Notice.

IN consequence of recent losses and the failure of persons for whom I went security, I am reduced to the painful necessity of applying to the judges of Baltimore county court, for the benefit of an act passed at the last November session, for the relief of sundry insolvent debtors. My effects and book-debts, which will be faithfully and promptly surrendered to my creditors, will I trust, be found more than sufficient to extinguish all claims against me, for which I received any value: And, if the full and undisguised disclosure which I shall make of my affairs, will not shield me from the charge of imprudence it will, at least, from the imputation of dishonesty.

RAN away on Saturday the 27th inst from the country residence of the subscriber, a Negro Man called PETER, formerly owned by Mr. Joseph Young, of this city. He is about 5 feet 6 inches high, stout made, rather handsome than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon," to every question the most positive; and is constantly talking to himself as if praying. His clothes were numerous, among them was a blue cloth coat, a brown cloth coatee rather rusty, though not much worn, a dove colored twilled nankeen coatee, considerably faded from washing, the sleeves of which have been let out; several handsome Marseilles vests of different patterns, all very short; shirts of fine white Irish linen; pantaloons and gaters of India nankeen, very good, and of the present mode; a fashionable Beaver hat, quite new, maker's name in the crown, Wm. Branson, Hatter, 131, Market-street, Baltimore. AN ADDITION OF

6000 Spelling Books,

From the 4th and last English edition.

BY LINDLEY MURRAY:

Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c.

The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c.

The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sound of vowels and diphthongs, whether short, long, nasal or broad.

The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a useful knowledge, and enlarged views of the subject.

The reason for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of *Johnson* is followed, and the pronunciation of *Walker* has been adopted in *Murray's Spelling Book*—and it is presumed they are authorities which few persons will be inclined to dispute.

Also just received,

3000 copies of a New Spelling Book, called THE PHILADELPHIA DESWORTH'S SPELLING BOOK, PER VIDE.

The present edition being on the same plan of a late Glasgow publication (with considerable improvements) is confidently recommended to the serious attention of teachers, parents and guardians.

On Hand,

A general assortment of SCHOOL BOOKS and STATIONARY—which they will be enabled to accommodating terms to those who buy for retail.
