The Board of Estimates reserves the right to reject any and all Bids and/or to waive technical defects, if in its judgment, the interest of the Mayor and City Council of Baltimore or the Loan and Guarantee Division may so require.
Bids, when filed, shall be irrevocable.
Attention of bidders is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project and the Contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, national origin, sex or religion.
Under the Baltimore City Minority Business Enterprise Program, the successful bidder must comply with the goal requirements to subcontract 15 to 25 percent of the total contract to Minority Businesses.
All contractors and subcontractors desiring to bid on or subcontract for work for this Contract under the jurisdiction of the City of Baltimore and whose bid or contract will be $25,000 or more will be required to be prequalified for the work categories involved. This process is carried out by the Contractors Qualification Committee of the City of Baltimore, 1105 Municipal Building, 200 North Holliday Street, Baltimore, Maryland 21202.
Baltimore City hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, Minority Business Enterprise will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.
The work shall be executed in accordance with the specifications and drawings, and as directed by the Loan and Guarantee Division. The work to be done under this Contract consists of Roofing Work for the Rivoli Office Building, Gay and Fayette Streets, Baltimore, Maryland 21202.
The Contract shall be awarded to the responsible bidder submitting the lowest bid (including acceptable alternates) determined to be in the best interest of the Loan and Guarantee's, the Board of Estimates, and the City of Baltimore. Every bidder is encouraged to bid the voluntary alternate(s). Any cost saving proposal that, in the opinion of the Loan and Guarantee's, does not materially alter the project may be proposed by any bidder. Each voluntary alternate will be evaluated by the Loan and Guarantee's with the Board of Estimates having the final authority to accept or reject each voluntary alternate. The bidder understands that the method of bidding reflecting the savings from acceptable voluntary alternate is for the purpose of arriving at the lowest cost for this particular project and, therefore, the bidder (to the maximum extent permitted by law) waives any right it might have to contest the award of the Contract due to the method of bidding acceptable alternates.
