Ayers Sarsaparilla

R IS concentrated extracts of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove as this has proved, of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases cases to be found in the following complaints:—

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Heads, Ringworms, &c.

Syphilis or Veneral Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not reject this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles Rheumatism, Heartburn arising from Disordered Stomach, Pain or morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsey, Worms, Gout, Neuralgia, and as a Dinner Pill, are unequalled.

They are sugar coated, so that the most sensitive can take them with pleasure, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by DR. J. C. AYER & CO., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere [mar 9-2m
