A BOOK ENTITLED,

A DIVINE CALL TO THE JEWS,

In which the most important truths of Holy Scripture concerning that people are made manifest, and in the issue of which all mankind are interested; its reports being on the true grounds of a new scene which is now opening, for the general good of society, among all denominations of people, beginning with a new EPOCH, that appears to have been reserved in the womb of PROVIDENCE, for the present century to unfold.

Price *only* a QUARTER DOLLAR.

July 18. 1

☞ NOTICE is hereby given,

THAT the subscriber intends to petition Montgomery county court, at their session in November next, for a commission to mark and bound his tract of land, called NORWAY RESURVEYED, lying and being in said county, agreeably to an act, entitled, An act for marking and bounding lands.

HENRY WARING.

July 3, 1794. 10 9/4 2

Will be SOLD, on the first Wednesday in September, at the BLACK HORSE TAVERN, on the Annapolis road,

THE personal property of capt. PHILEMON WARFIELD, deceased, among which property is a variety of household furniture, plantation utensils, a complete set of smith's tools, and a great variety of carpenters and joiners tools; the selection of joiner's tools are, perhaps, for variety and quality, equal to any in the state. The sale to begin at 10 o'clock, and to continue till all is sold. A short credit will be given for all sums over three pounds.

ASENATH WARFIELD, Administratrix.

Anne Arundel county, July 14, 1794. 2

LAND for SALE.

THE subscriber would dispose of, upon moderate terms, for READY CASH, a small TRACT of LAND, in Charles county, and in the neighbourhood of Newport and Chaptico, about six miles from each place, containing about one hundred and fifty-five acres, the greatest part of which is cleared and under good fence: The buildings and other improvements are good and convenient, and the water salubrious and pleasant. He deems it unnecessary to be farther particular, as it is to be presumed that any person inclining to purchase would wish to view the premises, where they may be informed of the terms, and other interesting circumstances, by their ready and obedient servant,

HATCH DENT, clk.

Charles county, July 5, 1794.

N. B. Should the above land be not sold privately before the first day of September next, it will then be offered to the highest bidder, at public sale, with some stock of various kinds, and a few articles of good houshold furniture. 2 H. D.

TAKEN from my store, at the STONE HOUSE, some months since, a HOLSTER PISTOL, plated mount, eight inches long in the barrel, maker's name engraven on the lock, BRANDER. Whoever will deliver this pistol at the Printing-Office, (where its fellow is left for comparison) will receive TWO DOLLARS, and no questions asked.

ROBERT JOHNSON.

July 15, 1794. 2

THE subscriber purposing to leave this city in a short time, requests all persons indebted to him to call and settle their accounts. He intends removing to Hollingsworth's wharf in Baltimore-town, where he will carry on the HAT MAKING business in all its branches, and furnish his work on the most reasonable terms. He returns his thanks to his friends and customers for past favours, and shall be happy in continuing to serve them.

JOSEPH BURNESTON.

Annapolis, July 16, 1794. 2

In CHANCERY, July 10, 1794.

ORDERED, That the sale made to NATHANIEL WASHINGTON by WILLIAM KILTY, trustee, (as stated in his report this day made) on the seventeenth day of June last, of two tracts of land in Prince-George's county, called BLUE PLAINS and ADDISON'S GOOD WILL, the property of George F. Hawkins, be approved, ratified and confirmed, unless cause to the contrary be shewn on or before the twenty-fifth day of September next, provided a copy of this order be inserted in Green's and Hanson's news-papers at any time during the present month, and continued therein the two following weeks.

Test. SAMUEL HARVEY HOWARD,
2 Reg. Cur. Can.

FOR SALE,

A TRACT of LAND, containing 900 acres, in the county of Harrison, and state of Virginia, within a few miles of the town of Clarksburgh. For terms apply to 27 JESSE DEWEES.

Annapolis, December 4, 1793.

THE Printers earnestly requests all persons indebted to them to pay off their respective balances as speedily as possible; this being absolutely necessary to enable them to prosecute their business, a neglect will compel them to pursue disagreeable measures.

The subscriber purposes to attend Saint Mary's county court at the next term, and begs those indebted in that county to be prepared to pay up their arrears at that time; the accounts against all who do not comply, will be put into the hands of a collector, with directions to compel payment in every instance, without respect. Attendance will also be given at Port-Tobacco, during the next court for Charles county, and it is hoped all sums due the Printers in that county will be paid by that time to Mr. J. C. Dixon, who is authorised to receive them, or directions will be given as above.

3 FREDERICK GREEN.

THE subscriber, intending to leave this part of the country in a short time, finds it necessary to remind those persons who are indebted to him on his private account, or as partner with his brother, Dr. JAMES MURRAY, that it is necessary their several accounts should be closed in a short time, for this purpose he has appointed Mr. JOHN STEWART, at Dr. James Murray's, to settle and receive the several balances that are due, and he is also directed to use compulsory methods in every instance where it may be necessary.

9 W. MURRAY.

Annapolis, May 7, 1794.

One Thousand Dollars Reward.

SOME few COUNTERFEIT POST NOTES of the Bank of Maryland, having been lately discovered in circulation, and on tracing the same were found to come from the back parts of Virginia, where they have probably first issued; to avoid imposition, it is thought necessary to give the following description of them, by which they may be readily detected:—

They have the letter D for their alphabetical mark, at the left hand side of the note.

The paper on which they are printed, is more soft and tender, the strokes of the letters in the engraving are in general stronger, and have a darker appearance than in the true bills.

The signature, *Wm. Patterson*, is badly done; the strokes of all the letters are stiff and laboured, and appear to be painted over with the pen, as well as the flourish under the name.

The value is left blank in the engraving, to be filled up in writing, so that the sum may be more or less, at pleasure.

No true Post Notes of the alphabetical mark above described, have been lately issued, and very few are now in circulation.

The above reward of ONE THOUSAND DOLLARS will be paid to the person or persons who shall discover and prosecute to conviction the several offenders, or any of them, of the following description, viz.

The person or persons who manufactured the paper on which the bills are printed.

The person or persons who engraved the plate.

The printer or printers of the bills.

Every person who has acted as principal in any way, in the counterfeiting and uttering the said bills.

WM. PATTERSON, President of the Bank of Maryland.

Baltimore, April 7, 1794.

N. B. The printers in the neighbouring states are requested to republish the above. 10

Richard Tootell and Co.

Respectfully inform the citizens of Annapolis and Anne-Arundel county:
