The tickets to be sold in Halves, at five dollars each

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery——Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery, to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax.—The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 18 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

CALICOES, Furniture Cottons, Shawls and Pocket Handkerchiefs printed and sold by the subscribers, at No. 13, Calvert street.

To remove a doubt inexperienced in new undertakings, and often prejudicial to manufacturing attempts in America; they think it proper to observe, that nothing material is wanted in the business to enable good artists to perform the work here, as well as in Europe. That they have these artists—that two of the partners were bred to the business in a factory of the best repute, carried on by their father, and long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving an equal trial to such as are wrought among themselves—beside a natural doubt, there is room for fear, that certain interests, national, as well as individual may suggest objections to their undertaking—It is necessary therefore to say, that work of the like kind, shall be as well executed here, as by foreign hands abroad. The colors capable of being fixed will be found as permanent, the cloths perhaps of better substance, and the prices lower than of the imported cottons

The customary credit will be given on good notes or acceptances in the city.

WHEREAS, by a decree of the High Court of Chancery of this part of Great Britain called England, made in a certain cause, wherein SOPHIA COUCH is the plaintiff, and Henry Clifton Atkinson is the defendant, it was referred to John Gird, Esq. one of the masters of the said Court, to enquire whether CHARLES COUCH named in the will of Charles Couch, the elder, late of Cow lane, Smithfield, London, victualler, was living or dead; and, if dead, when he died. The said Charles Couch, the first, if living, is presumptive, either by himself or his agent or by his solicitor, to appear before the said master, at his Chambers in South Hampton buildings, Chancery lane, London, on or before the sixth day of November, One Thousand Eight Hundred and Four, and prove his identity, or, in default thereof, he will be excluded the benefit of the said decree, but, in case of his death, any person who can give information to the said master as to the time and place of his decease is requested so to do. It is stated that the said Charles Couch formerly lived in Cheapside at least; and about the year 1786 went to America where he married; that he was a master at Bay town, at Havre de Grace, in the province of Maryland, North America, and is supposed to have died in the city of Baltimore in the month of August, 1796.

GENERALLY.

AN association having been formed by a number of master Ship-Carpenters, under the denomination of "*The Baltimore Ship-Wrights*;" for the purpose of executing in the most expeditious and workmanlike manner any commands in the said line of business—they hereby solicit a share of public patronage, and inform that JAMES CONDREY, their president, and JAMES WHEEDEN and WILLIAM DRUMMOND, superintendants, on Fell's-Point, are prepared to receive all orders which merchants, captains or others may favor them with. VENEREAL COMPLAINTS.

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with ease and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility arising from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to let him know, they may be relieved from a description of their complaint.
