ANNUAL ASSESSMENT OF 1863. }
Assessor's Office, Denton, May 12, 1863. }

All tax payers within the first District of Maryland, are hereby notified to make returns of the annual assessment of 1863, to the assistant Assessor of the Divisions in which they respectively reside:

Of the amount of Silver and Gold plate kept for use;

Of Carriages kept for use or for hire and their value;

Of Billiard tables kept for use or for hire;

Of Yachts or pleasure vessels and their value;

The last Assessment on the above classes of property, was made for the year 1862. The assessment now to be made is for 1863.

II.—*Licenses*—All persons engaged in any kind of business for which they are liable to pay licenses are required to apply for licenses from May 1, 1863. Holders of licenses will be allowed for any time which they may have yet to run before expiration.

III.—*Income*—TOTAL INCOME TO BE RETURNED. Each person will be required to return his total income from January 1, to December 31, 1862, inclusive, so far specifying the sources from which it is derived as to enable the assistant assessor to decide what deductions shall be made therefor.

All income from whatever source received, prior to September 1, 1862, is taxable, as dividends were not subject to deduction before that date.—Interest received from or due by trust companies, savings institutions, insurance and railroad companies, corporations or associations, prior to the same date is also taxable.

Profits of business including the profits of manufacturers are to be taxed. The exemption of profits on manufactures, contained in the original statute, was removed by the amendatory act of March 3, 1863.

The income tax is to be levied upon all persons in the district in which they reside; consequently persons in this district deriving profits or income from investments or business outside of the district must make return of the same here.—Business firms must make such an estimate of their gains for the year 1862, as will enable each member to return his share to the assistant assessor.

Guardians and trustees, whether such trustees are so by their office as executors, administrators or other fiduciary capacity, are required to make return of the income belonging to minors, or other persons, which may be held in trust as aforesaid; and the income tax will be assessed upon the amount returned, after deducting such sums as are exempted from the income tax as aforesaid: Provided, that the exemption of six hundred dollars, under section 90 of the excise law, shall not be allowed on account of any minor or other beneficiary of a trust, except upon the statement of the guardian or trustee, made under oath, that the minor or beneficiary has no other income from which the said amount of six hundred dollars may be exempted and deducted.

Farmers will be required to make return of the value of the produce of his farm or plantation, without deduction for the labor or services of himself and family or for any portion of such produce consumed by himself and family.

Persons receiving salaries must return the full amount of the same.

The following deductions will be allowed:

Taxes for 1862, and the amount actually paid for rent of any dwelling house or estate which is the residence of the person assessed—Persons receiving rent may deduct therefrom the amount paid for necessary repairs, insurance and interest on incumbrances upon such rented property. The cost of new structures or improvements to buildings, shall not be deducted from income.

Interest paid by any person on incumbrances upon the dwelling house or estate on which he resides, also his payment for necessary repairs.

The amount paid by any farmer for hired labor and necessary repairs upon his farm, including the subsistance of laborers.

Also the sum of six hundred dollars.

All persons neglecting or refusing to make returns of any property or business which may be to tax or license, for ten days after notified to do so by an assistant assessor, are liable to be assessed by him according to the best information he can obtain, and he is required by law to add fifty per centum to the amount of such assessment. Such persons also become liable to the fines and penalties prescribed by law.

Returns may be made to either of the following assistant assessors, from whom any further information (and the requisite blanks) may be obtained.

What do you think of it my friends? *All right say all*—paying the cash down at the old prices, is better than paying more on time, as money is plentiful. I am in for that says the public generally. J. S. shall do my work and I will pay him the cash, for he has credited me many a time, and he must now have the cash, for I like old prices.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD,

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease.* One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried everything, and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to made a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

Poco-Metalic Paint.

THE experience of the past season warrants the conclusion that the above is the cheapest and best Paint for several purposes, and especially for the bottom and decks of Vessels.—It is said to be, by those who have tried it, fully equal, if not superior to the *celebrated Patent Paint*, for the bottoms of vessels, in preventing them from *fouling*, and in its durability it has no superior. Its cost is only about ½ that of the Patent Paint, and in this particular it should recommend itself to vessel owners. We mention the names of vessel owners and masters below, all of whom have tried it, and who will take pleasure in giving any information with regard to it that may be desired. They all speak of it in the highest terms:

BARBER SHOP OF PHILEMON FLOYD

WHICH has been in your midst for so many years is still in existence, next door to Merrett's Hotel, where you can be shaved, trimmed, clipped, curled, dyed or shampooned at short notice and on terms the most reasonable.

The shop is undoubtedly the best and most commodious on the shore; the chairs pleasant, the razors keen, the attendance polite, and altogether there is no other place of the kind where you would be so likely to get the worth of your money. Come therefore and try it. Returning thanks for past patronage a continuance of the same he earnestly solicits.

The public's obedient serv't,
PHILEMON FLOYD.
