TRUSTEES' SALE

—OF—

Valuable Real Estate Near Hancock, Maryland.

By virtue of a decree of the Citcuit Court for Washington County, in the State of Maryland, sitting as a Court of Equity, passed in cause No. 7604 Equity on the docket of the Circuit Court for Washington County, in the State of Maryland, on the 23rd day of June, A. D., 1914, in a cause wherein Ernest C. Henderson is plaintiff, and Annie L. Henderson, et al., are defendants, the undersigned trustees will sell at public sale in front of the Monterey Hotel in Hancock, in Washington County, Maryland, between the hours of one and two o'clock p. m., on SATURDAY, THE EIGHTH DAY OF AUGUST, A. D., 1914, all the following valuable tract of land with the improvements thereon, situated about four miles west of Hancock, in Washington County, Maryland, along the road leading from Hancock to Lock 53, on the C. & O. Canal, and also along the Western Maryland Railroad; said tract of land being known as the Sylvester Summers farm, and also as Prospect Farm, being part of a tract called "Dalecarlia" and containing about four hundred and seven (407) acres of land, more or less; a survey of said land will be made and the acreage thereof will be announced on the day of the sale. The said tract of land is bounded on the west by the county road above referred to, on the south by the Chesapeake and Ohio Canal, the Western Maryland Railroad and the lands of Wade Seavolt, and on the east by the lands formerly owned by the Round Top Cement Company, and on the north by the Cohill lands and the lands of the Tonoloway Orchard Company.

This is limestone land, and contains deposits of cement rock. It is well set in blue grass, and it is specially adapted for grazing purposes and would make an excellent stock farm. It is located in the fruit belt of this part of Washington County and is especially adapted to the growth of apples; that part suited for fruit culture being above the frost line. Over two hundred (200) acres of this land have been under cultivation, and the balance is well set in locust and other valuable timbers. It is well watered by springs and streams, and the shipping facilities of the Western Maryland Railway Company running through the farm are excellent.

The improvements consist of two dwelling houses and a stable all in a fair state of repair.

THE TERMS OF SALE as prescribed by said decree are as follows: One-third cash on the day of sale, or the ratification thereof by the Court, and the balance in two equal annual payments in one and two years from the day of sale, with interest from the day of sale, the purchaser or purchasers to give his or their notes or bonds with a surety or sureties to be approved by said trustees for the said deferred payments, or all cash at the option of the purchaser or purchasers. Upon the payment of the entire purchase money, the trustees will execute a good and sufficient deed for the said lands.

The tenants' share of the growing crops is reserved with right to the tenant to cut, gather and remove the same.

JOHN T. MASON,
WM. J. WITZENBACHER,
CHARLES A. LITTLE,
