(Continued on Page 3)

HE WAS A HUMAN OSTRICH.

Gimlets, Nails And Steel Chains In A Man's Stomach.

The record of the man who swallowed a fork years ago has been beaten by an exhibitor at French fairs, who was in the habit of putting down bits of glass and metal for the bewilderment of the spectators.

The marvelous regimen seemed to agree with him until lately, when he became morose and lost his appetite for the sort of food which his fellow creatures are want to regale themselves. So he went one day to a Paris hospital, and Prof. Paul Berger, having no difficulty in guessing the cause of the trouble, was very interested in the case, but hesitated to operate, as he feared this might make matters worse.

As a crisis was evidently pending, however, the professor decided on running the risk. An incision was made in the patient's stomach, and from it were removed a fork bent in twain, a button hook, three gimlets' 140 nails, an enormous number of pins and last, but not least, a couple of steel chains, the whole lot weighing 330 grammes, and showing by their condition that they had sojourned long in the interior of the exhibitor at fairs, who bore the operation extremely well, and has rapidly mended ever since.

Pale People Made Ruddy By Rydale's Tonic.

Pale people are pale because the blood is deficient in quantity or poor in quality, or both. This impoverished condition of the blood is almost invariably caused by some wasting disease. The cause may be a chronic disease, such as dyspepsia, consumption, malaria, etc., or it may be the result of an acute disease such as fever, etc. It matters not what cause produces this impoverished condition of the blood, Rydale's Tonic will restore it to its normal state and bring back the hue of health to the pale cheek.

Rydale's Tonic is put up in 50c and 1.00 sizes. The large size contains 2½ times the small size. Forman & Keating.

Company L., Returns.

Company L., of Centreville, returned from a most successful trip last Saturday, after a week's stay at the State Rifle Range at Glen Burnie. Of the fifteen that were there, twelve of them qualified as marksmen and one as expert. James D. Moore, of near Centreville, who received the highest possible score, is now in the Expert Class, and is the first member of Company "L" to receive this honor. As the range will be open to National Guardsmen until November 1st, several members of the Company expect to return for a few days, and will endeavor to improve in marksmanship. The success obtained at the range is attributed largely to the practice gun which was in the armory here for several weeks, and practiced with by the Company.

Those who qualified as marksmen were: Lieut. Middleton, Hayden, Andrews, Faulkner, Goldsborough, Vasey, Callahan, Townsend, Rice, Sparks, Moore, Greenhawk.

Chronic Diarrhoea Relieved

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes, "Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23d Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by Forman & Keating.

List of Letters.

List of unclaimed letters remaining in Centreville, Md., postoffice for week ending July 27th, 1907. Persons calling for these letters will please say they are advertised.

Miss Ella M. Ayers, Mrs. Anna A. Brown, Mrs. Helen Barnes, Mrs. Jane Boothe, Wm. Carnish, F. Lief Eareckson, John Frederick, Mrs. Eleanor Green, Mrs. D. O. Green, Omer F. Larrimore, Mrs. Frederick G. Potter, Joseph Russell, Miss Maggie Steward, Mrs. Sarah C. Washington.

W. C. ORRELL, P. M.

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price, 75 cents per bottle. Take Hall's Family Pills for constipation.

Gooseberries on the Eastern Shore are larger and much better than they have been for several years.

CASTORIA.
Bears the Signature of Chas. H. Fletcher. The Kind You Have Always Bought

Patapsco FERTILIZERS

Have Given Satisfaction to Farmers for the past
