WORCESTER COUNTY PLANNING AND ZONING

The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any offical or employee thereof of the practicability or safety or proposed use, and shall create no liability upon the county, it's officals or employees.

Any approval by the Worcester County Environmental program of any sewer or water system or suitability therefor is based upon state and county standards existing as of the date of approval, such standards are subject to change and a building permit maybe denied in the future, in the event standards can not be met as of the date application for such permit.

The widening strips, are hereby offered for dedication to the County Commissioners for Worcester County. Acceptance of such offer may take place at any time by appropriate act of the County commissioners. The County Commissioners are in no way required to accept such offer. The offer may not be withdrawn without the consent of the County Commissioners.

Date 29 Nov 1988

WORCESTER COUNTY ENVIROMENTAL PROGRAMS

Subdivision is approved for public sewer in accordance with Worcester County Comprehensive Water and Sewer Plan and a private noncommunity water supply. The applicant or any future owner must discontinue use of these individual water system's and connect to the community water systems when available.
