXPRESS NOR IMPLIED NOR STATUTORY WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PURPOSE.

for the state where accepted by Lessor, or as otherwise directed by Lessor in writing. Should Lessor pay for or on account of the equipment any sums more than thirty days prior to the rent commencement date, Lessee will pay Lessor as additional rent along with the first rent payment due after the rent commencement date, an amount equal to 1/15 of 1% of such sums paid for each day from the date of payment to the rent commencement date, except where such additional rent would not be permitted by applicable law, in which event said additional rent shall be the maximum permitted by law.

7. Lessor may, but shall not be obligated, to apply any advance rent toward curing any default of Lessee hereunder, in which event Lessee shall promptly restore the advance rent to the full amount specified herein. Any advance rent shall be held by Lessor without charge nor interest and may be applied by Lessor, in its sole discretion, against the unpaid installments of rent hereunder in the inverse order of their respective maturities, but Lessor shall not be obligated to do so.

8. If, upon the expiration of the original or any renewal term hereof, Lessee is not then and has not been in default in any of Lessee's obligations to Lessor and this lease specifies a Renewal Rent amount, Lessee may renew this lease for one year at the Renewal Rent so specified by giving Lessor written notice of renewal at least sixty days prior to the expiration of the initial or any renewal term and payment along with such notice of the Renewal Rent amount. If this lease is not renewed under the terms of the immediately preceding sentence for any reason whatsoever, Lessor may notify Lessee prior to the expiration of the original or any renewal term hereof, that if Lessee fails to return the equipment as herein provided at the end of the then current term hereof, this lease shall be renewed for an additional one year [illegible] the same rent provided for in this lease for the initial term. All of the terms and conditions of this lease shall apply and be in full force and effect during any and all renewal terms.

9. Unless Lessee gives Lessor written notice of each defect or other proper objection to an item of equipment within three business days after receipt thereof, it shall be conclusively presumed, as between Lessee and Lessor, that the item was delivered in good repair and that Lessee accepts it as an item of equipment described in this lease. Lessee warrants and represents that no item of equipment has been delivered to Lessee prior to the date of Lessee's acceptance hereof, which shall be deemed the date of this lease. Lessee will deliver to Lessor a delivery/installation receipt (Lessor's form) for each and every item immediately upon Lessor's request.

10. Lessee shall use equipment in a careful manner and shall comply with all laws relating to its possession, use and maintenance. The equipment shall be delivered and thereafter kept at the location specified above or, if none is specified, at Lessee's address as set forth above, and shall not be removed therefrom without Lessor's prior written consent.

11. If Lessor supplies Lessee with labels stating that equipment is owned by Lessor, Lessee shall affix and keep same in a prominent place on each item of equipment. Lessor is hereby authorized to file one or more financing statements and may sign same as agent and attorney-in-fact for Lessee. Lessee, at its expense, shall keep equipment in good repair and furnish all parts, mechanisms and devices required thereby. Lessee shall not make any alterations, additions or improvements to equipment without Lessor's prior written consent. All additions and improvements made to equipment shall belong to Lessor. Upon the expiration or earlier termination of this lease, Lessee, at its sole expense, shall return equipment in good repair, ordinary wear and tear resulting from proper use thereof alone excepted, by delivering it to such place as Lessor may specify. If Lessee, for any reason, does not receive the equipment immediately upon the expiration of the term hereof and there is no renewal under vector 8 hereof, Lessor will receive as use and occupancy of the equipment so any portion thereof for each month or portion thereof, between the date of expiration and the date of return of equipment, an amount equal to 150% of the monthly rent specified for the initial lease term and the provisions hereof shall remain in effect and bind Lessee until such return of equipment.

12. Lessee shall bear the entire risk of loss, theft, damage or destruction of equipment from any cause whatsoever, and no loss, theft, damage or destruction of equipment shall relieve Lessee of the obligation to pay rent or of any other obligation under this lease. In the event of damage to any item of equipment, Lessee shall immediately place same in good repair. If Lessor determines that any item of equipment is lost, stolen, destroyed or damaged beyond repair, Lessee at the option of Lessor shall: (a) replace same with like equipment in good repair, or (b) pay Lessor in cash all of the following: (i) all amounts then due and payable by Lessee to Lessor under this lease, (ii) an amount equal to twenty (20%) of the cost of said item, and (iii) the unpaid balance of the Total Rent for the initial term of this lease attributable to said item. Upon Lessor's receipt of such payment, Lessee shall be entitled to whatever interest Lessor may then have in said item, in its then condition and location, without warranty, expressed or implied. The parties hereto agree that the sum of the amounts numbered (ii) and (iii) equals the fair value of said item on the date of such loss, theft, damage or destruction.

13. Lessee shall provide and maintain insurance against loss, theft, damage or destruction of equipment in an amount acceptable to Lessor but not less than the Total Rent payable hereunder, with loss payable to Lessor. Each policy shall be delivered to Lessor and shall expressly provide that said insurance as to Lessor and its assigns shall not be invalidated by any act, omission or neglect of Lessee. Lessor may apply the proceeds of said insurance to replace or repair equipment and/or to satisfy, in whole or in part, Lessee's obligations to Lessor. Lessee hereby irrevocably appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts received in payment for loss or damage under any of said insurance. Lessor may, at any time, with or without exercising any of the rights or remedies available to it and without prior notice or demand to Lessee, appropriate and apply toward the payment of any of Lessee's obligations to Lessor any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Lessor's possession and belonging or owing to Lessee and for such purpose, endorse Lessee's name on any such instrument made payable to Lessee for deposit, negotiation, discount or collection. Such applications may be made and/or any monies paid to Lessor may be applied and/or previous application changed to apply, without notice to Lessee, partly or entirely to any of Lessee's obligations to Lessor arising hereunder or otherwise as Lessor in its sole discretion may elect. If Lessee fails to procure and maintain insurance as herein provided or to pay any charges and taxes, Lessor shall have the right, but shall not be obligated to effect such insurance and/or pay such charges and taxes, and Lessee shall repay to Lessor the cost thereof as additional rent hereunder with the next payment of rent. Lessee shall also provide and maintain paid public liability (personal injury and property damage) insurance, naming lessor as additional insured.

14. Lessee shall hold harmless and indemnify Lessor against any and all claims, actions, proceedings, expenses, attorneys' fees, damages and liabilities, arising in connection with the equipment, its manufacture, selection, purchase, delivery, possession, ownership, leasing, renting, control, maintenance, delivery, use, operation and/or return and the recovery of claims under insurance policies thereon. Lessee shall pay promptly when due all charges and taxes (local, state and federal) which may now or hereinafter be imposed upon the ownership, leasing, renting, sale, purchase possession or use of equipment, and shall save Lessor harmless against any actual or asserted violations and pay all costs, expenses, penalties, interest and charges of every kind in connection therewith or arising therefrom. The obligations of Lessee shall survive the termination of this agreement. In any jurisdiction where the Uniform Commercial Code is in effect, Lessee grants to Lessor a security interest in any and all goods, chattels, fixtures, furniture, equipment, assets and property of every kind wherever located, now and/or hereafter belonging to Lessee and in which Lessee has any interest and agrees that any security interest created by this agreement secures any and all obligations of Lessee and those of any affiliate of Lessee to Lessor and to any affiliate of Lessor, whether hereunder or otherwise.

15. Without Lessor's prior written consent, Lessee shall not (a) assign, transfer, pledge, hypothecate or otherwise dispose of this lease or any interest therein, or (b) sublet or lend equipment or any part thereof, or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor and its assignee may assign this lease and/or mortgage the equipment, in whole or in part, without notice to Lessee. Each such assignee and/or mortgagee shall have all of the rights but none of the obligations of Lessor hereunder. Lessee hereby recognizes each such assignment and agrees to pay the balance of Total Rent to any assignee and not to assert against any assignee any defense, counterclaim, or set off that Lessee may have against Lessor. Subject to the foregoing, this lease inures to the benefit of and is binding upon the heirs, legatees, personal representatives, survivors, successors and assigns of the parties hereto.

16. Should Lessee fail to pay when due any part of the rent herein reserved or any other sum required to be paid to Lessor by Lessee, Lessee shall pay to Lessor a late charge of 1/15th of 1% per day on such delinquent payment, but not to exceed, however, the maximum permitted by applicable law, from the date when such payment was due until paid, and expenses of collection, including attorneys' fees. Lessee hereby irrevocably authorizes any attorney at any court of record to appear for and confess judgment against Lessee (except in any jurisdiction where such action is not permitted by law) for all unpaid amounts due hereunder, plus expenses and 15% added for attorneys' fees, without stay of execution, and Lessee hereby waives the issue of process, all rights of appeal and relief from any and all appraisement, stay or exemption laws then in force.

17. If Lessee fails to pay any rent or other amount herein provided when due, or if Lessee fails to perform any other provision hereof within five (5) days after Lessor shall have demanded in writing performance thereof, or if any proceeding in bankruptcy, receivership, liquidation or insolvency be commenced by or against Lessee or any of its property, or if Lessee makes any assignment for the benefit of its creditors, or if Lessee is in default under any other lease or agreement heretofore or hereafter held by Lessor, (any one or more of the foregoing being a default hereunder) then, if and to the extent permitted by applicable law, the full amount of Total Rent then unpaid hereunder and all other obligations of Lessee to Lessor shall become due and payable forthwith at the election of Lessor and Lessor may, at its option: (A) without notice or demand and without legal process, take possession of equipment (Lessee waiving any and all rights to any judicial hearing prior to any such retaking) wherever same may be located (with all additions and substitutions), but Lessee shall be required to assemble the equipment and make it available to Lessor at such place as Lessor may designate, whereupon all rights of Lessee in equipment shall terminate absolutely (but Lessee shall not be released from its obligations under this agreement until the full amount of unpaid Total Rent and all other sums payable hereunder have been paid in full) and Lessor may retain all payments of rent and (i) retain the equipment, or (ii) sell the equipment (applying net proceeds of such sale less 20% of the Actual Cost to the unpaid balance of Total Rent), or (iii) retain equipment and attempt re-lease of same (applying 80% of the reasonable re-rental value of the equipment, as determined by Lessor, for the unexpired initial term hereof to the unpaid balance of Total Rent); Lessee remaining unconditionally liable for any deficiency under (ii) and (iii) above; (B) pursue the recovery of unpaid balance of Total Rent and other amounts due hereunder; (C) pursue any other remedy at law or in equity. All remedies are cumulative and may, to the extent permitted by law, be exercised concurrently or separately and exercise of one shall not be an election or preclude the exercise of any other. Notwithstanding any action that Lessor may take, including taking possession of any or all of equipment, Lessee shall remain liable for the full performance of all its obligations hereunder. In addition to the foregoing, Lessee shall pay Lessor all costs and expenses, including reasonable attorneys' fees and costs of collection efforts, incurred by Lessor in exercising any of its rights or remedies hereunder. Lessee and Lessor hereby waive any and all rights to a trial by jury in any action based hereon or arising hereunder.

18. All notices relating hereto shall be in writing and delivered in person to an officer of the party to which such notice is being given or mailed by certified mail to such party at its address specified above or at such other address as may hereafter be specified by like notice by either party to the other. If more than one lessee is named in this lease, the liability of each hereunder shall be joint and several.

19. The equipment is and shall remain the property of Lessor. Lessee, at its own cost and expense, shall protect and defend the title of Lessor. Lessee shall at all times keep equipment free and clear from all liens, attachments, levies, encumbrances and charges or other judicial process, shall give Lessor immediate written notice thereof and shall indemnify and save Lessor harmless from any loss or damage caused thereby. Lessee shall have no right, title or interest in or to equipment, except as expressly set forth in this lease, nor shall Lessee have any equity nor be deemed to develop any equity in the equipment by virtue of this agreement or any payment made by Lessee or otherwise; Lessee's interest in the equipment being that of a lessee only. This equipment shall remain personal property even though installed in or attached to real property. No invoice issued prior to complete performance of this lease shall operate to pass title to Lessee. All equipment and any proceeds thereof, accessories, parts and replacements for or which are added to or become attached to equipment shall immediately become the property of Lessor and shall be deemed incorporated in equipment and subject to the terms of this lease as if originally leased hereunder. As part of the consideration for each of the parties hereto to enter into this lease, each party hereto, Lessor and Lessee, and any guarantor signing hereinbelow, hereby jointly and severally designate and appoint Stuart B. Glover, Esquire, New York, New York and C-A Credit Corp., New York, New York, or either of them, as each of such party's true and lawful attorney-in-fact and agent for each of such party and in each party's name, place and stead to accept service of any process within the State of New York, the party bringing any such action agreeing to notify the other party at its address shown herein or their last known address, by certified mail, within three days of such service having being effected and such parties and any guarantors do hereby agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder. If it should appear that any provision hereof is in conflict with any statute or rule of law of any jurisdiction wherein it may be sought to be enforced then such provision shall be deemed null and void to the extent that it may conflict therewith, but without invalidating the remaining provisions hereof.

20. This instrument constitutes the entire agreement between Lessor and Lessee. No agent or employee of the supplier is authorized to bind Lessor to this lease, to waive or alter any term or condition printed herein or add any provision hereto. Except as provided in section 3 hereof, a provision may be added hereto or a provision hereof may be altered or varied only by a writing signed by an authorized officer of Lessor. Waiver by Lessor of any provision hereof in one instance shall not constitute a waiver as to any other instance.

GUARANTORS SIGN HERE:

The undersigned, jointly and severally, hereby unconditionally guaranty and warrant the full and complete payment and performance of the above Equipment Lease Agreement in accordance with the terms thereof and any and all renewals, continuations, modifications, extensions, compromises, supplements and amendments thereof, without deduction by reason of set-off, defense or counterclaim. Notice of acceptance hereof and all notices of any kind to which we may be entitled is hereby waived. The liability of each of the undersigned is direct and unconditional and may be enforced without requiring Lessor to first resort to any other right, remedy or security and shall survive any repossession of Equipment, whether or not such constitutes an election of remedies against Lessee; nothing shall discharge or satisfy our liability hereunder except the full performance and payment of the above lease which has been read and is hereby ratified and confirmed.

Upon payment as aforesaid, this lease shall terminate with respect to the terms of Equipment so paid for. The proceeds of any insurance payable as result of loss of or damage to Equipment shall be applied, at the option of Lessor, toward the replacement, restoration or repair of Equipment or toward payment of the obligations of Lessee hereunder. Lessee shall indemnify and save Lessor harmless from any and all liability arising out of the ownership, selection, possession, leasing, renting, operation, control, use, maintenance, delivery and/or return of Equipment, but shall be credited with any amounts received by Lessor with respect thereto from liability insurance procured by Lessee. Lessee shall keep Equipment insured against all risks of loss or damage of any cause whatsoever for not less than (a) the actual fair market value of the Equipment; or (b) the cost of Equipment to Lessor less reasonable depreciation; or (c) the aggregate amount of unpaid Total Rent for the balance of the term on this lease; whichever be greater, and shall carry public liability insurance, both personal injury and property damage, covering Equipment. All said insurance shall be in form and amount and with companies satisfactory to Lessor. All insurance for loss or damage shall provide that losses, if any, shall be payable to Lessor, and all such liability insurance shall be in the joint names of Lessor and Lessee. Lessee shall pay the premiums therefor and deliver to Lessor the policies of insurance or duplicates thereof, or other evidence satisfactory to Lessor of such insurance coverage. Each insurer shall agree, by endorsement upon the policy or policies issued by it or by independent instrument furnished to Lessor, that it will give Lessor 30 days' prior written notice of the effective date of any alteration or cancellation of such policy. Lessee hereby irrevocably appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of, execute and endorse in Lessee's name, all documents, checks or drafts due and/or payable to Lessee or any other party. In case of the failure of Lessee to procure or maintain said insurance or to comply with any other provision of this lease, Lessor shall have the right, but shall not be obligated, to effect such insurance or compliance on behalf of Lessee. In that event, all moneys spent by the expenses of Lessor in effecting such insurance or complinance shall be deemed to be additional rent, and shall be immediately paid by Lessee to Lessor. At Lessor's request, Lessee will furnish current financial statements satisfactory to Lessor in form, preparation and content. Lessee shall comply with all laws and regulations relating to, and shall promptly pay when due, all license fees, registration fees, assessments, charges and taxes which may now or hereafter be imposed upon the ownership, possession, leasing, renting operation, control, use, maintenance, delivery and/or return of Equipment, and shall save Lessor harmless against actual or asserted violations, and pay all costs and expenses of every character in connection therewith or arising therefrom.

Title to equipment shall at all times remain in Lessor, and Lessee, at its own cost and expense, shall protect and defend the title of Lessor. Lessee shall at all times keep Equipment free and clear from all levies, attachments, liens, encumbrances and charges or other judicial process of every kind whatsoever, shall give Lessor immediate written notice thereof and shall indemnify and save Lessor harmless from any loss or damage caused thereby. Lessee will cooperate with Lessor, and take whatever action may be necessary, to enable Lessor to file, register or record, and refile, re-register or re-record this lease in such offices as Lessor may determine and wherever required or permitted by law, for the proper protection of Lessor's title to Equipment, and will pay all cost, charges and expenses incident thereto. Equipment is and shall remain personal property irrespective of its use or manner of attachment to realty, and Lessee will not cause or permit Equipment to be attached to realty in such manner that it might become part of such realty without securing the prior written consent of Lessor and the prior written agreement of the owner (if other than Lessee) and of any mortgagees of such realty, that Equipment shall remain personal property and may be removed at the option of Lessor. If Equipment is removed, with the consent of Lessor, from the address specified above, Lessee shall advise Lessor of its exact location. In any jurisdiction where the Uniform Commercial Code is in effect Lessee grants to Lessor a security interest in the Equipment and any and all inventory, goods, equipment, machinery, fixtures and assets of any and every kind, wherever located, now or hereafter belonging to Lessee or in which Lessee has any interest and agrees that any security interest created by this agreement secures any and all obligations of Lessee at any time owing to Lessor, now existing and/or hereafter incurred. Lessor may, for the purpose of inspection, at all reasonable times, enter upon any job, building or place where Equipment is located and may remove Equipment forthwith, without notice to Lessee, if Equipment is, in the opinion of Lessor, being used beyond its capacity or in any manner improperly

TERMS AND CONDITIONS OF EQUIPMENT LEASE AGREEMENT (Continued)

cared for or abused. Lessor is hereby authorized to file one or more financing statements or reproduction hereof as a financing statement.

If Lessee fails to pay any rent or any other amount hereunder when due or fails to pay when due any indebtedness of Lessee to Lessor arising independently of this lease or fails to perform any of the terms and provisions hereof or of any other agreement with Lessor or changes its management operations, ownership of its stock or control, or becomes insolvent or makes an assignment for the benefit of creditors or if any bankruptcy, receivership or other insolvency proceeding is instituted by or against Lessee or if Lessor shall at any time deem the Equipment in danger of misuse, concealment or misappropriation or if Lessor shall deem itself insecure, then Lessor may, without notice or demand, declare the entire amount of rent then unpaid hereunder together with delinquency charges, collection charges and attorney's fees and all other sums owing to Lessor by Lessee (the sum of all of which is hereinafter called the "Balance") immediately due and payable, whereupon said Balance shall immediately be due and payable and Lessee will immediately deliver possession of the Equipment to Lessor and Lessor may, at its option and without notice and without legal process (Lessee hereby waiving, with full knowledge of Lessee's rights and the effect of this waiver, any right to a hearing prior to any retaking of any property by Lessor), to the extent permitted by law: (1) recover the Balance; (2) take possession of the Equipment wherever same may be located (with all additions and substitutions), Lessee agreeing to assemble same at and deliver same to a place designated by Lessor, whereupon all rights of Lessee in the Equipment shall terminate absolutely (but Lessee shall not be released from its obligations under this agreement until the Balance has been paid in full), Lessee hereby authorizing and empowering Lessor or its designee to enter upon any premises where the Equipment may be found and take possession and carry away same without process of law, and (a) retain Equipment and all prior payments of rent; or (b) retain all prior payments and either (i) sell Equipment at public or private sale (all without publication or notice to Lessee and with the right in Lessor to purchase any of the Equipment at such sale) applying any net proceeds less 15% of Total Rent to all charges and expenses incurred by Lessor in connection with or incidental to the retaking, storage, repair, refurbishing and sale, including attorney's fees, then to the Balance and then to any other amounts owing by Lessee to Lessor; or (ii) retain Equipment and credit Lessee with the reasonable re-leasing value of the Equipment; Lessee remaining in any event liable for any deficiency; and (3) pursue any other remedy permitted by law or equity. It is agreed that any amounts to be retained by Lessor and any sums to be paid by Lessee under this paragraph shall not be as a penalty but as liquidated damages for the breach hereof. The remedies provided for herein are cumulative and may be exercised, to the extent permitted by the law of controlling jurisdiction, successively or concurrently, and the exercise of one shall not bar any other. Lessor and Lessee waive any and all right to a trial by jury in any action or proceeding based hereon or relating to the subject matter hereof. Lessee hereby irrevocably authorizes any attorney of any Court of Record to appear for and confess judgment against Lessee (except in any jurisdiction where such action is not permitted by law) for the Balance plus reasonable attorney's fees which are hereby agreed to be no less than 20% of any amount sought, without stay of execution, and Lessee hereby waives and releases relief from any and all appraisement, stay or exemption laws then in force. As part of the consideration for Lessor's entering into this lease, Lessee hereby designates and appoints Stuart B. Glover, Esq., New York, New York and C-A Credit Corp., New York, New York, or either of them, as Lessee's true and lawful attorney-in-fact and agent for Lessee and in Lessee's name, place and stead to accept service of any process within the State of New York, Lessor agreeing to send notice thereof to Lessee at its address shown herein, by certified mail, within three days of such service having been effected. The parties hereto agree to the venue and jurisdiction of any court located within the State of New York regarding any matter arising hereunder. No failure on the part of Lessee to exercise, and no delay in exercising any right or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by Lessor of any right or remedy hereunder preclude any other right or remedy. Time is of the essence of this lease and shall not be affected by acceptance of any overdue payment. Should Lessee fail to pay any part of the rent herein reserved or any other sum required to be paid by Lessee hereunder, Lessee shall pay Lessor a delinquency charge of 1/15 of 1% per day on such delinquent payment, but not to exceed, however, the maximum permitted by applicable law, from the date when such payment was due until paid, and expenses of collection, including attorney's fees. Any security interest granted herein shall attach to any proceeds. Each person signing this agreement warrants full authority to sign for the party named and said person, individually, together with the party named shall be jointly and severally liable for the balance of rent hereunder. Lessor may, in its sole discretion apply and/or change applications of any sums paid and/or to be paid by or for Lessee under any agreements to any obligations of Lessee presently existing or otherwise.

On termination hereof, Lessee shall, at its own cost and expense, return Equipment to Lessor at such address specified by Lessor, in the same condition as received, reasonable wear and tear and normal depreciation excepted. Lessee shall have the option, if Lessee is not in default hereunder, to purchase Equipment as a whole but not in part, as-is, where-is, at the end of the original or any renewal term hereof, upon giving at least 60 days' prior written notice to Lessor, and upon payment simultaneously with such notice of the Purchase Option amount as indicated on the reverse side hereof. If, upon the expiration of the original or any renewal term hereof, Lessee is not then and has not been in default in any of Lessee's obligations to Lessor and this lease specifies a Renewal Rent amount, Lessee may renew this lease for one year at the Renewal Rent so specified by giving Lessor written notice of renewal at least 60 days prior to the expiration of the initial or any renewal term and payment along with such notice of the Renewal Rent amount. If this lease is not renewed under the terms of the immediately preceding sentence for any reason whatsoever, and if Lessee fails to purchase the Equipment or return the Equipment as herein provided at the end of the then current term hereof, this lease shall be renewed for an additional one year term at the same rent provided for in this lease the initial term, subject to termination by Lessor at any time upon written notice to Lessee. All of the terms and conditions of this lease shall apply and be in full force and effect during any and all renewal terms.

This contract contains the entire agreement of the parties and may not be modified except in writing. Any provisions hereof violating the law of any jurisdiction shall, when governed by the law of such jurisdiction, be deemed void to the extent of such prohibition, but without invalidating the remaining provisions hereof. The parties hereto each warrant and agree that Lessee has not received possession of the Equipment prior to the date hereof. Intending that each and every provision of this agreement be fully effective according to its terms, the parties hereto specifically agree that the validity, enforceability and effectiveness of each provision shall be determined by the law of the state of residence or principal place of business of Lessee or Lessor or the original lessor, whichever may render each such provision effective. This agreement shall be binding upon the heirs, administrators, legal representatives and successors of Lessee.

ASSIGMENT TO BE EXECUTED BY LESSOR

For valuable consideration, the receipt whereof is hereby acknowledged, the undersigned ("Lessor") hereby sells, assigns, transfers and sets over to CREDIT ALLIANCE CORPORATION and/or LEASING SERVICE CORPORATION ("Assignee"), its successors and assigns, the within Equipment Lease Agreement (the "lease") and all right, title and interest in and to the property therein described (the "Equipment"), and all rights, powers and remedies therein, including the right to collect all sums due or to become due thereon and any notes, contracts of guaranty or surety and collateral of any kind or nature which Lessor has and will have pertaining to said lease and the right either in Assignee's own name, or in Lessor's name, to take such legal proceedings or otherwise as Lessor might have taken save for this assignment; and warrants the payment when due of each sum payable thereunder and the payment on demand of the entire unpaid balance, in the event of nonpayment by the Lessee of any payment at its due date or of any other default by the Lessee without first requiring Assignee to proceed against said Lessee. Lessor will reimburse Assignee for all expenses not paid by Lessee, in connection with enforcing its rights hereunder, including but not limited to, attorneys' fees, court costs, expenses of repossession and sale and interest on overdue payments. In consideration of Assignee accepting this assignment, Lessor hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Lessor's true and lawful attorney-in-fact and agent for Lessor and in Lessor's name, place and stead to accept service of any process within the State of New York, Assignee agreeing to notify Lessor at its address shown in the contract by certified mail within three (3) days of such service having been effected. Assignee may at any time, without prior notice or demand to Lessor, appropriate and apply toward the payment of any of Lessor's obligations to Assignee, any and all balances, sums, property, credits, accounts, reserves, collections checks or instuments belonging or payable to Lessor and in Assignee's possession, and for such purposes endorse the name of Lessor on any instrument payable to Lessor. Lessor agrees that Assignee may audit Lessor's books and records relating to all paper sold to it and agrees that without notice to and without releasing the liability of Lessor hereon, Assignee may release any rights against, grant extensions of time payment, and compromise claims with, the Lessee or any other obligor on the lease and repossess and resell any Equipment, and Lessor waives presentment and demand for payment, protest and notice of protest as to any note or notes endorsed or hereafter to be endorsed by Lessor, and Lessor expressly waives the benefits of any present or future provisions of law which might extend the obligation of Lessor as the result of any extension obtained by the Lessee in any proceedings under any present or future provisions of law.

Lessor warrants that the lease is genuine, enforceable, the only lease executed for the Equipment, is in all respects what it purports to be, is a valid obligation arising out of the lease of the Equipment to the Lessee in the ordinary course of business, contains the entire agreement and all instruments made or given in connection with such transaction and will be paid and performed according to its terms; that all statements therein contained are true; that at the time of execution of this assignment Lessor had good title to the Equipment and the right to transfer title thereto; that the Equipment has been duly delivered and accepted in accordance with the terms of the lease, will be insured as provided in the lease and will be satisfactorily maintained, protected and will operate to the satisfaction of Lessee and Lessor will comply with all of its obligations with respect to the Equipment; that all parties to the lease have capacity to contract; that Lessor has no knowledge of any facts which impair the validity of said lease or render it less valuable or valueless; that there is unpaid and owing thereon the whole of the balance due and Lessor warrants against all liens, claims, defenses and counterclaims, real or claimed, and compliance with all filing and recording requirements and all Federal, State and Municipal laws and rules, orders or regulations having the force of law regarding leases, conditional sales contracts, chattel mortgages and installment paper, hereby agreeing that any filing or recording or renewals thereof which Assignee may undertake at Lessor's request, or otherwise, shall be at Lessor's expense and without any responsibility whatsoever on Assignee's part for any omission or invalid accomplishment thereof, whether through Assignee's failure, neglect, or for any reason, and such omission or invalid accomplishment shall not relieve Lessor of any responsibility to Assignee. Lessor expressely represents and warrants that the lease arises out of a bona fide lease or sale in the first instance of the Equipment by Lessor to the Lessee, that title to the Equipment originated with Lessor and not with the Lessee, that prior to the execution of the lease the Lessee did not either directly or indirectly have any interest in the Equipment, that an actual delivery to and acceptance by the Lessee has been made for the Lessee's proper uses and purposes, that any advance rent or down payment was made by Lessee in cash and not its equivalent unless otherwise specifically stated in the lease, that no part thereof was loaned directly or indirectly by Lessor to the Lessee, that Lessor will not advance, give, or loan to the Lessee directly or indirectly any part of the unpaid rent or any other sum payable under the lease, that the Lessee has not and will not either directly or indirectly receive from or through Lessor any part of the consideration for this assignment and that Lessor shall be fully liable for payment of all of Lessee's obligations in the event Lessee fails to pay the Balance under the lease in full immediately upon the sale, transfer, assignment or conversion of the Equipment. Lessor shall have no authority without Assignee's prior written consent to accept collections and/or repossess and/or consent to the return of the Equipment and/or modify the terms of the lease.

Notice of the acceptance hereof is hereby waived, and none of the terms hereof shall be modified except by a writing signed by an officer of Assignee. This assignment has been executed and delivered to Assignee pursuant to and in furtherance of existing agreement, if any, between Lessor and Assignee. All representations, warranties and agreements therein contained are incorporated herein by reference and are deemed repeated by Lessor so as to induce Assignee to accept this assignment.

TERMS AND CONDITIONS OF LEASE

1. LEASE. LESSOR hereby leases to LESSEE and LESSEE hereby hires and takes from LESSOR, the personal property set forth on the EQUIPMENT Schedule above with all replacement parts, additions, accessories incorporated therein and/or affixed thereto, hereinafter referred to as EQUIPMENT.

2. RENTALS. During and for the original term hereof LESSEE hereby agrees to pay LESSOR as and for rental of the EQUIPMENT the amounts specified above as monthly or other calendar period rental multiplied by the number of months or periods specified above. The first rental payment shall be made on the effective date as set forth above. In the event the effective date is omitted when the LEASE is executed by the LESSEE, the LESSOR shall insert the effective date of this LEASE which shall be the expected date of delivery of EQUIPMENT. Subsequent monthly or other period rental payments shall be due on the same day of subsequent months or other calendar periods as the effective date of this LEASE. All payments shall be made at the office of the LESSOR at 3000 Dundee Road, Northbrook, Illinois 60062 or as otherwise directed by the LESSOR in writing.

3. SECURITY DEPOSIT. At the LESSOR'S option any security deposit made hereunder may be applied by LESSOR to cure any default of LESSEE in which event LESSEE shall promptly restore the security deposit to its full amount as set forth above. IF ALL THE CONDITIONS HEREIN ARE FULLY COMPLIED WITH THE SECURITY DEPOSIT SHALL BE REFUNDED TO THE LESSEE WITHIN 30 DAYS AFTER THE RETURN OF THE EQUIPMENT TO THE LESSOR AT THE TERMINATION OF THE ORIGINAL TERM HEREOF OR OF ANY RENEWAL TERM.

4. WARRANTIES. LESSOR will request the supplier to authorize LESSEE to enforce in its own name all warranties, agreements or representations, if any, which may be made by the supplier to LESSEE or LESSOR. BUT LESSOR ITSELF MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION THE CONDITION OF EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. NO DEFECT OR UNFITNESS OF THE EQUIPMENT SHALL RELIEVE LESSEE OF THE OBLIGATION TO PAY RENT OR OF ANY OTHER OBLIGATION UNDER THIS LEASE. The Lessee also acknowledges that the Lessor has made no representation or warranty of any kind, nature or description, express or implied, with respect to the Equipment.

5. TERM AND RENEWAL. The original term of this LEASE shall commence on the effective date as set forth above and shall terminate upon the expiration of the number of months, or other calendar periods, set forth above from said date. Provided LESSEE has carried out all the terms and conditions of this LEASE on LESSEE'S part to be kept and performed, LESSEE shall have the option to renew this LEASE for additional periods of one year each beginning the day following the date of termination of the original term of this LEASE and ending one year thereafter. Rentals during any such yearly renewal period shall be as indicated above and shall be payable in advance. During any such renewal period, all of the provisions of this LEASE shall govern except original term rental rates. Notice in writing of renewal shall be addressed to LESSOR at least 60 days in advance of the expiration of the original term hereof or of any subsequent renewal term.

THIS LEASE IS SUBJECT TO THE TERMS AND CONDITIONS PRINTED ABOVE AND ON REVERSE SIDE WHICH ARE MADE PART THEREOF AND WHICH LESSEE ACKNOWLEDGES THAT IT HAS READ.

6. EQUIPMENT AND LIABILITY. LESSOR, at the request of LESSEE, has ordered or shall order the EQUIPMENT described above from a supplier selected by LESSEE. LESSOR shall not be liable for specific performance of this LEASE or for damages, if, for any reason, supplier fails to accept such order or delays or fails to fill the order. LESSEE agrees to accept such EQUIPMENT and authorizes LESSOR to add the serial number of the EQUIPMENT to this LEASE.

LESSOR shall not be liable to LESSEE for any loss, damage or expense of any kind or nature, caused directly or indirectly by any EQUIPMENT leased hereunder or the use or maintenance thereof; the repair, servicing or adjustment thereto, or for any delay or failure to provide any thereof, any interruption of service or loss of use of the EQUIPMENT, or for any loss of business or damage whatsoever and howsoever caused.

7. ERRORS IN ESTIMATED COST. As used herein, "actual cost" means the cost to LESSOR of purchasing and delivering the EQUIPMENT to LESSEE, including taxes, transportation charges and other charges. The amount of each rent payment, the security deposit, and the renewal rental initially set forth above are based on the total cost initially set forth, which is an estimate, and each shall be adjusted proportionally if the actual cost of the EQUIPMENT differs from said estimate. LESSEE hereby authorizes LESSOR to correct the figures set forth above when the actual cost is known, and to add to the amount of each rent payment any sales or other tax that may be imposed on or measured by rent payments. If the actual cost of the EQUIPMENT differs from the estimated cost by more than ten percent (10%) thereof, however, either party at its option may terminate this LEASE by giving written notice to the other party within fifteen (15) days after receiving notice of the actual cost or the corrected rent.

8. PLACE OF USE. LESSEE shall keep the EQUIPMENT at its place of business as specified above. LESSEE covenants and agrees not to allow the use of the EQUIPMENT by other than the employees of the LESSEE and covenants and agrees not to rent or sublet the EQUIPMENT or any part thereof to others for their own use.

9. USE AND RETURN OF EQUIPMENT. The LESSEE shall exercise due and proper care in the use, repair and servicing of the equipment and at all times and at its expense shall keep and maintain the leased property in good working condition, order, and repair. The LESSEE shall make no alteration to the leased property without the prior written consent of the LESSOR. Upon the expiration or termination of this LEASE, LESSEE at its sole expense shall forthwith properly pack and return the EQUIPMENT to LESSOR, at such place designated by LESSOR within the Continental United States, in the same condition as when received by LESSEE, reasonable wear and tear alone excepted. All replacement parts, additions and accessories incorporated in or affixed to the EQUIPMENT after the commencement of this LEASE shall become the property of LESSOR.

10. INSURANCE. LESSEE shall at its own expense keep the EQUIPMENT insured against such risks, in such amounts, including the amount of the replacement value of the EQUIPMENT, in and with such companies as LESSOR shall determine. Said insurance shall provide for loss, if any, payable to the LESSOR. LESSEE shall have no Pro Rata interest in any such policies or the proceeds thereof. Subject to the provisions of paragraph 21 with regard to risk of loss, and without limiting such provisions in the case of any loss or damage covered by insurance, and only to the extent that such loss or damage is covered by such insurance, the proceeds of such insurance shall be applied, at the option of LESSOR, (a) toward the replacement, restoration or repair of EQUIPMENT which may be lost, stolen, destroyed or damaged or (b) toward the obligations of LESSEE for rent hereunder. In the event the LESSOR elects to apply insurance proceeds to the repair or to the replacement of the damaged EQUIPMENT, this LEASE shall continue in full force and effect. In the event the LESSOR elects to apply insurance proceeds to the payment of LESSEE'S obligations for rent hereunder, the LESSEE'S obligations for or the rent hereunder shall be reduced by the amount of such insurance proceeds, but the LESSEE shall be liable for any additional rents due. Such reduction of rents shall be allocated solely to the item or items lost, stolen, damaged or destroyed.

11. TAXES. The LESSEE shall pay all taxes and assessments (and interest and penalties, if any, thereon) which may be levied, directly or indirectly, against the EQUIPMENT or any interest therein or with respect to the ownership, possession or use thereof, whether such taxes are levied against the LESSOR or the LESSEE. Such taxes to be paid by the LESSEE shall include, without limitation, property, sales, rent, lease, and use taxes and any other tax measured by the gross rent payable hereunder, but shall not include net income or franchise taxes payable by the LESSOR. If such taxes are levied against the LESSOR, it shall notify the LESSEE of such fact. The LESSOR shall have the right, but not the obligation, to pay any such taxes, whether levied against the LESSOR or the LESSEE. In such event the LESSEE shall reimburse the LESSOR therefor within five days after receipt of invoice and for the failure to make such reimbursement when due the LESSOR shall have all remedies provided herein with respect to the nonpayment of the rental hereunder.

12. TITLE. All said EQUIPMENT shall remain personal property and the title thereto shall remain with the LESSOR, exclusively. LESSEE shall keep the EQUIPMENT free from any and all liens and encumbrances. LESSEE shall give LESSOR immediate notice of any attachment or other judicial process, liens or encumbrances affecting the EQUIPMENT and shall indemnify and save LESSOR harmless from any loss or damage caused thereby.

13. FILING. LESSEE hereby authorizes LESSOR to file this LEASE, any financing statements or security agreements with respect to the EQUIPMENT or any collateral provided by LESSEE to LESSOR prior to or following LESSOR'S acceptance of this LEASE, in any state of the United States. LESSEE further authorizes LESSOR to file such LEASE, financing statement or security agreement without the signature of LESSEE thereon. LESSEE shall execute such supplemental instruments and financing statements if LESSOR deems such to be necessary or advisable and shall otherwise cooperate to defend the title of the LESSOR by filing or otherwise.

14. RIGHT OF INSPECTION. The LESSOR, its agents, dealers, and representatives, shall have the right at any time during usual business hours to inspect the EQUIPMENT and for that purpose to have access to the location of the EQUIPMENT.

15. NON-WAIVER. LESSOR'S failure at any time to require strict performance by LESSEE of any of the provisions hereof shall not waive or diminish LESSOR'S right thereafter to demand strict compliance therewith or with any other provision. Waiver of any default shall not waive any other default. LESSOR'S rights hereunder are cumulative and not alternative.

16. POSSESSION. LESSOR covenants to and with LESSEE that LESSOR is the lawful owner of said EQUIPMENT free from all encumbrances, and that, conditioned upon LESSEE performing the conditions hereof, LESSEE shall peaceably and quietly hold, and use the EQUIPMENT during said term without hindrance.

17. DEFAULT. If LESSEE fails to pay any rent or other amount herein provided within Five (5) days after the same is due and payable, or if LESSEE fails to observe, keep or perform any other provision of this LEASE required to be observed, kept or performed by LESSEE, or if LESSEE ceases doing business as a going concern, or if a petition is filed by or against LESSEE under the Bankruptcy Act or any amendment thereto (including a petition for reorganization or an arrangement), or if a receiver is appointed for LESSEE or its property, or if LESSEE commits an act of bankruptcy, becomes insolvent, makes an assignment for the benefit of creditors, or offers a composition or extension of any of its indebtedness, or if LESSEE, without LESSOR'S prior consent, attempts to remove or sell or transfer or encumber or sublet or part with the possession of said EQUIPMENT, or if LESSOR deems itself insecure, then LESSOR or its agents shall have the right to exercise any one or more of the following remedies: (a) To declare the entire amount of rent hereunder immediately due and payable without notice or demand to LESSEE, (b) To sue for and recover from the LESSEE an amount equal to the unpaid balance of the rent due and to become due during the term of this LEASE, as well as all attorneys' fees and other expenses incurred by LESSOR in an attempt to enforce the provisions of this LEASE, (c) To sue for and recover damages for the LESSEE'S default, or (d) To take possession of any or all items of EQUIPMENT without demand or notice wherever same may be located without any Court Order or other process of law. Upon retaking possession of any or all items of EQUIPMENT, the LESSOR at its option may (i) lease repossessed EQUIPMENT or any part thereof to any third party on such terms and conditions as the LESSOR may determine or (ii) sell the EQUIPMENT or any part thereof to the highest bidder at public auction or at private sale and may credit the amount so realized less all expenses, including attorneys' fees, incurred in connection with such disposition to the unpaid balance of rent due and to become due and hereunder. LESSEE hereby waives any and all damages occasioned by such taking of possession. Any said taking of possession shall not constitute a termination of this LEASE and shall not relieve LESSEE of its original obligation hereunder unless LESSOR expressly so notifies LESSEE in writing. In addition, the LESSOR shall have upon default such other and further remedies and rights as may be available at law by reason of the LESSEE'S default.

18. ASSIGNMENTS. Neither this LEASE or the LESSEE'S rights hereunder shall be assignable by the LESSEE herein except with LESSOR'S written consent. LESSOR shall have the right to assign this LEASE or any part thereof. If LESSOR assigns the rents reserved herein or all or any of the LESSOR'S other rights hereunder, or amounts equal thereto, the right of the Assignee to receive the rentals as well as any other right of the Assignee shall not be subject to any defense, setoff, counterclaim or recoupment which may arise out of any breach or obligation of LESSOR or by reason of any other indebtedness or liability at any time owing by LESSOR to LESSEE. All rentals due hereunder shall be payable to Assignee by LESSEE whether or not this LEASE is terminated by operation of law or otherwise including without limitation, termination arising out of bankruptcy, reorganization or similar proceedings involving LESSOR. On receipt of notification of such assignment, LESSEE, subject to its rights hereunder, shall become the pledgeholder of the EQUIPMENT for and on behalf of the Assignee and will relinquish possession thereof only to the Assignee or pursuant to its written order. LESSEE, on receiving notice of any such assignment, shall abide thereby and make payments as may therein be directed. Following such assignments, the term "LESSOR" shall be deemed to include or refer to LESSOR'S Assignee, provided that no such Assignee shall be deemed to assume any obligation or duty imposed upon LESSOR hereunder and LESSEE shall look only to LESSOR for performance thereof.

19. This lease and every part thereof, shall be binding upon the LESSEE, and upon the heirs, legal representatives, successors, and assigns of the LESSEE, and shall inure to the benefit of the LESSOR, its successors, legal representatives and assigns.

20. LIABILITY. LESSEE shall indemnify and save LESSOR harmless from any and all claims, actions, proceedings, expenses, damages and liabilities including attorneys' fees arising in connection with the EQUIPMENT including, without limitation, its manufacture, selection, purchase, delivery, possession, use, operation, maintenance, leasing, return and any acts of the LESSEE in failing to maintain the EQUIPMENT IN GOOD REPAIR.

21. RISK OF LOSS. LESSEE hereby assumes and shall bear the entire risk of loss, theft, damage and destruction of the EQUIPMENT from any cause whatsoever and no loss, theft, damage or destruction of EQUIPMENT shall relieve LESSEE of the obligation to pay rent or any other obligation of this LEASE and this LEASE shall remain in full force and effect. LESSEE shall promptly notify LESSOR in writing of any such loss, theft, damage or destruction of the EQUIPMENT. In the event of damage of any kind whatever to any item of EQUIPMENT (unless the same is damaged beyond repair), LESSEE, at the option of LESSOR, shall at LESSEE's expense (a) place the same in good repair, condition and working order, or (b) replace the same with like EQUIPMENT of the same or later model in good repair, condition and working order. If the EQUIPMENT, or any item thereof, is determined by LESSOR to be lost, stolen, destroyed or damaged beyond repair, LESSEE shall immediately pay LESSOR therefor an amount equal to the aggregate amount of unpaid total rent for the balance of the term of the LEASE, or the amount of the unpaid total rent allocated to the item or items involved, as the case may be. Upon such payment this LEASE shall terminate with respect to the EQUIPMENT or items thereof so paid for, and LESSEE thereupon shall become entitled thereto as-is-where-is, without warranty, express or implied, with respect to any matter whatsoever.

22. MISCELLANEOUS. All notices relating hereto shall be mailed to LESSOR or LESSEE at its respective address above shown or at any later address last known to the sender. This LEASE is irrevocable for the full term hereof and for the aggregate rental herein reserved, and the rent shall not abate by reason of termination of LESSEE'S right of possession and/or the taking of possession by LESSOR or for any other reason. If more than one LESSEE is named in this LEASE, the liability of each shall be joint and several.

Delinquent installments of rental shall bear interest at the highest lawful rate. If LESSOR supplies LESSEE with labels, LESSEE shall label any and all items of EQUIPMENT and shall keep the same affixed in a prominent place. Labels shall bear the legend "Property of Trans Leasing International, LESSOR." In the event this lease is placed in the hands of an attorney to recover any monies due and to become due hereunder and/or for the possession of the equipment, LESSEE shall pay to LESSOR the sum of 15% of the balance due hereunder, if permitted by law, as attorneys' fees, and in no event less than $50.00.

23. This agreement shall be deemed to have been made and executed in Cook County, Illinois, regardless of the order in which the signatures of the parties shall be affixed hereto, and shall be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the State of Illinois. The LESSEE hereby designates Richard Grossman, 3000 Dundee Road, Northbrook, Illinois 60062 as agent for the purpose of accepting service of any process within the State of Illinois, and the said agent agrees to forward by certified mail any process served upon him to the LESSEE at its address as set forth above.

24. SEVERABILITY. If any provision hereof or any remedy herein provided for be invalid under any applicable law, such provision shall be inapplicable and deemed omitted, but the remaining provisions hereof, including remaining default remedies, shall be given effect in accordance with the manifest intent hereof.

25. ENTIRE AGREEMENT, WAIVER. This instrument constitutes the entire agreement between the parties. No supplier or agent thereof is authorized to bind LESSOR or to waive or modify any term hereof. No waiver by LESSOR of any provision hereof shall constitute a waiver of any other matter.

1. **TERMS AND CHARGES.**

This Agreement shall become effective upon its execution by an authorized officer of Decision Data.

The stated monthly charges shall be due on the first day of the month immediately following the date of installation of each item of Equipment, and on the first day of each month thereafter until the Total Lease/Purchase Price and all other charges hereunder have been paid. Charges for the possession of each item of Equipment from the date the Equipment is installed and accepted by the Purchaser to the first day of the following month shall be at the daily rate of 1/30th of the stated monthly charge.

Payment of all other charges assessable under the terms of this Agreement shall be made upon the Purchaser's receipt of the invoice therefor.

The Purchaser agrees to pay when due all taxes, howsoever designated, levied or based or whether payable by Decision Data or the Purchaser, on or relating to this Agreement, any payments to be made hereunder or on the Equipment, including without limitation, personal property taxes, state and local sales, use, privilege or excise taxes based on gross revenue, and any taxes or amounts in lieu thereof, paid or payable by Decision Data, exclusive, however, of taxes based on Decision Data's net income.

The Purchaser may, at any time, prepay all or any part of the balance of the Total Lease/Purchase Price. The Finance Charge applicable to such a prepayment shall be determined in accordance with the so-called "Rule of 78s".

2. **TRANSPORTATION AND INSTALLATION.**

Decision Data will ship the Equipment to the location of installation designated on the face page hereof, F.O.B. Decision Data's plant, and the Purchaser shall pay all charges in connection with the delivery and installation of the Equipment.

3. **USAGE.**

The Purchaser shall possess and use the Equipment only in accordance with this Agreement, and subject to such other rules as may be prescribed by applicable law. Decision Data shall have the right, upon reasonable prior notice to the Purchaser and during the Purchaser's regular business hours, to inspect the Equipment wherever it may be located.

4. **MAINTENANCE AND REPAIR.**

The Purchaser shall, at its expense, maintain the Equipment and all additions, attachments and accessories thereto, in good condition and running order and provide proper supervision and management over its use and operation in order to preclude its abuse and preserve its operating efficiency until the Total Lease/Purchase Price and all other charges have been paid. The Purchaser shall be responsible for any loss or damage to the Equipment from any cause whatsoever. Repairs, alterations and attachments to the Equipment may be made only by Decision Data, or a qualified third party with the prior written consent of Decision Data. Any additions, attachments, accessories, repairs and replacements to the Equipment shall become part of the Equipment. Except for Decision Data's security interest, no action which might result in the creation or attachment of a mechanic's or materialman's lien or any other lien or encumbrance on any item of Equipment shall be permitted.

5. **RISK OF LOSS; TITLE.**

During the period the Equipment is in transit up to the date of delivery to the Purchaser, Decision Data and its insurers, if any, relieve the Purchaser of responsibility for all risk of loss or damage to the Equipment. After the date of delivery, the risk of loss or damage shall be on the Purchaser. Upon timely payment by the Purchaser of the Total Lease/Purchase Price and all charges due hereunder, title to the Equipment shall pass to the Purchaser and the Purchaser will accept the Equipment in "as is" condition. The Purchaser agrees that no transfer, renewal, extension or assignment of this Agreement or any interest hereunder or injury to or loss or destruction of the Equipment shall release the Purchaser from any obligation hereunder.

6. **CUSTOMER SET-UP EQUIPMENT.**

Decision Data may designate certain Equipment to be Customer Set-Up Equipment ("CSU Equipment") which is Equipment that the Purchaser agrees to install without the assistance of Decision Data, and the Purchaser shall do so in compliance with Decision Data's then current policies and procedures relating to preinstallation planning, installation, usage, and maintenance of CSU Equipment. If requested by the Purchaser, Decision Data may in its sole discretion, install CSU Equipment and, in such event, the Purchaser shall pay Decision Data for said service on the basis of Decision Data's then current terms, conditions and prices. For purposes of this Agreement, the date of installation of CSU Equipment shall be deemed to be the second business day following the date the Equipment is received by the Purchaser. In the event CSU Equipment arrives at the Purchaser's location damaged, the Purchaser shall immediately notify Decision Data of such damage and Decision Data shall, at its option, either repair or replace said item. Notwithstanding anything else in this Agreement to the contrary, if the Purchaser fails to so notify Decision Data within ten (10) days of receipt, Decision Data shall repair or replace the damaged Equipment at the Purchaser's expense based upon Decision Data's then current charges.

7. **NET PAYMENTS; NO ABATEMENT.**

The monthly payments hereunder are intended to be net to Decision Data. The Purchaser shall not be entitled to any abatement of the monthly payments or other amounts due hereunder or any reduction thereof, including, but not limited to, abatement or reductions due to any present or future claims by the Purchaser against Decision Data or any assignee under this Agreement or otherwise; nor except as otherwise expressly provided herein, shall this Agreement terminate or the obligations of the Purchaser be affected because of any defect in, damage to, or loss or destruction of all or any part of the Equipment from whatsoever cause, interference with its use or for any other cause or reason whatsoever.

8. **INDEMNITY.**

The Purchaser shall indemnify and hold Decision Data harmless from any loss, claim, damage, action, proceeding or expense to persons or property arising out of or in any manner pertaining to the Equipment or this Agreement, which indemnity shall survive the termination of this Agreement.

9. **WARRANTY.**

Decision Data warrants that the Equipment, when installed and ready for use, will be in good working order. Decision Data's obligation hereunder is limited to the repair or replacement of any parts or item of Equipment, at Decision Data's option, when it determines that the Equipment does not conform to this warranty.

THE WARRANTY PROVIDED HEREIN IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING MERCHANTABILITY OF THE EQUIPMENT OR FITNESS FOR ANY PARTICULAR PURPOSE, AND OF ALL OBLIGATIONS OR LIABILITIES ON THE PART OF DECISION DATA FOR DAMAGES INCLUDING, BUT NOT LIMITED TO INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR OPERATION OF THE EQUIPMENT, THE SERVICES PERFORMED OR PARTS SUPPLIED HEREUNDER, OR ANY BREACH BY DECISION DATA OF THIS AGREEMENT.

10. **ASSIGNMENT.**

This Agreement, the Equipment and any monthly payments or other sums due or to become due hereunder, or any part of the foregoing, may be transferred or assigned by Decision Data or its assignee, without notice, and in such event the transferee or assignee shall have, to the extent transferred or assigned to it, all rights, powers, privileges and remedies of Decision Data hereunder. The Purchaser agrees that no such transferee or assignee shall assume any obligation of Decision Data hereunder, and that the obligations of the Purchaser hereunder shall not be subject, as against any such transferee or assignee, to any defense, setoff or counterclaim available to the Purchaser against Decision Data and that same may be asserted only against Decision Data, if otherwise permitted by this Agreement.

The Purchaser shall not assign or otherwise transfer or encumber any of its interest in the Equipment or this Agreement without the prior written consent of Decision Data.

11. **SECURITY.**

(A) Decision Data reserves a purchase money security interest in each item of Equipment, including all property presently or hereafter incorporated therein or attached thereto, and to the proceeds of the foregoing, until all amounts due to Decision Data from the Purchaser are paid.

(B) The Equipment, accessories and devices furnished under this Agreement shall, at all times and for all purposes, be considered personal property, notwithstanding the manner or mode of its attachment to the Purchaser's premises. The Purchaser shall keep such Equipment free from liens and encumbrances of any kind and shall not remove said Equipment, accessories and devices from the Purchaser's installation site address set forth on the face page hereof, without Decision Data's prior written consent. The Purchaser agrees to furnish Decision Data, at Decision Data's request, with a landlord's waiver and consent to remove all, if any, of the Equipment that is affixed or to be affixed to realty during the term of this Agreement, such release to be furnished prior to such affixation.

(C) The Purchaser shall be fully responsible for the care and safekeeping of all Equipment, accessories and devices covered hereby after the date of delivery to the Purchaser's premises and shall procure and maintain fire, extended coverage, vandalism and malicious mischief insurance thereon, during the term hereof, for the full replacement value thereof or the total amount owed by Purchaser under this Agreement, whichever is greater, naming Decision Data as an additional insured and with loss payable to Decision Data and the Purchaser, as their interests may appear. In addition, the Purchaser shall procure and maintain such liability insurance coverage as may be required by Decision Data. Evidence of all of such coverage shall be provided by a certificate of insurance, which is to be submitted to Decision Data and shall be satisfactory to Decision Data, such certificate to provide that in the event of cancellation of or material change in the policy, 10 days prior written notice of such action shall be given to Decision Data. Decision Data, at its option, may apply any proceeds of such insurance to replace the Equipment or to repay the Purchaser's obligation hereunder. If the Purchaser fails to provide such insurance or within ten (10) days after Decision Data's request fails to deliver the required certificates to Decision Data, then Decision Data may procure such insurance and add the cost to the next due monthly payment, which the Purchaser agrees to pay. The Purchaser appoints Decision Data as the Purchaser's attorney in fact to make claim for, receive payment and execute and endorse all documents, checks or drafts received in payment for any claim under any policy of insurance. In the event that such insurance shall be included under a policy covering the Purchaser's own property, such policy shall contain a clause reading substantially as follows ". . . including the property of others which the assured has agreed to insure prior to loss or damage or for which the assured may be liable in the event of loss or damage . . ."

(D) The Purchaser agrees to execute any financing statements and all other documents requested by Decision Data to protect the purchase money security interest in the Equipment hereby reserved by Decision Data, and to comply with state and local requirements for filing and/or recording. If the Purchaser fails to execute any such documents, Decision Data is hereby given the power and authority to execute same in the Purchaser's name. A copy of this Agreement may be filed with appropriate state and/or local authorities at any time after signature by the Purchaser as a financing statement in order to perfect Decision Data's security interest. Such filing does not constitute acceptance of this Agreement by Decision Data.

12. **DEFAULT: REMEDIES UPON DEFAULT.**

Should the Purchaser (a) default in the payment of any money due hereunder for more than ten (10) days after such sum is due, or (b) default in the performance of any other obligations under this Agreement for more than fifteen (15) days after the Purchaser's receipt of written notice thereof from Decision Data, or (c) default under any other existing or future agreement with Decision Data or (d) cease doing business as a going concern, commit an act of bankruptcy while insolvent or become the subject of any involuntary proceeding under the Bankruptcy Act (and such proceeding is not vacated within thirty (30) days), or (e) remove, sell, transfer, encumber, sublet or part with possession of any item of Equipment or attempt to permit the same, then all unpaid installments and other charges due hereunder shall immediately become due and payable and the Purchaser agrees to return the Equipment to Decision Data or its assigns on demand. In the event of any of the foregoing defaults, Decision Data may at its option do any or all of the following: (i) proceed by appropriate court action, either at law or in equity, to enforce performance by the Purchaser of the applicable terms and conditions of this Agreement or to recover damages for breach thereof; (ii) terminate this Agreement; (iii) whether or not this Agreement is terminated, take immediate possession of any or all of the Equipment if not returned by the Purchaser, wherever situated, and for such purpose, enter upon any premises without liability for so doing; and (iv) sell, dispose or, hold, use or lease the Equipment as Decision Data, in its sole discretion shall decide. The Purchaser shall in any event remain fully liable for damages as provided by law and for all costs and expenses incurred by Decision Data on account of such default including all court costs and reasonable attorney's fees. In the event Decision Data determines to sell the Equipment, it may do so after at least ten (10) days notice before the time of any intended public sale or of the time after which any private sale or other disposition of the Equipment is to be made, at which sale Decision Data or its assignees may purchase. The proceeds thereof, less expenses of retaking, repairing, holding, reselling, and attorney's fees, shall be credited against the amount unpaid. If after such credit a balance is still due, the Purchaser will pay such balance forthwith as liquidated damages for breach of this Agreement. Any surplus, however, is to be paid to the Purchaser. The rights afforded Decision Data under this Section shall not be deemed to be exclusive, but shall be in addition to any rights or remedies provided by law. The failure of either party at any time to require performance by the other party of any provision hereof or the waiver by one party of a breach of any provision by the other shall in no way constitute a waiver of any such succeeding breach or affect the right to require such performance at any time thereafter.

13. **GENERAL.**

This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania. No provision of this Agreement shall be deemed waived, amended or modified by either party unless such waiver, amendment or modification is in a writing signed by an authorized representative of the party against whom it is sought to be enforced.

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Any notice to be given to Decision Data hereunder shall be in writing and mailed to Decision Data Computer Corporation, 100 Witmer Road, Horsham, Pennsylvania, 19044, or, if to the Purchaser, at the address of the Purchaser shown on this Agreement, or to such other address as either party shall have theretofore designated by notice in writing.

In the event that any of the terms of this Agreement be or becomes or is declared to be illegal by any court or tribunal of competent jurisdiction, such terms or term shall be null and void and shall be deemed deleted from this Agreement, and all of the remaining terms of this Agreement shall remain in full force and effect.

LEASE/PURCHASE RIDER BOOK 460 PAGE 223

This Rider by and between Decision Data Computer Corporation (hereinafter "Decision Data") and US Naval Institute (hereinafter "Purchaser") shall become a part of the Lease/Purchase Agreement No. 15-1532 dated the 15 day of October, 1983 by and between Decision Data and Purchaser (hereinafter "Agreement") on the date Decision Data accepts the Rider (hereinafter "Acceptance Date").

Notwithstanding anything in the Agreement to the contrary, the parties, intending to be legally bound hereby, agree as follows:

1. Purchaser agrees to accept for delivery the total number of items of Equipment set forth in this Section 1 within six (6) months after the Acceptance Date (the "Purchase Period") in accordance with the following schedule:

EQUIPMENT TYPE/FEATURE	QUANTITY	SHIPMENT DATE
3751-11	12	12-15-83 or ASAP
3751-11	2	1-18-84

The purchaser certifies it is a member of the Decision Data approved user group. Computer User of Baltimore and is therefore entitled to a discount from list price of one (1) quantity level greater than that for which he would otherwise qualify under this rider and Exhibit.

2. The applicable purchase prices and monthly charges for the Equipment shall be as set forth below:

Equipment Type/Feature	Quantity	Purchase Price			Lease/Purchase Monthly Charge		Number Of Monthly Payments	Lease/Purchase Price	
		Per Unit		Total	Per Unit	Total		Per Unit	Total
(A)	(B)	List (C)	Discounted (D)	Discounted (E)	(F)	(G)	(H)	(I)	(J)
3751-11	14	2175	1936	27104	67	938	36	2412	33768

CALCULATIONS: Column (E) = (B) x (D). Column (G) = (B) x (F). Column (I) = (F) x (H). Column (J) = (B) x (I).

3. The second paragraph of Section 1 of the Agreement, "Terms and Charges" is amended by deleting same and substituting therefor the following:

> "The monthly charge for each unit of Equipment shall be due on the first day of the month immediately following the day of installation of such item of Equipment and on the first day of each month thereafter until the Lease/Purchase Price for such unit has been paid. In addition to the monthly charge, charges for the use of each item of Equipment from the date such unit is installed and accepted by the Purchaser to the first day of the following month shall be at the daily rate of one-thirtieth (1/30th) of the stated monthly charge."

4. In the event the Purchaser received a volume discount at the time of signing the Agreement and the Purchaser fails to accept for delivery all the items of Equipment set forth in Section 1 of this Rider within the Purchase Period (and such failure is not caused by the negligence of Decision Data), the Purchaser agrees to pay for each unit of Equipment accepted for delivery during the Purchase Period, within thirty (30) days of the invoice date, an amount equal to the product derived by multiplying the difference between (x) the Discounted Purchase Price as set forth in Section 2 of this Rider which was used to calculate the monthly charge hereunder for such unit of Equipment and (y) the discounted purchase price as of the time such unit was delivered that would have been applicable to the quantity of units actually delivered during the Purchase Period based on the Discount Schedule in the attached Exhibit.

5. For the purposes of Section 4 of this Rider, each category of Equipment set forth in the Exhibit attached hereto shall be treated separately, so that the quantity of units purchased hereunder and the above calculation shall be determined on a category by category basis.

Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale; Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate; however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns; and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, succcessors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective; however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.

2. The term "Mortgage Obligations" as used herein shall mean and include any and all loans, advances, payments, extensions of credit, endorsement, guaranties, benefits and financial accommodations heretofore or hereafter made, granted or extended by Mortgagee or which Mortgagee has or will become obligated to make, grant or extend to or for the account of Mortgagor, and any and all interest, commissions, obligations, liabilities, indebtedness, charges and expenses heretofore or hereafter chargeable against Mortgagor by Mortgagee or owing by Mortgagor to Mortgagee or upon which Mortgagor may be or have become liable as endorser or guarantor, and any and all renewals or extensions of any of the foregoing, no matter how or when arising and whether under any present or future agreement or instrument between Mortgagor and Mortgagee or otherwise, including without limitation, any and all obligations and/or indebtedness of any and every kind arising out of one or more conditional sale contracts, equipment lease agreements, notes, security agreements, trust receipts and/or bailment agreements, and the amount due upon any notes or other obligations given to or received by Mortgagee for or on account of any of the foregoing, and the performance and fulfillment by Mortgagor of all the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage and in any note or notes secured hereby and in any present or future agreement or instrument between Mortgagor and Mortgagee.

3. Mortgagor covenants and agrees with and warrants to Mortgagee that the Mortgaged Property described in the annexed Schedule A is in the possession of Mortgagor at its principal place of business (which is Mortgagor's address shown above), unless a different location is specifically shown on said Schedule A for any one or more items, that all of the Mortgage Obligations are acknowledged and declared to be secured by this Mortgage and that Mortgagor will fully and faithfully pay, perform and fulfill all of the Mortgage Obligations, with late charges thereon from and after maturity, whether by acceleration or otherwise, at the rate of 1/15 of 1% per day except where such rate is in excess of the maximum permitted by applicable law, in which event the rate shall be such maximum lawful rate. Mortgagor further covenants and agrees with and warrants to Mortgagee that:

(a) Mortgagor is the lawful owner of the Mortgaged Property and has the sole right and lawful authority to make this Mortgage, the Mortgaged Property and every part thereof is free and clear of all liens and encumbrances of every kind, nature and description (except any held by Mortgagee); and Mortgagor will warrant and defend the Mortgaged Property against all claims and demands of all persons.

(b) Mortgagor will keep the Mortgaged Property free and clear of all attachments, levies, taxes, liens and encumbrances of every kind, nature and description. Mortgagor, at its own cost and expense, will maintain and keep the Mortgaged Property in a good state of repair, will not waste nor abuse nor destroy the same or any part thereof and will not be negligent in the care and use thereof, and Mortgagor will not sell, assign, mortgage, lease, pledge or otherwise dispose of the Mortgaged Property without the prior written consent of Mortgagee. Mortgagee is hereby authorized to file one or more financing statements and/or a reproduction hereof as a financing statement.

(c) Mortgagor will insure the Mortgaged Property in the name of Mortgagee against loss or damage by fire and extended coverage perils, theft, burglary, pilferage, and also, where requested by Mortgagee, against other hazards, with companies, in amounts and under policies acceptable to Mortgagee, the proceeds to be payable to Mortgagee, and all premiums thereon shall be paid by Mortgagor and the policies assigned and delivered to Mortgagee. Mortgagor hereby irrevocably appoints Mortgagee as Mortgagor's Attorney-in-Fact to make claim for, receive payment of and execute and endorse all documents, checks or drafts received in payment for any loss or damage under any of said insurance policies and to execute any documents or statements referred to herein.

(d) Mortgagor will not remove the Mortgaged Property from its present location without the prior written consent of Mortgagee nor change its present business locations without at least thirty days' prior written notice to Mortgagee and at all times will allow Mortgagee or its representatives free access to and right of inspection of the Mortgaged Property, which shall remain personalty and not become part of any realty, and nothing shall prevent Mortgagee from removing same or so much thereof as Mortgagee, in its sole discretion may determine, from any premises to which it may be attached and/or upon which it may be located upon breach of this Mortgage, Mortgagor agreeing to deliver to Mortgagee appropriate waivers, satisfactory to Mortgagee, of owners and/or mortgagees of any such premises.

(e) Mortgagor shall comply (so far as may be necessary to protect the Mortgaged Property and the lien of this Mortgage thereon) with all of the terms and conditions of leases covering the premises wherein the Mortgaged Property is located and with any orders, ordinances, laws or statutes of any city, state or other governmental department having jurisdiction with respect to the premises or the conduct of business thereon, and, where requested by Mortgagee, will correct any informalities or execute any written instruments and do any other acts necessary to more fully effectuate the purposes and provisions of this instrument.

(f) Mortgagor will indemnify and save Mortgagee harmless from all loss, costs, damage, liability or expense including reasonable attorneys' fees that Mortgagee may sustain or incur to obtain or enforce payment, performance or fulfillment of any of the Mortgage Obligations or in the enforcement or foreclosure of this Mortgage or in the prosecution or defense of any action or proceeding either against Mortgagor or against Mortgagee concerning any matter growing out of or connected with this Mortgage and/or any of the Mortgage Obligations and/or any of the Mortgaged Property.

(g) If Mortgagor is a corporation, the execution of this Mortgage has been duly consented to and authorized by all of the stockholders of Mortgagor and duly authorized by its Board of Directors. Mortgagor agrees to deliver to Mortgagee evidence thereof satisfactory to Mortgagee immediately upon request.

4. If Mortgagor shall default in the performance or fulfillment of any of the terms, conditions, promises, covenants, provisions and warranties on Mortgagor's part to be performed or fulfilled under or pursuant to this Mortgage, Mortgagee may, at its option, without waiving its right to enforce this Mortgage according to its terms, immediately or at any time thereafter, and without notice to or demand upon Mortgagor, perform or fulfill the same, or cause the performance or the fulfillment of the same, for the account and at the sole cost and expense of Mortgagor, and the cost and expense thereof (including reasonable attorneys' fees) shall be a lien on the Mortgaged Property, added to the amount of the Mortgage Obligations, and shall be payable on demand with interest at the rate specified in Paragraph 3 hereof. This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale, Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate, however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns, and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, succcessors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid Balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective; however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.

Terms and Conditions of Lease

1. Lessee hereby leases from Lessor, and Lessor leases to Lessee, the personal property described above and in any schedule made part hereof (herein called "equipment") which Lessee warrants shall be used for commercial purposes only and not for any farming purpose.
2. Lessee requests Lessor to purchase equipment of the type and quality specified above from the supplier named above and agrees upon written acceptance hereof, signed at Lessor's office by an authorized officer of Lessor, to lease said equipment from Lessor on the terms, provisions and conditions of this lease. Lessor agrees to order such equipment from said supplier, but shall not be liable for specific performance of this lease or for damages if for any reason the supplier delays or fails to fill the order. Lessee shall accept such equipment upon delivery, and hereby authorizes Lessor to add to this lease the serial number of each item of equipment so delivered. Any delay in such delivery shall not affect Lessee's obligations hereunder.
3. As used herein, "Actual Cost" means the cost to Lessor of purchasing and delivering equipment to Lessee, including taxes, transportation charges and other charges. The amount of each Rent Payment, the Advance Rent, and any Renewal Rent set forth above are based on the estimated cost to Lessor and shall each be adjusted proportionally if the Actual Cost differs from said estimated cost. Lessee hereby irrevocably authorizes Lessor to correct the figures set forth above when the Actual Cost is known, and each Rent Payment shall be increased by any sales or other tax that may be imposed on or measured by the rent payments. If Actual Cost differs from the estimated cost by more than ten percent thereof, Lessor at its option, may terminate this lease by giving written notice to Lessee after receiving notice of Actual Cost. If prior to delivery there shall occur any event of default hereunder, Lessee shall be liable for Lessor's damages occasioned thereby, which for purposes of this paragraph only, it is agreed shall be the difference between Actual Cost to Lessor and the Total Rent as provided herein, plus any amounts paid on account of the equipment.
4. The initial term of this lease commences upon the acceptance hereof by Lessor and ends upon the expiration of the number of months specified above (for the initial lease term) after the rent commencement date, which date shall be the date upon which the supplier ships the equipment to Lessee, or _____ whichever is earlier.
5. Lessor will upon Lessee's written request, request the supplier to authorize Lessee to enforce in its own name all warranties, agreements or representations, if any, which may be made by the supplier to Lessee or Lessor. Notwithstanding the foregoing, Lessor itself makes no express nor implied nor statutory warranties as to any matter whatsoever, including, without limitation, the condition of equipment, its merchantability or its fitness for any particular purpose. No defect or unfitness of equipment shall relieve Lessee of the obligation to pay rent or of any other obligation under this lease. Lessee agrees that any maintenance service to be performed is the sole obligation of Lessee who may arrange for same with the supplier of equipment. Lessee agrees to pay Lessor a lease documentation charge of $40.00 upon its acceptance hereof.
6. Lessee agrees to pay during the initial term of this lease Total Rent equal to the number of rent payments specified herein multiplied by the amount of each payment specified herein. The first rent payment and any advance rent shall be due upon execution of this lease by Lessee; any deposit or acceptance of such sum by Lessor shall not be deemed acceptance of this lease. In no event shall the first rent payment or advance rent be refunded to Lessee. The second rent payment shall be due and payable one month after the rent commencement date and subsequent rent payments for the initial term shall continue on the same date of each successive month thereafter until the Total Rent and any other sums payable hereunder are paid in full. All rent shall be paid to Lessor at its address set forth herein

SEE REVERSE SIDE FOR ADDITIONAL TERMS AND CONDITIONS WHICH ARE PART OF THIS LEASE

The undersigned lessor and lessee agree to all the terms and conditions set forth above and on the reverse side hereof, and in witness thereof hereby execute this lease.

THE EQUIPMENT IS LEASED HEREUNDER AS-IS, AND LESSOR MAKES NO EXPRESS NOR IMPLIED NOR STATUTORY WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PURPOSE.

13. **LATE CHARGES.** In the avent payment is not made when due harunder and remains unpaid for any period of 15 days and Owner has not exercised its right pursuant to Paragraph 12 hereof, the Customer promises to pay (1) a late charge to the Owner or its assigns not later than one month thereafter, in an amount calculated at the rate of five cents per $1.00 of each such delayed payment, and (2) interest to the Owner upon each such delayed payment calculated at the rate of two (2%) par cent per month, or any part thereof, commencing one month after the due data of tha first delayed payment. 14. **MISCELLANEOUS.** Time is of the essence. The omission by tha Owner at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the Customer at any time designated, shall not be a waiver of any such default or right to which the Owner is entitled, nor shall it in any way affect the right of the Owner to enforce such provisions thereafter. The Owner may exercise all remedies simultaneously pursuant to the terms hereof, and any such action shall not operate to release the Customer until the full amount of the rentals due and to become due and all other sums to be paid hereunder have been paid. The Customer acknowledges that he has read and understands this agreement, that he agrees to be bound by its terms and conditions, and further acknowledges that this agreement is the complate and exclusive statement of the agreement between the parties, which supersedes all proposals (oral or written), all order forms and all other communications and documents between the parties relating to the subject matter of this agreement.
