RULES AND REGULATIONS.

1. The Grounds will be open for the reception of Animals and Articles, on Monday, September 11th at 8 o'clock, A. M., and no Animals or Articles will be entered for exhibition after 10 o'clock on Wednesday, September 13—the first day of the Fair—unless by special permission of the Executive Committee for satisfactory cause shown.

2. All Exhibitors must have previously become members of the Society by the payment of the annual membership fee of $1, and must show the same before their Animals or Articles are entered for exhibition, or they will not be allowed to take a premium.

3. The Awarding Committees are particularly requested to be in attendance and prepared to enter upon their duties by 10 o'clock, A. M., on Wednesday, the first day of the Fair, and to call at the Secretary's Tent for their respective lists. Each list will contain the name of the member of the Committee of Arrangements, who will show the respective Committees the location of the Animals or Articles for their inspection.

4. The Chairmen of Committees will, as early as practicable after making their examinations, report to the Secretary, at his Tent where they will find premium lists, stationery and every facility for the purpose, and where, if the Secretary is absent on any other duty, they will find, also, a box for the reception of report.

5. All carriages and horsemen will enter the Fair Grounds at the Main Entrance or Carriage Gate; pass down the south-east fence and along the Entrance Avenue, as marked out, and between the Spring and Circle, to the Ladies' Dressing Tent, situated near the west fence.—On leaving the Grounds, they will pass along the Outlet Avenue, as marked out, between the Entrance Avenue and the Cattle Pens. Carriages will be deposited between the Avenues, and in the Grove, on the west side of the Grounds, but will, under no circumstances, be admitted between the Cattle Pens and Circle, the Hall and Circle, nor between the Spring and South Fence.

6. Servants and hostlers, employed by the Society, will be in attendance, to secure horses and attend on visitors, under the direction of the Officers of the Society; and all horses must be either delivered to the stable-keepers or tied to the outside fence. *Tying Horses to Trees in the Grounds is positively prohibited.*

7. The stable-keeper shall keep an ample supply of the best oats, corn, hay and straw, to be supplied at hotel prices.

8. The Society have ample Stables on the Grounds—the charge for which will be $2.00 each, for the Fair, or $1.00 per day.

9. No intoxicating liquors shall be sold on the Grounds, and no drunkenness or disorderly conduct will be tolerated. Any violation of the Rules and Regulations by any employee, or vender of articles of any sort, will be punished by forfeiture of all moneys paid the Society, and expulsion from the Grounds.

10. Every citizen, who consents to act on any of the Awarding Committees, is expected previously to become a member of the Society and to permit no attempts from any party whatever to influence or sway his action.

11. The Marshals will co-operate with the Committees on Trials of Speed and Quick Draft Exhibitions in having the Ring clear and ready for such Trials and Exhibitions, *punctually at the hours named for them*, and will see that no persons shall be in the Ring during the exhibitions therein, except Judges, owner or owners and Officers of the Society.

12. No Animals or Articles, intended for exhibition, can be taken away before the close of the Fair, on Thursday, September 15—the last day of the Fair. No premium will be given to any Animal or Article removed in violation of this rule.

13. Clerks, with Assistants, will be at the Business Office of the Society, at the Main Entrance, on Monday, September 11th at 9 o'clock, A. M., to register entries of Animals and Articles, and furnish properly numbered tickets, corresponding with their entries, and admitting the Animals and Articles to appropriate pens and positions in the Grounds; and exhibitors will confer a great favor by making their entries, as far as practicable, before the first day of the Fair.

14. The Rules for driving and riding in Trials of speed will be announced from the Judges' Stand, and it is positively required that they be strictly observed. Any horse distancing the field will take only the first premium.

15. Any person residing outside the limits of the Society, Montgomery County and the District of Columbia, may compete for any of the premiums offered by the Society, (except the special premiums for Trials of Speed for Montgomery county and the District of Columbia) but such competitors must pay to the Treasurer, each the sum of $2.00.
