Mr. Edward C. Papenfuse
State Archivist and Commissioner
of Land Patents
P.O. Box 828
Annapolis, Maryland 21404

Dear Mr. Papenfuse:

Allow me to acknowledge receipt of your letter of June 8 agreeing to the conditions stated in my letter of June 3 relative to microfilming our parish records. I am only too happy to clarify the points you raised.

You are quite correct in noting that my understanding is that access to records less than 100 years old is being restricted. In fact a clarification is needed here as well. The records which are being restricted are not those concerning marriages and deaths but only baptismal records. The purpose of this restriction is related to such matters as adoption and illegitimacy.

Permission is readily granted to have a member of your professional staff examine reels of film containing restricted records for a search of records dating before 1877 on an individual request basis. It is understood that these reels will not be available to the public. You may sell to the Maryland Historical Society those reels which contain restricted as well as unrestricted records only if they are able to guarantee the same understanding.

Hoping that this presents any clarification needed, I am

Sincerely yours,

William D. Borders

Archbishop of Baltimore

ROMAN CATHOLIC CHURCH
ARCHDIOCESE OF BALTIMORE

St. Michael Parish
Frostburg

St. Michael was established as the first Roman Catholic Parish in Frostburg in 1852. Until that time Catholics in the area were served by priests from St. Patrick Church at Mount Savage which, at that time, included Frostburg (then called Mount Pleasant). About 1850 Father Michael Slattery was sent to Frostburg, where he first held Mass in local residences. Arrangements were soon made for the purchase of the abandoned Highland Hotel, a large building in the center of town. This structure was remodeled: part was used as a church and part as a rectory. After Father Slattery left St. Michael in 1860 the parish again became a mission of St. Patrick in Mount Savage. For a few years the Redemptorist Fathers from Cumberland took charge at Frostburg, and by 1868 the old church structure was replaced by a brick and stone ediface. Set in the midst of a growing mining and railroad community the parish continued to expand. A pastoral residence was built on the site of the former hotel and cemetery land was purchased on McCulloh's Hill.

MARY ARNONE being duly sworn says:

That she is the mother of Virginia Polito formerly Virginia Arnone who was born on July 7, 1905 in Frostburg, Maryland.

That said Virginia Polito, born Virginia Arnone is the daughter of Michael Arnone, white, a native of Italy who was born in 1873 and Mary McGready and affiant Mary Arnone, maiden name Mary McGready, white a native of Maryland, born 1877.

That affiant was present at the baptism of said Virginia Arnone on July 23, 1925 at St. Michael's Church, Frostburg, Maryland; that affiant and her husband had given the name of Virginia Arnone to said child and requested the priest to baptise her in that name, but that in entering the said baptism in the church record Rev. E. E. Berkeley erroneously entered the given name as Regina instead of Virginia.

WHEREFORE, affiant respectfully asks that said baptismal certificate be corrected and also that this Affidavit be considered as evidence in support of the application of Virginia Polito for a birth certificate in Maryland.

Dear Ones,

It is necessary for me to furnish proof of my birth date which is May 7, 1880 in order to secure Social Security. I was baptized soon after birth at St. Michael's which is the only record I know of.

My father's name was Theodore Gunnett and my mothers maiden name was Annie Cosgrove. Emma Cf. P.131 I was baptized Mary or Mae Gunnett.

Would you be kind enough to send me a copy of your record of baptism so that I may furnish proof of my birth date.

Enclosed is check for $5.00 to cover any expense involved and to repay you for your trouble.

Sincerely,
