september 2 d

A LARGE BODY OF

Excellent Lands for Sale,

Worthy of the attention of Emigrants from Europe and of their friends.

AN original proprietor of Forty Thousand acres, in two large tracts, (though in several patents) all adjoining—35,000 acres of which are situated in Ohio county, and state of Virginia lying and being on fishing creek near to the Ohio river; and 15,000 acres lying and being on Hughs's river, in Harrison county, contiguous to the other tract. They are not more than about 40 miles from Wheeling the county town; & about 300 miles from Baltimore and Washington cities.

They were taken up in the year 1785, under the direction and superintendance of the Rev'd. William Worth, who purchased the locations, with the guarantee and warrantee of the surveyor of the county, against the claims of all persons whatever. They were patented by the governor and state of Virginia, in 1786. The character given of these lands by the gentleman who took them up, is as fellows, viz:

That they are well watered, and timbered, with the different kind of oaks, hickory, ash, maple, walnut, sugar trees, &c. and the under wood abounds with ginseng, spikenard, spicewood, peavine, &c. There are a number of good and valuable mill seats—many fine rich bottoms for meadow, and a number of rich and sharp hills, suitable for vines and vineyards"—They are by nature well adapted to the culture of vines—having extensive south fronts, and an amazing rich soil.

Jeremiah Williams, Esqr. surveyor, (now living near the mouth of Fishing creek, and on the banks thereof) will, on application, shew the lands to any person desirous to see, or to be put possession of them.

They will be sold, whole or in part, extremely *Cheap*, and on *easy, liberal* and *generous* terms, with clear title, and free from any incumbrance whatever. *Also,*

Seventy five thousand acres of choice Cotton Lands, in single thousand acre patents, all adjoining, in the state of Georgia.

Twenty thousand acres, by single thousand acre patents, in one body, in the state of South Carolina.

Twenty thousand acres, in two patents, in the state of Kentucky.

And

Fifteen thousand acres of patented lands, in tracts of 400 acres each, in the state of Pennsylvania. For terms enquire of

JOHN YOUNG,
Corner of Water street and Market street.

August 20
