SPEEDING PENALTIES IN HIGHWAY WORKZONES ARE DOUBLE.

FOR ASSISTANCE OR INFORMATION:

Call the Maryland State Police on CB Channel 9, Phone (410) 653-4200, or Cellular #77 (Free Call)

IN CASE OF ACCIDENT: Maryland law requires the operator of a vehicle involved in an accident to stop immediately and remain at the scene of the accident until the following requirements have been fulfilled:

(1) Render assistance to any person injured;
(2) Give your name and address and registration number of the vehicle you were driving;
(3) Upon request, exhibit your driver's license to the person struck or the person attending any vehicles involved in the collision.
(4) If there are no serious injuries, move vehicles out of travel lanes to the side of the highway.

SAFETY SEATS AND SAFETY BELTS: All children under age 16 must be in safety seats or safety belts. Children under the age of 4 (regardless of weight) or weighing less than 40 pounds (regardless of age) must be secured in safety seats.
Whenever possible, children should be secured in a rear seat and use of available restraints by all occupants is recommended.
The driver and front seat passenger next to the door are required by law to use safety belts. Motorcycle operators and passengers must wear approved helmets.

TURNS ON RED: After stopping and yielding to pedestrians and other vehicles, a right turn or a left turn from a one-way street into a one-way street may be made on a red signal, except when the intersection is posted with a sign which reads "NO TURN ON RED"

WIPERS ON - LIGHTS ON: Vehicles should use headlights when windshield wipers are in use.
