Poetry.

LOVE'S DECAY.

It faded from me!—like the wave
Receding from the shore;
And like the wave it swept away
All joy and hope, that weary day,
Traced on life's sands before;
New hopes may bloom on time's dull shore—
But those may bloom—ah, nevermore!

My life is like that sandy shore—
Monotonous and gray,
And every mark hope's finger makes
The wave doth wash away—
Still higher rolls misfortune's waves,
In their relentless play,
Hope's last and deepest mark is swept
By ocean tide away.

Fact, Fun and Fancy.

—A lady sometimes gets as much intoxicated at her glass as a toper does at his.

—In all noble enterprises the ladies are like the electric telegraph—far in advance of the *males*.

—A Western editor has seen a pigeon, with three perfectly formed legs. It must be a *steel*-pigeon.

—A man's good fortune often turns his head; his bad fortune as often averts the heads of his friends.

—It is a most mortifying reflection for any man to consider what he has done, compared with what he might have done.

—A lady sometimes keeps charms upon her watch-guard, but it is more important that she keep watch and guard upon her charms.

—A young lady of Cincinnati, just returned from Europe, says that an aristocratic Englishman asked her if Cincinnati was a slave State.

—A lady well advanced in maidenhood, at her marriage requested the choir to sing the hymn commencing:

"This is the way I long have sought
And mourned because I found it not."

—"My good woman," said the evangelist, as he offered her a tract, "have you got the gospel here?"

"No, sir, we haven't," replied the old drone, "but they've got it awfully down to New Orleans."

—An editor wanting a line to fill up the column, gave—

"Shoot folly as she flies."—*Pope.*

In setting up the above, the devil had it thus:

"Shoot Polly as she flies. *Pop.*"

More are drowned in the wine-cup than in the ocean. He who buys top many superfluities, may be obliged to sell his necessaries.

—Mrs. Lewis M. Wheat, of Illinois recently presented her husband, with four promising heirs at one birth.—*Exchange.*

It can't be said that the Wheat crop in that country is a failure.—*Nashville Patriot.*

This *wheat* is now *cradled*, and will have to be thrashed after a while, if such an operation does go against the grain.

Worthy persons will pay attention to such, speak well of their good manners, and entertain a high opinion of their parents.—Children make a note of this. An Important Letter
From Rev. JACOB SECKLER, well known and highly respected throughout the State of Pennsylvania:
HANOVER, Pa., February 16, 1859.
MESSRS. S. W. FOWLE & CO., Boston.—Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation—*Wistar's Balsam of Wild Cherry*—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle, there was a great improvement in her health. I have in my individual case, from frequent use of your valuable medicine, and have always been benefitted by it. *I would therefore caution the public against using the adulterated articles, as I am a good deal of opinion that Wistar's Balsam of Wild Cherry is the only article of the kind worth using in this country.*
JACOB SECKLER.
MILFORD, Del., October 23, 1858.
S. W. FOWLE & CO., Boston: Please send me a supply of Wistar's Balsam, as I am nearly out, and there is a great demand for it; it is a great favorite; it cures *Coughs, Asthma, Whooping Cough and Consumption*, with us, &c. There has never been any of the genuine here until you sent me a lot some time since, but plenty of the counterfeit.
Yours truly, *JACOB Y. FOUCK.*
☞ REMEMBER, moreover, *all* who sell or say that the only *genuine* has the written signature of I. BUTTS, as well as the *printed* name of the *Proprietors, SETH W. FOWLE & CO., Boston*, on the *outside wrapper*. Take no other, it were money wasted and health jeoparded.

GEISER'S
PATENT SELF-REGULATING
GRAIN SEPARATOR,
CLEANER AND BAGGER,
AND THE LATEST IMPROVED
Iron Tripple Geared
HORSE-POWER.
All furnished Complete, if desired, on
Four Wheels.
THE subscribers desire to call the attention of the Farmers and Thrashermen of Montgomery and adjoining counties to their Improved Machine for the present year. This machine has now been before the public for six years, during which time it has earned for itself the reputation of being the best Separator in use, and we have made some very important improvements and additions for the present year, which renders it still more perfect, and we take pleasure in recommending it to the public, knowing that it cannot fail to give general satisfaction. We are now manufacturing two different sizes, as follows:
No. 1, the largest size, 16 horse power, 36 inch Iron Cylinder, Trunk 31 inches wide, with Stacker, delivering the straw 30 feet beyond the feeder and upon the stack 16 feet high, and can be easily managed either to carry the chaff with the straw, or deliver it in a separate place if required. It bags the grain, by reasonable management, sufficiently clean for market, and its capacity, under ordinary circumstances, is from 20 to 40 bushels per hour, be from 200 to 500 bushels per day, using eight horses and the same number of hands; but to force the work, under the most favorable circumstances, it will do considerably more; or, with the same number of horses and less hands, it will thrash and clean as much or more grain per day than any other machine now in common use and with much more ease and agreeableness to the hands.
No. 2 is the same as No. 1, except something less in size and capacity; it is from 7 to 8-horse power, 30-inch Iron Cylinder, Trunk 31 inches wide.
Persons having good Thrashers, can have Separators, suitable to their capacity, attached, at a comparatively small cost. All our machines are sold under a warranter.
We being practical mechanics, and being engaged in the manufacture of these machines for the last five years, and one of us having the advantage of twenty years practical experience in the thrashing machine business, and having in our employ the most skillful workmen, and using the best material, we flatter ourselves that we are now prepared to manufacture these celebrated machines in the most satisfactory manner.
REPAIRING done in workmanlike manner. All our work warranted to give satisfaction, or no sale. Orders respectfully solicited.
