BASHAW by KOSSUTH.

WILL MAKE THE SEASON OF 1866, at the stable of the Proprietor, from the 1st of April to the 1st day of August, at $30 THE SEASON, and $50 to INSURE. In all cases $1 to the Groom.

BASHAW, sired by Kossuth, dam thorough bred, by Alamode; Alamode by imported Margrave. Kossuth's pedigree is given to show his abundance of Messenger blood, considered by all to be the best ever disseminated.

Kossuth was by New York Black Hawk, out of the celebrated trotting mare, Lady of the Lake; her dam was out of a Messenger mare. New York Black Hawk was by Andrew Jackson; the sire also of Jackson, Kemble Jackson, Henry Clay, Young Andrew Jackson, and many other fast ones. Andrew Jackson was by Young Bashaw; Young Bashaw was by imported Bashaw; the dam of Andrew Jackson was by Whynot, and he by old imported Messenger; the grand dam of Andrew Jackson was also by imported Messenger.

New York Black Hawk's dam was the distinguished trotting mare, Sally Miller, who trotted her mile in 2 m. 30 sec., and she was not excelled by any horse of her day. Sally Miller was by Tippo Saib, he by imported Messenger.

It will readily be seen that Bashaw is related to the best horses of our country, and that the fresh infusion of thorough blood through his dam gives him superiority for producing colts of speed and endurance, as blood will tell.

Any gentleman from the county sending a mare to the horse, will have her fed each day free of charge. The person bringing her will also receive his mares fees of charge.
