CITY OF BALTIMORE
CONSULTANTS EVALUATION BOARD
PUBLIC NOTICE

PROJECT NO. 399 — EXPANSION OF THE LEXINGTON MARKET AND CONSTRUCTION OF SOUTHWEST ENTRANCE TO THE LEXINGTON MARKET RAPID TRANSIT STATION (REVISED)

The Market expansion includes exterior and some interior renovation and new additions to the existing Lexington Market. Relocated and new food and food related retail tenants will occupy the expanded and new areas. The budget for the Market renovation will be in the five to six million dollar range. The project will be constructed in three phases and the full Market will be in operation during all phases of construction. New additions will employ extensive use of open and enclosed glazed structures and passive solar systems are proposed.

The Southwest Entrance design will require close coordination with the Maryland Mass Transit Administration; their consultants and existing station design as well as design development for the Baltimore Regional Rapid Transit System. The budget construction estimate for this work is estimated to be $1,000,000.00.

The Architect will provide complete schematic development and contract drawings and specifications suitable for construction of both projects. The disciplines required for the design will include architectural, civil, structural, mechanical, electrical, geotechnical and cost and scheduling. The design will be a continuation of an in-house City prepared master plan which included schematic building plans and recommendations from structural, mechanical, electrical and civil engineering consultants.
