You Can do Your Own Painting BY USING Bradley's Patent Enamel Paint,

THE MOST ECONOMICAL, BEAUTIFUL AND DURABLE.

THESE PAINTS are composed of PURE WHITE LEAD, ZINC and LINSEED OIL, with other materials which add greatly to the durability, elasticity, beauty and strength of the Paint. The whole are chemically combined, so that the pigments are held in permanent solution, thus forming a smooth, glossy, firm, elastic, beautiful and durable Paint. The Oil, which is the real life of the Paint cannot leave it and be absorbed by the substance to which it is applied, as it does to the paints mixed in the ordinary way, and thus leave the pigment dead and brittle, to wash and rub off in a few months or at farthest in three or four years. This paint is unaffected by changes of temperature, is perfectly impervious to the action of water, is well adapted to all classes of work, and is in every way a better paint for either INSIDE or OUTSIDE WORK OR BOAT PAINTING, than any other Paint known to the trade, and will last at least THREE TIMES AS LONG AS THE BEST LEAD AND OIL MIXED IN THE ORDINARY WAY.

Always Ready for Use and Easily Applied.

Sold by the Gallon.

BALTIMORE, December 10, 1872.

MR. C. P. KNIGHT.—*Dear Sir*:—It affords me much pleasure to say to you that the Bradley Patent Enamel Paint far exceeds my expectation in economy, beauty, and, I have reason to believe in durability. More than twelve months since I painted the roof of my Hotel (Mansion House) with the Bradley Patent Enamel Paint, and I was so well pleased with it I determined to paint the outside of the Hotel, and am most happy to say it gives the perfect satisfaction. In conclusion I will say, if this testimonial will be of any advantage to you, you are at liberty to use it. Yours, most respectfully,

ISAAC ALBERTSON,

Mansion House Hotel, N. W. corner Fayette and St. Paul Street, Baltimore.

THE PLAINS, FAUQUER COUNTY, VA., Feb. 6th, 1873.

MR. C. P. KNIGHT, BALTO.—*Dear Sir*:—The Paint came safely to hand as ordered, two kegs, five gallons each and three buckets, one gallon each. As practice was slack I did the job myself, two weeks, not constant work, completed the house two coats, the last coat the job myself, two weeks, not constant work, completed the house two coats, the last coat I applied thick, and it is now generally conceded, that for Enamel like hardness, and body and harmony of colors, there is not a handsomer job in the place. I saved exty-five dollars by the operation, which is an item just now with "Southern People." It should be generally adopted in this State, any county had can apply it. I have never dabbled in such stuck as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people—its excellency of material, its beauty of color, and in the facts of its being ready mixed that I give you free permission—if it is desirable to you) to make what use you think proper of this letter. Very respectfully and truly

S. M. GILL, M. D.

CHARRESTICH, December 10, 1872.

MR. C. P. KNIGHT, Baltimore.—*Dear Sir*:—The paints we received from you have been applied to several of our own buildings and to those of friends, and have given satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material, and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters, to mix and furnish materials. Across we have found the most deception. Yours, truly,

JACOB STOUFFER & SON.

BALTIMORE, September 20th, 1872.

C. P. KNIGHT.—*Dear Sir*:—I have had the Bradley's Patent Enamel Paint, which I purchased from you, used inside and outside, both at my dwelling and store for the season. It gives me great pleasure to be able to say that it comes fully up to your representations in facility of use, economy, durability and beauty. Yours truly,

THOS. J. IRVING, 101 West Baltimore Street.

From Hon. John Ritchie.

MR. C. P. KNIGHT:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, is freer from disagreeable odor. Yours, respectfully,

JOHN WHITFIELD.

FRIENDSHIP, GUNPOWDER COUNTY, October 24, 1872.

C. P. KNIGHT, Esq., Baltimore.—*Dear Sir*:—Having given your paint a test of six months, I take pleasure in saying that it comes fully up to your representations, and I think looks as well now as when first applied. It maintains its gloss and color perfectly, and I think will outlast any other paint I have ever seen. Very respectfully,

MURRAY ADDISON.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use, and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will generate a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, lasts longer, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes." *Sold by all Druggists, and Dealers in Medicine.*

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
