LANDS for SALE.

THE subscriber has for sale, all that *Tract of land*, called *Beall's Plantation*, and *Bateman's Field*, (being part of *Snowden's Reputation Supported*) containing from a late survey 676½ acres, situated on the head of South river in Anne-Arundel county, about 3 miles from navigable water, 12 from the city of Annapolis, 28 from Baltimore-town, 24 from George-town, and about 7 from the inspection houses of Indian Landing, and Queen-Anne, is well adapted for corn, wheat, and particularly tobacco.

This plantation has not been tenanted for 3 years, is a most pleasing and desirable situation, and capable of great improvement at a very small expence; there are 259 acres of timber land, a greater part of the timber is very valuable.—The subscriber would prefer disposing of the whole in one lot, but has no objection to making several of it, the timber land is conveniently situated for making such divisions in equal proportions, and there are many pleasant situations for erecting different buildings; it is also well watered—a very good mill stream runs through it, and there is some meadow ground, and much more may be very readily made. The improvements upon it are, a good dwelling house with three rooms on each floor, kitchen, quarter, corn-house, stables, tobacco house, and two very fine apple orchards, one of which contains 220 trees, together with a number of other valuable fruit trees.

A plan of this estate may be seen at Mr. Vachel Stevens, surveyor, Annapolis, who will shew the premises; also at Messrs. William Paterson, and Brothers, Baltimore, and further information had—for price, terms, &c. apply to
