INFORMATION Case called for hearing on pending motions.

MOTIONS Plaintiffs' motion to compel resolved and withdrawn by plaintiffs. Plaintiffs' motion for sanctions argued and Court rules that defendant Cox will not be allowed to produce evidence in his own behalf at trial; as to precluding him from testifying or for default judgment, Court defers ruling at this time.

Plaintiffs' motion challenging defendants' response to plaintiffs' request for admissions argued and Court finds no legitimate reason offered for defendant, Cox, to have failed to make a response and directs matters set forth in plaintiffs' request for admission deemed admitted as to defendant Cox but not as to defendant Lowe's except for those admitted in answer.

Plaintiffs' motion for summary judgment argued and Court reserves ruling.
