'An Important Letter
From Rev. JACOB SECKLER, well known and highly respected throughout the State of Pennsylvania:
HANOVER, PA., February 16, 1859.
Messrs. S. W. FOWLE & Co., Boston.—Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation—*Wistar's Balsam of Wild Cherry*—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle, there was a great improvement in her health. I have in my individual case, made frequent use of your valuable medicine, and have always been benefitted by it. *I would, however, caution, the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry afloat throughout the country.* JACOB SECKLER.
MILFORD, Del., October 25, 1858.
S. W. FOWLE & Co., Boston: Please send me a supply of Wistar's Balsam, as I am nearly out, and there is a great demand for it; it is doing wonders; it cures *Coughs, Asthma, Whooping-Cough and Consumption*, without fail. There has never been any of the genuine here until you sent me a lot some time since, but plenty of the counterfeit.
Yours, truly, *JACOB F. POUCE.*
☞ REMEMBER, THEREFORE, *all who seek health*, that the only *genuine* has the *written* signature of "I. BUTTS," as well as the *printed* name of the *Proprietors, SETH W. FOWLE & CO., Boston*, on the *outside wrapper. Take no other*; it were money wasted and health jeoparded.

GEISER'S
PATENT SELF-REGULATING
GRAIN SEPARATOR,
CLEANER AND BAGGER,
AND THE LATEST IMPROVED
Iron Tripple-Geared HORSE-POWER,
All furnished Complete, if desired, on
Four Wheels.
THE subscribers desire to call the attention of the Farmers and Thrashermen of Montgomery and adjoining counties to their Improved Machine for the present year. This machine has now been before the public for six years, during which time it has earned for itself the reputation of being the best Separator in use; and we have made some very important improvements and additions for the present year, which renders it still more perfect; and we take pleasure in recommending it to the public, knowing that it cannot fail to give general satisfaction. We are now manufacturing two different sizes, as follows:
No. 1, the largest size, is 6-horse power, 36-inch Iron Cylinder, Trunk 37½ inches wide, with Stacker, delivering the straw 30 feet beyond the feeder and, upon the stack 16 feet high, and can be easily managed either to carry the chaff with the straw, or deliver it in a separate place if required. It bags the grain, by reasonable management, sufficiently clean for market, and its capacity, under ordinary circumstances, is from 20 to 30 bushels per hour, or from 200 to 500 bushels per day, using eight horses and the same number of hands; but to force the work, under the most favorable circumstances, it will do considerably more, or, with the same number of horses and less hands, it will thrash and clean as much or more grain per day than any other machine now in common use and with much more ease and agreeableness to the hands.
No. 2 is the same as No. 1, except something less in size and capacity; it is from 4 to 8-horse power, 30-inch Iron Cylinder, Trunk 31 inches wide.
Persons having good Thrashers, can have Separators, suitable to their capacity, attached, at a comparatively small cost. All our machines are sold under a warrantee.
We being practical mechanics, and being engaged in the manufacture of these machines for the last five years, and one of us having the advantage of twenty years practical experience in the thrashing machine business, and having in our employ the most skillful workmen, and using the best material, we flatter ourselves that we are now prepared to manufacture these celebrated machines in the most substantial manner.
REPAIRING done in workmanlike manner. All our work warranted to give satisfaction, or no sale. Orders respectfully solicited.

A GUANO CARD.
THE undersigned having noticed in the Rockville "Sentinel" an advertisement over the signatures of certain dealers in Guano in the District, would respectfully state to all Farmers, who trade in Washington, that, since his accession to business, he has *uniformly* and *steadily* resisted *all* efforts either at *combinations* or *high prices*, as all his friends, and the *dealers themselves*, must bear witness.
On the contrary, he has every season sought to keep the price of Peruvian Guano as near cost as possible, as his advertisements to that effect, and the *less* price at which the article has been purchased from his establishment, will testify.
He is aware (and tenders to the public his acknowledgments for the same) that notwithstanding certain innendoes to the contrary, his Guano stands in the *highest* repute among farmers of the surrounding sections of Maryland and Virginia, as always the purest, and best article to be had.
As the undersigned has thus far, in his business career, been able to make a "living" profit on what he has sold, and as he believes every one has the right to regulate his own price, he now has the pleasure to say that, for *this Spring*, or until the price of the agents of the Peruvian government is changed, he will sell for ANY and ALL quantities the *Peruvian Guano of A. No. 1 PERUVIAN GUANO*, WAREHOUSED and INSPECTED, at
$57.00 per 2000 Pounds.
Cash, in current funds.
Farmers are *particularly* assured that the Peruvian Guano sold by me, is *all* of the purest character, as I receive *none* that does not come direct from the Agents' Depot in Baltimore, *every bag* bearing the *inspector's* seal.
Farmers are further assured, that I deal in *second class* Peruvian Guano, and that my efforts, as heretofore, will be to keep
