

WORCESTER COUNTY PLANNING COMMISSION

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee or warranty of any kind by Worcester County or by any official or employee thereof of the practicability or safety of any proposed use, and shall create no liabilities upon the County, its officials or employees.

Any approval by the Worcester County Health Department of any sewer or other system or suitability therefore is based upon State and County Standards existing as of the date of approval; such standards are subject to change and a building permit may be denied in the future in the event standards cannot be met as of the date of application for such permit.

 DATE CHAIRMAN

WORCESTER COUNTY HEALTH DEPARTMENT

This subdivision is approved for interim individual water supply and sewage system in accordance with Regulation 10.17.02 Subsection I to penetrate the shallow ground water table. For each building unit, a minimum of 10,000 sq. ft., exclusive of building, easements, right-of-ways and such other permanent or physical objects, shall be provided for the subsurface disposal of sewage.
