SCHEME
OF A
LOTTERY

For the purpose of disposing of valuable property in the district of COLUMBIA, consisting of three tracts or lots of LAND about one mile north of the city of WASHINGTON; and fourteen lots in the lower part of the town of GEORGE-TOWN, as follows:

LOT No. 1, contains 107 acres, on there 18 acres of meadow-ground, and a promising young apple orchard containing 175 bearing trees of choice fruit. At the western extremities thereof is a delightful eminence that commands a view of the river Patowmack and city of Washington. This lot contains about 16 acres of wood-land, lies upon a main road, and is not more than one mile from the city of Washington.

LOT No. 2, contains 84 acres, and bounds with the preceding lot; about 35 acres thereof are in wood, and about 17 acres in meadow-ground. This lot is bounded on the west by the meandering waters of the Piny-Branch. On this stream is a fall of 21 feet, and abounds with quarries of excellent building stone. On this lot are two beautiful situations for houses.

LOT No. 3, contains 39 acres, and bounds with lot No. 1. This lot contains 20 acres of wood, and has on it a beautiful eminence for a house as a country seat.

The fourteen lots in George-Town are at that end of the town which is contiguous to the city of Washington, and are all advantageous and beautiful situations.

MANAGERS.

Robert Peter, colonel William Deakins, Benjamin Stoddert, Thomas Beall of George, John Threlkeld, and Samuel Davidson, Esquires, George-Town. George Walker, Esquire, city of Washington. Wallace and Muir, and John Davidson, Esquires, Annapolis.

This scheme contains several very valuable lots of land contiguous to the city of Washington, whose increase in value will keep pace with the growth of the rising empire of the United States of America—Hence, therefore, without any further definition, it will be evident that for the small sum of one Guinea a valuable and beautiful country seat may be obtained in the vicinity of the capital of America; or a lot in a town now possessing an extensive commerce.

The subscriber proposes drawing this Lottery in George-Town, on the first Monday in May next, or sooner, if the tickets are all sold, which he flatters himself will be the case from his present prospects. Deeds, with a general warranty, will immediately be given for the lots of land, and the money for the cash prizes will be paid on demand. Notice will be given of the drawing in the public papers, and a list of the fortunate numbers will be immediately published. The crop now on the lots is reserved to the subscriber. A plot of the lots may be seen at Mr. George Mann's.

☞ TICKETS may be had of Messrs. Wallace and Muir, John Davidson, Esquires, and Mr. George Mann.

JOHN THOMAS BOUCHER.

Notice.

AS the subscriber cannot possibly know the fate of a number of his LOTTERY TICKETS now in Europe, for sale, before the last of September, he is under the necessity of extending the time of drawing his lottery to some time in November next.

Eight Dollars Reward.

RAN away from the subscriber, on the 12th inst. a negro man named WILL, about 23 years of age, five feet nine or ten inches high; had on, when he went away, a round felt hat, osnabrig shirt and trousers, and a coarse cloth over jacket, short and round, he had other cloaths with him, which cannot well be described, he is likely, of a very dark complexion, full faced, and has a remarkable fine set of teeth, he is slow of speech, and rather awkward in his manners, is a tolerable good blacksmith, but has never worked as foreman of a shop; he was formerly the property of Henry May, late of this county, blacksmith. This fellow was taken out of gaol at Alexandria, in Virginia, about eight days ago, but has since made his escape; when he was apprehended he had a forged pass in his possession, and it is expected he may have procured another. Whoever takes up the said negro and brings him to me, or secures him in any gaol so that I get him again, shall receive the above reward.

RICHARD BEARD.

N. B. It is probable this fellow may endeavour to pass for a free man, as there are many free blacks passing about the country; when he went to Alexandria his intention was to have made his escape by water, I therefore forewarn all masters of vessels, and others, from harbouring or concealing him at their peril, if they should they may expect to be dealt with agreeably to law.
