100 DOLLARS REWARD.

Ran away from the subscriber, on Saturday evening last, Thomas Gill and Daniel Brangeran, apprentices to the cabinet making business. Gill is about 20 years of age, about 5 feet 6 or 7 inches high, slender made, and much freckled. He was, previously to being bound to the subscriber, in the service of an officer of the army of the U. States at Fort M'Henry, beats the drum remarkably well, and had been permitted by the subscriber to serve in that capacity in the 5th regiment in this city, the emoluments from which he enjoyed, and the profits it afforded it is believed enabled him to abscond.

He took with him a number of cabinet-maker's tools; and has in his possession two suits of clothes, one of jean, the other blue. Brangeran is about 19 years of age, about 5 feet 4 or 5 inches high, rather stouter made than Gill, of a swarthy complexion, and dark hazle eyes. It is supposed that he was induced to go off by the persuasion of Gill. He also had a suit of jean and one of blue cloth. If the above apprentices are taken fifty miles from home, fifty dollars will be given for the apprehension of both, or thirty for either; and if out of the state one hundred dollars for both, or 75 dollars for either; and all reasonable charges paid if bro't home.

If said apprentices will return to their duty, without putting the subscriber to any further trouble to apprehend them, their fault will be overlooked, and they will be kindly received.

WILLIAM CAMP,
No. 25, Water street.

N. B. Masters of vessels and all persons whomsoever, are forbidden to employ, harbor, or carry off said boys at their peril, as the law will in such case be enforced against them to its utmost extent.
