Clear & Harmlessas Water

Nattans' Crystal Discovery for the Hair.

A perfectly clear preparation, in one bottle, easily applied as water for restoring to gray Hair its natural color and youthful appearance; to eradicate and prevent dandruff, to promote the growth of the hair and to stop its falling

It is entirely harmless and perfectly free from any poisonous substenance, and will therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, *Crystal Discovery* is perfect; it is warronted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the close or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use, it restores the color of the hair *more perfectly and uniformly* than any other preparation, and always does so, in from three to ten days Virtually feeding the roots of the hair with all the refreshing qualities, necessary to its growth and healthy condition, it restores the decay, and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.

WASHINGTON, D C., July 25th, 1870
MR. ARTHUR NATTANS—*Dear Sir:*—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its origional color. It is perfectly clean and free from any objectionable matter.
Very respectfully, yours.
