BLACKWOOD'S MAGAZINE AND THE BRITISH REVIEWS.

Great Inducements to Subscribe!

Premiums and Reductions.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals—viz:

1. *The London Quarterly* (Conservative.)
2. *The Edinburg Review* (Whig.)
3. *The North British Review* (F. Church.)
4. *Blackwood's Edinburg Magazine* (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only readily intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific and theological character, we urge them upon the consideration of the reading public.

The receipt of *Advance Sheets* from the British publishers gives additional value to these reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

At the above prices the Periodicals will be furnished for 1861. And as a

Premium to New Subscribers,

the Nos. of the same Periodicals for 1856 will be furnished complete, *without additional charge.*

Unlike the more ephemeral Magazines of the day, these Periodicals lose little by age. Hence, a full year of the Nos. for 1856, may be regarded as nearly as valuable as for 1861.

Subscribers wishing also the Nos. for 1857, will be supplied at the following extremely low rates.

NOW READY.

The Second Edition.

By Authority of the State of Maryland.

THE MARYLAND CODE.

CONTAINING ALL THE

Public General and Public Local Laws,

Now in force, in the State of Maryland,

COMPILED BY
GEORGE SCOTT & HIRAM McCULLOCH,
Adapted to the Legislation of Maryland, Since the Revisal of 1857, and Now in force, the Revisal of 1857 being therewith incorporated.

With an Index to each Article and Section,

By Hiram C. McCullough of the Maryland Bar.

Just Published, in Two Vol. 8vo., Law Sheep, 1600 pages, only $8. Law Calf, $10. Shipping Law Calf in Half Russia, $12 per copy.

THE FIRST EDITION of 2000 copies of the Code being exhausted on the adoption of the State, the City of Baltimore, and the public, the Publishers have the pleasure of announcing that the SECOND EDITION is now ready, for which orders are respectfully solicited.

It is deemed superfluous to dwell on the merits or advantages of this work, the *perfection of which has cost the Compilers a period of 5 years.* The distinguished Gentlemen whose labors have been entitled by an Act of the present Legislature, have compiled in *Full Detail*, in *Two Volumes*, all the Public and Local Laws *now in force in the State*, and of course, bearing on every department of business and every interest of society. Into the compilation space, the Code, into which is incorporated the Acts of the last Legislature, *collated and digested Every Paragraph Material from the Revised Penal Code down to the Twenty Seventh of Jackson*—in an elaborate and well digested INDEX to each Article and Section, and a copious and minute INDEX to the sufficient of subjects, the reader no matter how unfamiliar with the science of Law, may easily examine the constituents on any question relating to his *Property, his Rights, his Duties*, or his *Liberties as a Citizen.*

With the view of enabling every citizen to possess a copy, the Publishers have affixed the price at about one-half the usual charge for Law Books, relying with confidence on the intelligence of the citizens of Maryland for a liberal encouragement. It is perhaps the *most complete body of Domestic Jurisprudence ever Published, for Popular as well as Professional use. As a perfect Compendium of our State Law*, it should at once enlist the good will and secure the patronage of every citizen. Every *Law Office*, every *Merchant, Manufacturer and Farmer*, every *Mechanic* and *Artizan*, every *Professional* and *Business Man*, *ought to secure a copy of* THE CODE.

The code has been carefully examined by several of the most eminent lawyers in the State. All unite in pronouncing it the most complete body of Domestic Jurisprudence for Professional as well as Popular use, ever published, and one of the *best arranged*, as it is *unquestionably one of the neatest and cheapest law books ever produced in this country.* The unexpected demand, and the very favorable opinions expressed by competent judges, are gratifying evidences, that the mode of issuing the Work—in a superior style, and at about one-half the usual price of Law books—has met with public approbation.

In order to render the work in every respect useful to Purchasers, we have made arrangements to issue in Pamphlet Form, uniform with the present volumes of the Code, *the ACTS of each* FUTURE SESSION *of the* LEGISLATURE. By this means the purchasers of the Code will be enabled to possess all the Legislation of the State, in regular order, at a very moderate price.

Preparing for Early Publication, A DIGEST OF THE DECISIONS, *Construing the Statutes of Maryland*, of which the Code of Public General Laws is composed, with specifications of the Acts of Assembly, by CHARLES F. MAYER and LEWIS MAYER, of the Baltimore Bar.

Early orders respectfully solicited

FOR THE FALL AND WINTER OF 1860!

J. F. BARTHOLOW

WOULD respectfully inform his friends and the public generally, that his STOCK OF AGRICULTURAL IMPLEMENTS, in extent, variety and quality is unequalled by any house south of New York.

His annual tours through the New England States, made with a view of finding and being first in receipt of the latest and best Farming implements, together with his thorough knowledge of every branch of his business, (being a *PRACTICAL MACHINIST*, and having *seven years practical experience* in Agricultural Machinery,) qualify him to assert the above.

He would state that he obtains his goods from the *MANUFACTURERS and not from Wholesale Dealers*, as is usual with Southern houses—thus enabling them at FIRST PRICES, and it is obvious that he can offer them *LOWER PRICES* than those who purchase from a second hands, after one profit has been made on them.

BAUGH'S RAW-BONE SUPER-PHOSPHATE OF LIME.

ANALYSIS:

7 to 8 *Per Cent. of Ammonia, and*
54 *Per Cent. Bone-Phosphate of Lime.*

FOR ALL SEEDING it is a most invaluable manure, being made from pure Raw-Bone.

IT ACTS DIRECTLY—bringing forward the young shoots of the grain and grass, giving them a vigorous growth, healthy color, and imparting strength and stamina.

IT IMPROVES THE LAND PERMANENTLY. It does not, like Peruvian Guano, stimulate the growing crop, and leave the soil exhausted, but leaves the land permanently benefitted.

FARMERS AND PLANTERS GIVE IT A TRIAL.

It is rapidly working its way into favor, and is a reliable fertilizer.

Price $45 per ton of 2,000 lbs., in Baltimore, in strong sacks of 150 lbs. each.
