THE EDITORS OF THE SUN are requested to state that LIEUT. HOWARD, recently announced as having been suspended for six months, is not LIEUT. JAMES HOWARD, of this city, an officer of the 3d Artillery, and now with the escort attached to Lieutenant Mullan's wagon road party. d15-3t*†

THE PERSON WHO FOUND A LETTER yesterday from Warrenton, N. C., directed to DR. R. D. FLEMING, will confer a favor by leaving the same at No. 156 WEST LOMBARD ST., between Hanover and Sharp. 1t*

MESSRS. EDITORS:—I was solicited to go and examine the floor of the Hall where the negro Ball took place on Monday evening. The figures are still fresh on the floor. I saw nothing there representing Gov. WISE, or a huge negro, with large boots, kicking, &c., nor of anything savoring of JNO. BROWN, or Abolitionism. I saw an awkward drawing of two Horses, a Boy and a Girl, with no writing attached, nor anything that favored obscenity. These figures, I was informed, had been drawn by school-boys some days before, and there remain to be seen.

The Ball, I am told, was gotten up by one Jackson, a sailor man. There is no Negro Caulkers' Association at this time.

Yours, respectfully,
1t*† JAMES N. MULLEN.

NOTICE TO THE READERS OF THE SUN.—MESSRS. EDITORS:—In the local matters of to-day's Sun I discovered an article stating that the colored Caulkers had there Annual Ball, in Strawberry alley, now called Dallas street, near Canton avenue, which went on quietly until about four o'clock yesterday morning, when a fight took place, which resulted in the cry of murder, &c., and the inscriptions of Gov. Wise and Brown, of Ossawatomie, and the martyr, &c. It is true, Messrs. Editors, there was a ball in the Hall, but not given by Caulkers, for they never had one. It is also true that everything went on quietly until a little before 12 o'clock, when a crowd of police came in and arrested the whole party, with the exception of three females, who sold confectioneries; and as for the inscriptions spoken of, were not so as was stated. There was no such inscriptions on the floor at all, concerning Gov. Wise, nor "Brown, God bless him;" nor anything of the kind—no fighting nor quarrelling—no cries of murder—no such inscriptions written, as was stated in the Sun of yesterday. After having spent the night in the station-house, we were arraigned and made to pay the sum of $1 96 a head. We hope that this statement will satisfy the minds of our friends and the public in general.

FRENCH STEAM SCOURING ESTABLISHMENT
IN THE CITY OF BALTIMORE.
French Steam Scouring was up to this time regarded as the only safe and reliable method of cleansing *wearing apparel from grease and dirt.* The only obstacle to its entire successfulness with the public was an unpleasant smell of camphen left to heavy goods after having been thoroughly cleansed. To abolish this has been the constant aim of our firm, and we now are pleased to say that our endeavors at last have been crowned with success, and we now offer the following guaranties in cleansing all kinds of Silk, Woolen or Velvet Wearing Apparel of ladies, children and gentlemen. That the goods cleansed will *retain no smell,* that spots will not return after having once disappeared, that no goods will crimp through our process, and that no color or substance of material will be spoiled. In spite of increased expense we are determined not to raise our terms, and respectfully ask the continuance of past favors, being fully able to realize all we promise.
