BEGS leave once more, to inform her friends and acquaintances in the city of Baltimore, that she still keeps her house open for the reception of youth of both sexes as boarders. Those parents or guardians who may think proper to place their children in such situation, during the summer season, will find the same to be in a healthy and pleasant neighbourhood. I will take them from two years old to ten.

SUSANNA BOWEN.

June 13 d4t

On the 2d of this month,

I GAVE my indented servant, Christian Stuhr, permission to go and see his friends in Baltimore; he was to return on the 6th, but as he not yet made his appearance, I conclude he means to abscond. This servant is a Hanoverian by birth, and arrived from Amsterdam in March last. He is very round shouldered, marked much by the small pox, about 5 feet 10 inches high, light hair and eyes, with a very fair complexion. He calls himself a farmer, but is quite ignorant of that occupation, and was dressed in long blue broad cloth coat, striped shirt and trowsers, and half boots, the other clothes are not recollected. Whoever will deliver the above servant to Mr *Andrew Buchanan*, in Baltimore, shall receive a reward of fifteen dollars.

THOS. OWEN WILLIAMS,
Prince Georges County, near Bladensburg.

VENERIAL COMPLAINTS.

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with ease and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.

—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

For Sale by Auction,

SELBY MILLS, with 330 acres of land and the improvements thereto belonging, 8 miles from Baltimore, and about half a mile from the road leading to the city of Washington. The mills are capable of manufacturing 50,000 bushels of wheat yearly, to the best advantage, having water carriage to the spot, which renders the property very valuable and has produced from 4 to 5000 dollars a year, clear of all expences. The buildings are good, and the situation beautiful, and the farm productive, being well adapted to the use of plaister of Paris, and from the present appearance a good crop in the ground. There are about 100 acres of cleared land, the remainder is well covered with thriving young timber, which is a great acquisition to the property, so near water carriage. The property will be exposed at public sale on the premises, on third day, the 18th of the present month (if fair, if not, the next fair day;) the sale to commence at ten o'clock. Terms of sale, one-fourth of the purchase money in cash, one fourth in three, six and nine months—the other half in five equal annual payments, with interest from the day of sale, and on the last payment being made, an indisputable title will be given.
