JEFF. DAVIS & Co., Proprietors.

CARD.—The proprietors of the justly celebrated Hotel de Vicksburg, having enlarged and refitted the same, are now prepared to accommodate all who may favor them with a call.—Parties arriving by the river or Grant's inland route, will find Grape, Canister & Co.'s carriages at the landing or any depot on the line of intrenchments. Buck, Ball & Co., take charge of all baggages. No effort will be spared to make the visit of all as interesting as possible.

An ingenious youth from the Granite State now residing at Dover, returned to his lodgings a few nights since, in a state of great independence and erectness "My. friend," asked his wondering companion, "are you drunk or sober?" "Well," replied the youth, with the peculiar dignified and oracular manner which only an intoxicated person can assume, "for Pike's Peak, sober; but for New Hampshire, pretty drunk."

A gentleman observed an urchin who had a large slice of bread in his hand, and who was crying very bitterly. "My son," he exclaimed, "what are you crying about?" "Mother won't—boo-hoo-oo—put any butter on my bread—boo-hoo-oo!" "Oh, is that all?" said the gentleman, "Come, dry up your tears and be a man."—"It aint so much the butter," retorted the little urchin; "it's the disposition of the old woman!"

"WHY don't you put on a clean shirt?" said a swell, the other night, to a companion, "then the girls will smile on you as they do on me.

"Every body can't afford to wear a clean shirt every day as you can," was the reply.—"Why not?" asked white collar. "Because," said soiled collar, "everybody's mother isn't a washerwoman!"

A COLORED firm in Newark, N. J., having suffered some peculiar embarrassment, recently closed business, and the senior member gave to the public the following "notis": "De dissolution of co-parsnips heretofore resisting twixt me and Mose Jones in de barber profession, am herethofo resolved. Persons who ose must pay to de scriber. Dem what de firm oes must call on Jones, as de firm is insolved."

MRS. Partington says she can't understand these here marked reports. She can understand how cheese can be lively, and pork active, and feathers drooping—that is, if it is raining; but how whiskey can be steady, or hops quiet, or spirits dull, she can't see; neither how lard can be firm in warm weather, nor iron settled, nor potatoes depressed, nor flour rising—unless there has been yeast put in it—and sometimes it would not rise then.

A FEW mornings since, we were relating to our family the fact of a friend having found upon his doorsteps a fine little male infant, whom he adopted, when one of the olive branches remarked: "Pa, dear, it'll be his stepson, won't it?" We thought it would decidedly.

"WELL, now," says a lady, giving her opinion of the opera to an admiring circle of acquaintances, who were not equall posted:—"I like the acting so much! Parodi is superb; but really, to my own mind, I think that the singing is one of the very best parts of the opera!"

"WELL, neighbor, what is the most Christian news?" said a gentleman to his friend.—"I have just bought a barrel of flour for a poor woman." "Just like you! Who is it that you have made happy by your charity this time?"—"My wife!"

It is told of a Cincinnati field officer, better acquainted with farming than soldiering, that when circumstances placed him in command of a regiment at Hatteras, and wishing to oblique his column in marching, he gave the order: "Haw around that mud puddle!"

A JUVENILE was boasting to his play-fellows, that he expected soon to become the fortunate possessor of an important article. "My father," said he, "has gone to the war, and if he gets killed, I'm to have his fishline.

AT a printers' festival the following toast was given: "The editor and the lawyer—The devil is satisfied with the copy of the former, but requires the original of the latter."

"WHAT are wages here?" asked a laborer of a day. "I don't know, Sir." "What does your father get on Saturday night?" "Get!" said the boy; "why he gets as tight as a brick!"

A PHRIEND pheeling phunily phigurative, phurnished the phollowing:—"Hty 4tunate testers 4tuitously 4tufying 4lora 4tresses, 4cibly 4bade 4ty 4midable 4eigners 4ming 4aging 4ces."

☞"Hello, Fred, what are you writing—poetry?" Yes," said Fred, "I'm writing an owed (ode) to my tajlor." "What's the time and tune?" continued Tom—"Time, sixty days," replied Fred. "Its set to notes of mine in his possession."

☞The chairman of a political meeting, seeing a rowdy who was raising his arm to throw a stale egg at him cried out—Sir your motions out of order."

THE SCHOONER BUCEPHALUS,

HAVING been put in complete order, is now read to receive Grain and other freights. Every effort will be made to give satisfaction to my customers. So just let the grain come down in good order, as on that depends, in a great measure, the price that will be obtained for it. If your wheat is not in order do not send it away in that condition, as the result will be, you will be disappointed in the price obtained by the Commission Merchant, and I would not be proffited by having your custom. THE subscriber has just returned from the city with a full assortment of Christmas Goods, as follows:

BOOKS & STATIONARY,

SPECIAL NOTICE.

THIS is to inform my friends that I do not intend to raise the price on making

Coats, Pants, and Vests,

But I must request and demand the CASH DOWN for all my work, as I have to pay the Cash now for everything, and especially to my workmen.

What do you think of it my friends? *All right say all*—paying the cash down at the old prices, is better than paying more on time, as money is plentiful. I am in for that says the public generally. J. S. shall do my work and I will pay him the cash, for he has credited me many a time, and he must now have the cash, for I like old prices.

☞ Don't forget that little balance you owe, if you please, and when you want any cutting or making done, don't forget to call at the old stand opposite the Union Hotel.

Ayer's CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well-known public persons:

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR REG. AYER: I cannot answer you *what* complaints I have cured with your Pills better than to *say all that we ever treat with a purgative medicine.* I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W FREBLE.
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1858.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.* JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Episcopal Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs, and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Poco-Metalic Paint.

THE experience of the past season warrants the conclusion that the above is the cheapest and best Paint for several purposes, and especially for the bottom and decks of Vessels.—It is said to be, by those who have tried it, fully equal, if not superior to the *celebrated Patent Paint,* for the bottoms of vessels, in preventing them from *fouling,* and in its durability it has no superior. Its cost is only about ¼ that of the Patent Paint, and in this particular it should recommend itself to vessel owners. We mention the names of vessel owners and masters below, all of whom have tried it, and who will take pleasure in giving any information with regard to it that may be desired. They all speak of it in the highest terms:
