In the Circuit Court for Carroll County.
To the Honorable. the Judges of said Court.

The answer of George P. Buckey one of the Defendants in the above entitled cause by Guy. H. Steele. his Attorney. to the Bill of Complaint therein exhibited against him and others respectfully shows,

1st. That he admits the matters and things set forth in the 1st and 2nd paragraphs of said Bill of Complaint.

3rd. That he can neither admit or deny the matters and things set forth in the 4" and 5" paragraphs of said Bill of Complaint.

Sloner intestate as set forth in said Bill and before the filing of said Bill and the commencement of proceedings in this cause. a writ of Fieri Facias. was issued out of the Circuit Court for Carroll County directed to George H. Motter Sheriff of said Carroll County, commanding him to seize the goods and chattle lands and tenement of said Marshall, C. Sloner and under

and by virtue of which, the said sheriff seized upon all the right title claim Estate and demand both at law and in Equity of the said Marshall C. Stoner in and to all that property of which his deceased mother said Mary E. Stoner died seized and possessed and afterward & viz. on the 5th day of January 1901. he sold the same & one D Price Abe Buckey. of Frederick County. Md.

And this defendant being advised that as all the right title claim estate and demand both at law and in equity of the said Marshall C. Stoner in and to the property mentioned and described in these proceedings. has been sold as aforesaid he no longer has any interest in this cause and this defendant would likewise have no interest, and he therefore prays this Honorable Court to dismiss him hence with his reasonable cost in this behalf sustained if your Honors should so determine.

No 3857 Equity
In the Circuit Court for Carroll County in Equity.

To the Honorable the Judges of the Circuit Court for Carroll County sitting as a Court of Equity.

The Auditor Respectfully reports that in pursuance

of the order of your Honorable Court passed in this cause he examined the papers filed in the cause and therefrom stated the within account as follows. He charged the Trustee with the purchase money in his hands to wit: $1450 and thereout allowed him his commissions and expenses and all cost properly allowed aggregating the sum of $309 92/100 He the distributed the sum of $342 01/100 to Abraham Stoner surviving husband of Mary E. Stoner deceased Intestate in lieu of his life estate as tenant by the Curtesy in the Real Estate sold by the Trustee in this cause. The balance of purchase money then left to wit: $798 07/100 the Auditor distributed among the children Heirs at Law of said Mary E. Stoner deceased Intestate or to the parties entitled to the same. The Auditor carried forward the Interest or distributive share of Marshall C. Stoner a son Heir at Law of said Intestate to wit: $114 01/100 and also carried forward the Interest or distributive share of John R Stoner a son Heir at Law of said Intestate to wit: $114 01/100 and distributed said Interest as follows. In distributing the Interest or distributive share of said Marshall C Stoner the Auditor had first to determine who were Entitled to the same. D Princeton Buckey as purchaser at Sheriffs Sale as set in his Petition filed in this cause or said Marshall C. Stoner as purchaser from J. Gilmore Fletcher Trustee in Bankruptcy appointed by the Referee under Bankrupt proceedings in the United States District Court for Eastern District of Pennsylvania as set out in his petition filed in this cause. In considering the rights between these parties in the opinion of your Auditor there are only three important points to be considered to wit:

1st. Did the interest of said Marshall C. Stoner bankrupt pass to his Trustee appointed by the Referee in proceedings in Bankruptcy in the U.S. District Court for Eastern District of Penna.

2nd. Did the Trustee appointed in said proceedings in Bankruptcy have the jurisdiction to sell the Interest of said Stoner bankrupt situate in Carroll County Maryland.

3rd. Had said Marshall C. Stoner who was the Bankrupt the right to purchase said Interest

from said Trustee,
The said Court in Bankruptcy has decided the first of these points as appears by the opinion of said Court sustaining the Referee in passing the order to said Trustee in Bankruptcy to sell said Interest which opinion is filed in this cause reference thereto will more fully and at large appear and as far as your Auditor has been able to find from the Authorities said Court right in its opinion. As to the second point the Auditor after examining several Authorities found this point as to Jurisdiction fully and very clearly defined by Mr Bump on Bankruptcy. on page 313. Mr Bump says. "Congress in passing the Act in pursuance of its Constitutional power not only intended to make it uniform but operative throughout the United States. It does not stop at State lines. Property wherever situated which is not Exempted from the Operation of the Act. Pass to the assignee. This is Equally true of Property under Mortgage. as of that which is unincumbered etc, That the property of the Bankrupt though situate in another State and though Mortgaged by the Bankrupt prior to the institution of proceedings in Bankruptcy is within the jurisdiction and under control of the Bankrupt Court.
As to the third Point the Bankrupt Act. as passed by Congress clearly gives the Bankrupt the right to purchase property from his Trustee reference to said Act will fully appear.
Therefore in the opinion of your Auditor it follows that if the interest of said Marshall C. Stoner passed to his Trustee, and said Bankrupt Court had jurisdiction over the same although in another State (Maryland) and said Stoner had the right to purchase said interest from said Trustee he is clearly entitled to the same and the Sale made by George H Motter Sheriff to D. Princeton Buckey was not a valid sale and the Deed to said Buckey null and void. and the Auditor therefore distributed said Interest or Distributive share to Said Marshall C. Stoner after deducting the proper costs.
The Distributive share of John R Stoner the Auditor after deducting proper costs distributed

the balance thereof among his judgment creditors whose claims appear by the Statement of Judgment claims against John R Stoner herewith filed at the rate of .01 42925 cents in the dollar.

And further reports that upon distributing the share of said John R Stoner he made the Statement of Judgment claims against John R Stoner which is herewith filed.

All of which is Respectfully submitted.

No 4134. Equity
In the Circuit Court
for Carroll County,

To the Honorable
the Judges of said Court.

The Plaintiffs pray leave to except to a part to wit a portion of the third and the entire fourth and fifth paragraphs of the Answer filed by

Martha J. Haines, One of the Defendants in this
case, First: For that said Defendant instead of
confining her said answer to the case presented
and made out by the Complainant's Bill inter
=polates into the third paragraph thereof impe=
=rtinent and irrevelant allegations and avern=
=ents and matter not susceptible of adjudica=
=tion in this case which allegations averments
and matter are as follows, Because said land
described in Exhibits "C. F. and L." was and is now
in the possession of a Certain Howard H. Haines
by virtue of (an alleged) contract entered into by and
between the said John Thomas Haines and the
said Howard H. Haines wherein the said John
Thomas Haines promised and agreed with the
said Howard H. Haines that if he Howard H Haines
would stay with and work for the said John
Thomas Haines so long as the said John Thomas
Haines should live, the said John Thomas Haines
would give to the said Howard H. Haines all that
land described in "Exhibits "C. F and L" which alleged
part contract is in violation of the Fourth
section of the Statute of Frauds and which aver=
=ments and allegations are not as aforesaid
determinable by this Court in this case and an
especially impertinent since said alleged parol
contract is alleged to have been made between
parties one of whom is not before your Honorable
Court in this Case, and therefore cannot be
affected, benefitted or injured by any decree
passed in this case, Second, and for that said
Defendant in the fourth paragraph of her
said answer departs widely from the case pre=
=sented by the Bill of Complaint, by attempting
to allege a part performance of said alleged parol
contract in pursuance of the same and alleges
the surrender of the Land described in "Exhibits" C. F. &
L. to a certain party all of which allegations averments
and matter as alleged and contained in said fourth
paragraph are impertinent irrevelant and not
litigable in this case, not only because of the Charac=
=ter and nature of said impertinent allegations
but also because said Howard H Haines cannot be
affected by any decree passed in this cause,
Third; And for that the Defendant in the fifth paragraph
of her answer alleges that she "is informed and

charges that by virtue of said (alleged) agreement and the alleged performance of the condition thereof the Land described in "Exhibits E. F. and L." does not belong to the heirs of said John Thomas Hamm but belongs to said Howard W. Hamm which averments and allegations are likewise immaterial and impertinent because it is a conclusion of law based on the preceding irrelevant and impertinent allegation of a part of the third and the fourth paragraphs of said answer. Fourth; And for that the said defendant in the fifth paragraph alleges that she is informed that the effect of the alleged parol contract is as she avers, but said defendant does not state whether she believes or disbelieves said information. Fifth; And for that said answer is in other particulars insufficient immaterial and impertinent

Opinion and Order of Court

Reuben Hamm & wife vs Jeremiah Hamm etal

No 4134 Equity.

In the Circuit Court for Carroll County sitting as a Court of Equity.

The Bill of complaint in this case alleges that a certain John Thomas Hamm died intestate in Carroll County Maryland on the 30th day of January 1904, seized and possessed of certain Real Estate in Carroll County described in the Deeds Exhibits. A. B. C. D. E. F. G. H. I. J. K and L. filed with the bill. leaving a widow and certain Brothers and sisters Neices and nephews as his only heirs at law, all of whom with the Mortgagee are made defendants except a Brother Reuben Hamm one of the Plaintiffs, and that said Real Estate is not susceptible of partition without loss and injury

to those interested therein. The prayer of the Bill is for sale of the Real Estate and a division of the proceeds. All of the Defendants have answered, admitting the facts alleged in the bill and consenting to a decree for the sale of the property. Except Martha J Hainer a sister of the deceased, who in her answer admitting all the allegations of the Bill except the charge that the deceased died possessed of the Real Estate mentioned in Exhibits E, F, and L, and that the same is not susceptible of partition without loss and injury &c) alleges that the deceased, in the year 1899, in consideration of an agreement on the part of a certain Howard W. Hainer to stay with and work for him as long as he the said John Thomas Hainer, lived agreed to give the said Howard W. Hainer all the Land described in said Exhibits E, F, and L" and that in pursuance of said agreement the said Howard W Hainer lived with and worked for the said deceased from May 1899, to the time of his death without remuneration and that the deceased in May 1903, removed from and left the property mentioned in said Exhibits E, F and L, in possession of the said Howard W Hainer. The Plaintiffs have filed Exceptions to so much of the said answer as refers to the alleged agreement between the deceased and Howard W. Hainer on the ground that the same is irrelevant and impertinent, and the exceptions have been argued by counsel for plaintiffs and for Martha J. Hainer. The object and the purpose of the Bill in this case is to have the property mentioned therein sold and the proceeds of sale divided among those entitled thereto. Proceedings under the provisions of the Code authorizing a Court of Equity to decree a sale of property in which there are several jointly interested and which cannot be divided without loss and injury are not resorted to for the purpose of having questions of title determined, Savary Vs. Canada 6 Md, 139. The Plaintiffs must of course, allege and prove the title to the property which they seek to have sold, and when the Defendants deny the Plaintiffs title and claim title adverse to the Plaintiffs, unless the defense is one cognizable only in a Court of Equity, the Court has in many instances retained the Bill until the right could be tried by law. Campbell Vs Lowe 9 Md 500 But I know of no instance in which a defendant has been allowed to set up title in another, not a party to the Bill, and under whom she claims no interest, in order to defeat the Plaintiffs

right to the relief prayed. Howard H. Hainer is not a party to this suit. and his rights cannot be adjudicated in this case at the instance of a defendant who has no interest in his claim to the property. A defendant in his answer is not confined to a denial of the allegations of the Bill, but may state any matter necessary to his defense, but if he goes beyond that and alleges matter not material to his case, and therefore irrelevant it will be deemed impertinent, and upon objection such irrelevant statements will be stricken out. Equity Rule 15. Miller Equity Procedure. Sec 178-180, Story's Equity Pleadings Sec. 863. Barrill Ch. P 44, Milford & Dyson Pr. P in Equity 403. Alt. Ch. P 65; Price vs Dyer 3 Bland 402. The question as to whether Howard H. Hainer should have been made a party to the Bill is not presented by the Exceptions to the answer of Martha J. Hainer. She does not suggest in her answer that the Bill is defective by reason of the failure of the Plaintiffs to make Howard H. Hainer a party but attempts to assert his alleged claim to the property in order to defeat the right of the heirs at law of the deceased to the relief sought. That part of the third paragraph of her answer referred to in the plaintiffs exceptions and the fourth and fifth paragraph of said answer excepted to, state matter entirely outside of any defence she has to the Bill and are therefore irrelevant and impertinent and must be expunged.

It is therefore ordered this 7th day of September 1904, by the Circuit Court for Carroll County sitting as a Court of Equity that the Plaintiffs exceptions to the answer of Martha J. Hainer defendant be and the same are hereby sustained. and the Clerk of this Court is hereby directed to expunge the impertinent matter in said answer, excepted to in said exceptions that is to say, that part of the 3rd paragraph of said answer which is set out in the first paragraph of the said exceptions and the 4th and 5th paragraphs of said answer. and it is further ordered that the defendant, Martha J. Hainer pay the cost of said exceptions

Wm H Thomas.

No 4214 Equity
In the Circuit Court for
Carroll County in Equity

To the Honorable
the Judges of said Court,

Your Auditor respectfully reports that in the above
case after carefully examining all the papers
therein he has stated an account of the Trust funds
therein. He first charged the Trustee with the amount
of sales of Real and Personal property and money
received from accounts aggregating $3641.92 and he
then stated an Expense account allowing to them $611.15
for Expenses, thus leaving $3030.77 for distribution
under the terms of the Deed of trust. Your auditor
in account A charged the Trustee with the account
of the proceeds of sale from the mortgaged Real Estate
sold, and then allowed against this Debit $3050.00
the proportionate amount of Expenses, amounting
to $511.81, and distributed to J. Staley Hoffacker and
Luther H Hoffacker Mortgagee the amount of their
mortgage and Interest, viz. $1310.24 and the residue
of $1227.95, your Auditor then carried into account
B. for distribution. In account B your Auditor charges
the Trustee with said sum of 1227.95 and $25.62.
the last amount being the proceeds of sale of Interest
in land not covered by Mortgage, which two
amounts aggregated $1253.57, and from this
amount your Auditor deducted $4.30 as the
proportion of Expenses to be borne by the land
selling for $25, and the account to be distributed
to Mollie E. Gross under the terms of the Deed of
Trust in lieu of her pretended right of dower.
making $166.57 and leaving $1082.70. for distrib
-ution among the first Judgment liens. Your
Auditor distributed in account B. the sum of
$292.73 in full for the first Judgment liens
and the residue of $789.97. he distributed to the
Judgment liens next in order of priority
and all of even date and aggregating $1070.63
upon a dividend of .734425 in said Account. B
In account C. Your Auditor distributed the
proceeds of sale of personal Estate and collections
amounting to $566.30 in this manner. He first
allowed the proportion of the Total Expenses to be
borne by this fund amounting to $95.04 and this
left the sum of 471.26 for distribution among
Creditors. This Balance of $471.26 Your Auditor
distributed in full payment of the balance
due on the Judgment receiving a dividend in
said Account B. and in full payment of the
Judgment liens subsequent to those set forth in

account B. and also in full payment of the Judgment liens subsequent to those set forth in account B, and also in full payment of the open accounts filed in said Cause against the said Frederick. E. Graf and this left a residue of $19.38 which your Auditor distributed to James H. C. Bond and F. Hurlbut as per under the assignment to them of Frederick. E. Graf filed in the Cause on May 23. 1905 and to be by them held under the terms of said assignment. And your Auditor further reports that acting under the written instructions of the Counsel for Trustee filed in this cause he did not allow Michael. E Hess any dividend or sum on account of his claim for $50.00 filed in this cause on May 26 1905.

Howard Lee, one of the Complainants in this suit
and the following eight children, all of whom are
parties in this cause to wit: (1) Your Complainant

said Estate,
Sixth, That the piece or parcels of land mentioned and described hereto for are not susceptible of partition without material loss and injury to the respective devisees entitled thereto under said will and testament and it would be to their benefit and advantage for said land to be sold and the proceeds thereof distributed according to the respective rights of the parties interested, that said land is unimproved, unpro=ductive and barren being rough and hilly, in por=tions and partially covered with a recent growth of bushes which have grown up since the removal of the timber therefrom some time ago.

Albaugh Real Estate and Brokerage Co. of Carroll County, a body corporate, for the sum of Six dollars per acre, or the gross sum of Four hundred and One dollars and forty three cents ($401.43) which said sum is a fair price for said property and your Orator believes and avers that under the circumstances and in view of the location and character of the land and the residence of the parties interested, none of whom reside in this County, it would be for the best interest and advan=tage of said infant as well as all other parties interested to make said sale at the price mentioned but owing to the infancy of said Evelyn Tyson such sale cannot be completed without the aid of your Honorable Court.
To the end therefore, That your Honorable Court will pass a decree approving, confirming and ratifying said sale to the George H. Albaugh Real Estate and Brokerage Company of Carroll County, a body corporate and appoint some person to execute and acknowledge a deed conveying to said purchaser all the right, title and interest of said devisees and heirs in the land aforesaid or if a confirmation of said sale is declined then that your Honorable Court will pass a decree for the sale of said Real Estate.

Ivan L. Hoff. Attorney for Complainants

Exhibit A.

In the name of God amen, I William Buchman of Carroll County state of Maryland, being of ordinary health of body and of sound and disposing mind memory and understanding considering the certainty of death and the uncertainty of the time thereof, and being desirous to settle my worldly affairs, and thereby be the better prepared to leave this world, when it shall please God to call me hence do therefore make and publish this my last Will and Testament in manner and form following to-wit;

First and principally I commit my soul in the hands of Almighty God, and my body to the earth to be decently buried at the discretion of my Executor hereinafter mentioned,

Item, it is my Will and I do order and direct that as soon as conveniently it can be done after my death that all my just debts and funeral Expenses be paid.

Item, I give and devise unto my son Alfred C. Bachman my home place whereon I now dwell together with the buildings and improvements thereon together with the grist Mill and all water rights and privileges thereto belonging and all improvements thereon and therein and anything else that is in the said Mill or outside of said Mill and belonging to said Mill or did heretofore belong to said Mill is to go with said mill for the use of my said son Alfred C. Bachman his heirs and assigns said property containing One hundred and fifty two acres of land more or less, including Grave Lot and being all the land and premises dwg Grist Mill and water rights which is mentioned and conveyed to me in a deed from Philip H. L. Myers Trustee of David Bachman and wife said deed bearing date on the 7th day of December A.D. 1879, and Recorded in Libr J.J.S. No 58 folio 196 &c. One of the Land Records of Carroll County reference thereto will more fully and at large appear, I give and devise the said land and grist Mill as aforesaid unto him my said Son Alfred C. Bachman to him his heirs and assigns forever including the

growing crops on said land at the time of my death, I give the same unto him right, and whereas I do give and devise unto my said son Alfred C. Bachman said land and Millar aforesaid for the sum of Twelve Thousand Dollars and the sum of Six Thousand dollars thereof I give and bequeath unto my said son Alfred C. Bachman leaving the balance of Six Thousand dollars current money to be paid out by my said Son Alfred C. Bachman as follows. He shall pay to my grandson Oscar Bachman the son of my son David Bachman deceased the sum of Five Thousand dollars current money, when he shall arrive at the age of 21 years, but in event he should die before arriving to the age of twenty one years and leaving a child or children then said child or children are to have it to be Equally divided among them, but if he should die and leaving no issue then said sum of money shall be Equally divided among all my children, share and share alike Except my said son Alfred C. Bachman is not to be included in said distribution, the reason that I do not include my son in said distribution is because I have given him a douceur in the property I have given him by this my last Will and Testament, and other advantages that I have given him in my lifetime, leaving the balance of One Thousand dollars to be paid by said son Alfred C. Bachman of the aforesaid account on said Real Estate as aforesaid, and he shall pay the same unto my said Executor but he is not to pay it over until my grandson Oscar Bachman shall be 21 years of age and shall then be a part of my Estate as herein after directed but my said son Alfred C. Bachman shall not be charged with any interest on the aforesaid sums of Money to be paid by him as aforesaid (to my grandson Oscar) and not to be charged any interest on the other accounts as aforesaid but be a lien on said Real Estate as aforesaid until paid and satisfied. And Whereas I did on the 18th day of November 1893, (in the presence of William Earhart and Greenbury J. Palmer) hand over and deliver to my daughters namely Elizabeth E. Beggs, Sarah A. Coover, and Ida L Scharffer certificates of deposit of the

Westminster Savings Institution to Each one of them
for the sum of four Thousand and five hundred
dollars ($4500,00, with the interest due on Each one of said
certificats and to my daughter Barbara A. Zacharias
I have assigned a promisson note against J. Wesley Beggs
for the sum of One Thousand dollars and also a certi-
-ficate of deposit of the Westminster Savings Institution
for the amount of Fifteen hundred ($1500) amounting
together the sum of twenty five hundred dollars. the
reason that I have given her only twenty five hundred
dollars as aforesaid is because in the purchase of
the home and lot at union Mills for which she holds the
title I have paid for the same twenty five hundred
dollars current money amounting together Five
Thousand dollars giving her five hundred dollars
more than the rest of my said daughters. the reason
that I do this is because she has staid and worked for
us along time thinking that I do right by so doing so
towards her hoping at the same time the rest of my
children thinking so too,
I authorize direct and Empower my Executors hereun-
-after mentioned to collect by suit or otherwise all out-
-standing money due and owing and becoming due to
me on Notes, Judgments, Mortgages, and otherwise and
not by this my last Will and Testament otherwise disposed
of and all the money arising from the aforesaid Collec-
-tions and including ready money, that I may have
at the time of my death, and also including the
aforesaid sum of One Thousand dollars that my
said son Alfred C. Bachman is to pay as aforesaid
mentioned, into the hands of my Executor first to
pay all my just and honest debts and funeral expenses
and the cost and charges of getting and putting up
at my grave a pair of good grave stones in quality
and size that I have gotten and put up at my wifes
grave and also the expense of settling of my estate
then I Will and bequeath as follows unto my four
daughters namely. Barbara A. Zacharias Sarah A
Conner. Elizabeth Ella Beggs and Ida L. Shaffer.
Each one of them five hundred dollars current money
I do this to make them equal with my sons and the
ballance then to be made into Eight Equal shares,
then I give the same to the following children and
grandchildren namely Ephraim Bachman Jonas
Bachman Barbara A. Zacharias. Sarah A. Conner
Elizabeth Ella Beggs Ida L. Shaffer. to the children

of my sons John Bachman deceased to be equally
divided among them and to Oscar Bachman son of
my son David Bachman deceased the reason I do not
include in said distribution my son Alfred C.
Bachman is because that I do think that the advantage
that I have given him in my Real Estate and Mill property
and other advantages that I have given him in my
life time he is fully Equalized with the rest of my children
and I do make further provision the children of my
son William H. Bachman deceased am not to have
anything out of the aforesaid distribution and no
other distribution aforesaid as I have fully provided
for them otherwise by this my last Will and Testament
hereinafter mentioned, and in regard to my personal
property, that I may own and be possessed of at the
time of my death and not divided among my
children by myself in my lifetime and in case that
I do order and direct in my lifetime and disposition of
my personal property to any of my children or grand-
children and not delivered to them in my lifetime
I want it understood that after my death said property
as I have ordered shall be delivered to the one or ones
as I have ordered who is to have it and not to be
appraised, and any of my personal property that I
do not direct or make disposition of the same in my
lifetime I do order and direct that my said executors
shall divide the same among themselves as nearly
Equally as they can without any appraisement.
The reason that I have not made any special bequest
(or legacy) to my sons Ephraim Bachman and Jonas
Bachman, when I sold and conveyed to them their
respective farms to each one of them, I have allowed
Each one of them a sufficient amount so as to make
them Equal with the rest of my children and I have
also given the same to my son John Bachman now
deceased, when he purchased the property he had in
his lifetime, and whereas I am possessed of another
farm or tract or parcel of land and now occupied by
my grand-daughter Julian Bachman widow of
my son William H. Bachman deceased situate in
Carroll County State of Maryland, which I will
dispose of by this my last Will and Testament as
follows,
I give and devise unto Julian Bachman (widow of
my son William H. Bachman deceased my farm
& plantation being the same now occupied by said

Julian Bachman (widow as aforesaid) situate lying and being in Carroll County in the State of Maryland and containing One hundred and Eleven acres of land more or less, and adjoining land of David Shriner Jonas Bachman and others, Together with the same unto her the said Julian Bachman, widow as aforesaid for and during her lifetime or as long as she remains the widow of my son William H Bachman deceased and to have and to take issues and profits thereof for and during said time and to keep the same in repair and to pay all taxes and insurance on the same during said time and not to waste any timber but in event her said sons should not want to farm and cultivate said land in her lifetime or widowhood as aforesaid she shall not be privileged to rent the same to other parties, then in that event I authorize and Empower my beloved grandsons Milton Bachman and his brother John Bachman to sell the same at public or private sale, to the best advantage by first filing a bond with approved securities by the Orphans Court of Carroll County, and by order of said Orphans Court and under the authority of said Court, and to convey the same to the purchaser or purchasers thereof by a good and sufficient deed or deeds, in as ample a manner as I hold the same. (Except to a water privilege that I hereto for convey'd to my son James Bachman) and the money arising from said sale first to pay all expenses of said sale and the sum of Four hundred ($400.00) dollars to Julian Bachman widow as aforesaid, and the balance to be equally divided among the children of my said son William H Bachman deceased, and if any of them being dead, leaving a child or children the said child or children shall have their parents portions and I do further order and direct that after the death or marriage of said Julian Bachman aforesaid, they the said Milton Bachman and John Bachman shall sell the said Estate aforesaid at public or private sale to the best advantage by first filing a bond as aforesaid and an order of the Orphans Court of Carroll County and convey the same to the purchaser thereof by a good and sufficient deed or deeds in as ample a manner as I hold the same (Except the water privileges as aforesaid) and the money arising from said sale first to pay all Expenses of said sale and the balance to be Equally divided among all the children of my said Son

William H. Bachman deceased. Equally and if any of them being dead leaving issue shall have their parents portions. And lastly I do hereby nominate constitute and appoint my three sons Alfred C. Bachman Ephraim Bachman and Jonas Bachman Executors of this my last Will and Testament. giving them or the acting or survivor one or more of them full power and authority to sell and convey and to carry into execution all or any provisions contained in this my last Will and Testament. revoking and annulling all former Wills by me heretofore made. ratifying and confirming this and none other to be my last Will and Testament.

Exhibit No 3—

Aaron Bixler vs Francis J. Devilbiss Et al

No 4310. Equity.

In the Circuit Court for Carroll County, sitting as a Court of Equity.

The Bill of Complaint in this case alleges and the answer of the Mortgagors admits that they intended to convey to the plaintiff by the Mortgage of which Exhibit C. filed in this case is a copy, the property mentioned and described in the Mortgage of which Exhibit B is a Certified copy and that the plaintiff, who is unable to read relied entirely upon the Mortgagor and a certain William R. Cunn. who prepared the Mortgage and that the Plaintiff did not discover the mistake in the Mortgage until some time in August, 1906. The defendants Charles T. Repp and Howard E. Myers Executors of Wesley Myers deceased, who hold a Judgment against the Mortgagor Francis J. Devilbiss, have demurred to the Bill on the ground that the Plaintiff is not entitled to the relief prayed for as against them, it appears from the allegations of the Bill that said Judgment was recovered after the Execution and Recording of the Mortgage of which Exhibit C is a copy, upon a debt or Claim due prior to the execution of said Mortgage and as the demurrer admits the facts alleged in the bill it would seem clear that the Plaintiff is entitled to the relief sought as against the Judgment creditors as well as the Mortgagors.

Dyson Vs Simmons 48 Md 207.

It follows therefore that the demurrer in this case must be overruled, and as the defendants Charles T. Repp and Howard E. Myers Executors &c, agreed to submit to a final decree in the Event of their demurrer being overruled the Court will decree a reformation of the Mortgage of which Exhibit C. is a Copy so as to conform to the intention of the parties thereto.

It is therefore ordered this 20th day of October 1906. by the Circuit Court for Carroll County, sitting as a Court of Equity that the demurrer in this case be and the same is hereby overruled and it is hereby further ordered, adjudged and decreed that the mistake in the description of the property intended to be conveyed by the Mortgage from Francis J. Devilbiss

and S. M. Virginia Devilbiss his wife to the Plaintiff dated the 18th day of April in the year 1898. and Recorded among the Real Estate Mortgage Records of Carroll County in Libr J. H. B. No 41 folio 314 &c. be corrected, and that the description of the property in said Mortgage be made to correspond with the contract and with the intent of the parties to said Mortgage, so as to read as follows, "all the following described lot or parcel of land together with the buildings and improvements thereon situated in the Town of New Windsor, in Carroll County in the State of Maryland, and known as part of a tract of land called "The Two Daughters" the property hereby Mortgaged being the same land which was conveyed by Louis Dielman and wife to the said Francis J. Devilbiss by Deed bearing date on the 22nd day of January in the year 1887, which deed is Recorded among the Land Records of Carroll County in Libr W. M. W. No 76 folio 276 &c, and contains fifty two and fourteen one hundredths square perches of land more or less, out of which is hereby excepted and reserved from the operation of this Mortgage the quantity of Eighteen and seventy seven one Hundredths square perches of land as now laid off within parallel lines on the west side of the above described property. And it is further ordered that the Plaintiff pay the Costs in this case.
