Just Received,

VIA NEW-YORK,

A fresh supply of the following GENUINE

FAMILY MEDICINES,

Which are carefully prepared according to the proprietor's NOTE of RECEIPTS now in possession of his widow.

The subscriber respectfully acquaints his customers, that during his late visit to New-York he made such arrangements as will most probably prevent any such demand from breaking in his assortment in future. Those who have been disappointed in their applications for *Hamilton's Lozenges*, and other good preparation for speedily removing Coughs, Colds, Hoarseness, &c.

JAMES HANNA,

Medical Warehouse, No. 102, *Market-street*

HAMILTON'S

Worm Lozenges,

Perhaps the safest and mildest purgative now in use, either for children or adults, and should Worms exist in the body, it will undoubtedly expel them. To those *fine* persons who generally take physic in the spring, they are recommended as particularly efficacious in carrying off all gross humours and eruptions, feverish and bilious complaints, and for cleansing the stomach and bowels of whatever is foul and offensive.—*One box is a present for a family.*

ITCH CURED,

By *once using* Lee's Sovereign Ointment, which, although used for 20 years in Europe and for near eight years in America, has never been known to fail in any one instance. It is perfectly innocent, warranted not to contain a particle of mercury or any pernicious ingredient, and may be used with perfect safety on an infant, being a vegetable preparation and entirely free from the disagreeable smell which attends most other ointments.

THE ANTI-BILIOUS PILLS.

[illegible] for them to be [illegible]. They are [illegible] laxatives, where [illegible] *Starved* should never be without them, as they are the best preventative [illegible] of those malignant [illegible] common to hot climates, and are a sure cure for prevention [illegible] disorders attendant on long voyages.

THE CELEBRATED PERSIAN LOTION,

Speedily cures [illegible] throughout Europe, [illegible] perfectly innocent [illegible], [illegible] and repellent [illegible] of other lotions) and of unparalleled [illegible] in preventing and removing blemishes in the face and skin.

RESTORATIVE POWDER FOR THE HAIR IN GENERAL.

PERSIAN MUSTACHIO-WATER.

A [illegible] for all diseases of the eyes.

HAMILTON'S

GENUINE [illegible] EXTRACT OF MUSTARD.

For Rheumatism, Gout, Palsy, Swelling, Numbness, &c.

TOOTH-ACHE DROPS.

The only method yet discovered, which gives immediate and lasting relief in the most severe instances.

INFALLIBLE AGUE DROPS.

At the place of sale may be seen a list of many cures performed by the above medicines; among them will be found the signatures of several distinguished characters and of many respectable citizens of Baltimore and Philadelphia.

These preparations have been known to the citizens of Baltimore and throughout the union for eight years, during which time the most abundant and respectable testimony (ever known) has been given of their great efficacy: in consequence, all the arts of imposture have been practised to wrest from the widow and children of the late proprietor, the business and the emoluments arising from it.—Those persons who wish to discourage such attempts, and to obtain Medicines prepared according to the receipts of the late proprietor, will be careful to apply only to the Widow's Agents—viz. JAMES HANNA, Medical Warehouse, No. 102, Market-street; or NJAMIN WILSON, opposite the Market, Fell's Point; and no where else in Baltimore.

N. B. None are genuine without the signature of

HANNAH LEE.

Mr. Wrifford,

Late from Boston,

Purposes to teach the *ART of WRITING*, in this place, by a new and expeditious method.

Persons rising ten or twelve years of age, possessing good common capacities, may acquire a fair and handsome hand, by receiving twenty lessons, one hour of time to each lesson.

The method is well suited for the benefit of young persons fitting for the mercantile line of business; and also for ordinary writers already engaged in the *same* life, of almost whatever age; likewise for young gentlemen who are either in or destined for the learned professions.

Ladies who either have or have not received their education, in other respects, can be attended either at their own dwellings, or elsewhere, as they may choose.

Mr. W. takes up the *Art of Writing* as a species of drawing, and teaches it by a system of rules, methodically arranged: but as the plan may perhaps be rather novel in this city, it would be difficult, in a notification like this, to point out the peculiar mode of proceeding.

Any person who may think proper to call on Mr. W. at Mr. D. Fulton's, sign of the Globe, Baltimore-street, will, it is presumed, be satisfied in those particulars of which they may wish to enquire.

☞ Wanted on hire a pleasant room, in a healthy part of the city.
