A man who found a $10,000 in an oyster pattie at a New Hotel was at least able to pay his bill.

When a man is referred to now as "one of the war" it is necessary to state the war—Civil, Spanish or Hanna.

Hanna is recovering from his trust-grip. He is suffering

Mark Hanna insists that trusts do not raise prices. He is dead sure, however, that they raise campaign funds for the Republican party.

Another advance in the price of grams has been ordered, and just at the beginning of the house-cleaning season, too. Charge it up to the broom corn trust.

The battle of Manila is fought twice a day at Paris as an attraction. They have battles in the Philippines twice a day, with extra matinees thrown in, but there is no war.

The supreme courts' decision that the shipper must pay the stamp tax on express packages seems a little superfluous. The express companies decided the same thing some time ago.

President McKinley took a spin around Paterson, N. J., on an automobile recently, and the chances are he will spin out of Washington Canton on a railroad train next

It would be consoling to Quay to know he failed to get his seat when he had the pleasure of photo in the daily press of the beautiful epitaphs of

Estimated that nearly 1,000 were killed by American last week. Still the war is only a few bands of brigands alleged to exist. Are all the dead brigands?

Now McKinley seems to be possessed of a desire to assimilate the Turk. If that man is re-elected he will get this country into war with every nation on the globe, except perhaps England.

And now comes a report of a plug of tobacco stopping a bullet in front of the heart of a soldier in the Philippines. The pack of cards, the picture and the Testament the only pebbles on the beach.

The Baltimore *World* in an able editorial Thursday on the Presidency, asked "What is the matter with Mr. Gorman?" Another paragraph ran thus: "Never in his political career was there a better opportunity for Arthur P. Gorman to reach the goal of his ambitions, the presidency, than at this time." The editorial after citing many good reasons why the voters of this county will not support the Hanna-McKinley administration, continues with the endorsement of Governor Pattison, of Pennsylvania, one of the shrewdest and cleanest members of the party, "who suggests the name of Arthur P. Gorman."

After carfully surveying the political situation, we do not believe there is a politician in the country who can carry the Democrats to victory with such a sweeping majority as Hon. Arthur P. Gorman.

PUBLIC LOCAL LAW.

Operative in Queen Anne's County passed at January Session of General Assembly of Maryland, Session of 1900.

CHAPTER 507.

AN ACT to provide for an Election to be held in Election District number Five, or Queenstown District of Queen Anne's County, to regulate the Liquor Traffic therein, and repealing section 193, of Article 18, of the Code of Public Local Laws, title "Queen Anne's County," sub-title "Liquor and Intoxicating Drinks," as amended by the Act of 1896, Chapter 348, and re-enacting the same with the addition of certain new sections, to be designated as Sections 193 A., 193 B., 193 C., 193 D., 193 E. and 193 F., so as to read as herein after provided.

SEC. 1. *Be it enacted by the General Assembly of Maryland*, that the question of whether or not any person, persons or body corporate may be licensed to sell spirituous or fermented liquors or lager beer within the limits of Election District number Five, of Queen Anne's County, shall be submitted to the legal and qualified voters duly registered in said district of said county, at a special election, to be held at the usual place of holding elections in said district, on the fourth Saturday in April next, between the hours of 8 o'clock, A. M. and 6 o'clock, P. M., during which time the polls shall be kept open by the Judges of Election.

Sec. 2. *And be it enacted*, that the Sheriff of said county shall give public notice of the purpose, time and place of holding election at least two weeks prior to the day of the holding of said election, by publishing such notice in two newspapers published in said county, and also by printed handbills to be set up at the most public places in said district, but if, for any reason, said notice shall not be given, or if given, shall not exactly conform to the provisions of this section; then, in either event, such failure shall not affect this act or operate to prevent its taking effect.

Sec. 3. *And be it enacted*, That the County Commissioners of Queen Anne's County shall, at least ten days prior to said Election, appoint three Judges of Election, who shall in turn, prior to or on the date of said Election, appoint two clerks, residents of said district, and hold the election as herein provided, the said Judges and Clerks of Election first qualifying themselves to act as such by taking, before a Justice of the Peace, the oaths prescribed by Section 10 of Article 33 of the Code of Public General Laws, title "Elections," but said Election shall be held in all other respects under the provisions of law as they existed prior to the Acts of 1890, Chapter 538, and shall be in no wise affected by said act or subsequent amendments of Article 33, of the Code of Public General Laws, title "Elections."

Sec. 4. *And be it enacted*, That the County Commissioners of Queen Anne's County shall obtain and transmit to the said Judges of Election, prior to the day of the holding of said Election, ten certified copies of the list of qualified voters residing in said district number Five according to the last general registration, and no person whose name shall not appear thereon shall be entitled to vote at said Election. And it shall further be the duty of the said County Commissioners to furnish the said Judges of Election with ballot box, books and all necessary stationery and other articles required to properly hold said Election, including a sufficient number of ballots to accommodate the voters of said district, upon which said ballots shall be printed the words hereinafter provided, but if, for any reason, this provision shall not be carried out as herein directed, or if there be not a sufficient number of printed ballots to accommodate the said voters, then a sufficient number of ballots shall be prepared by the Clerks of Election containing the words herein-after provided, and written under the supervision of the said Judges of Election, which shall be used by said voters.

Sec. 5. *And be it enacted*, That the ballots used at said Election shall have written or printed upon them the words "for license" and "against license," and shall be of white paper and of uniform size, and that the ballots so cast at said Election shall be carefully counted by the Judges of Election, who shall make a return of such vote to the County Commissioners of said county; and if it appears that a majority of the ballots so cast shall contain the words "for license" written or printed upon them, then the said County Commissioners shall forthwith make proclamation of the result of said election by advertisement thereof at least once in some newspaper published in said county, and on and after the first Monday in May next, it shall be lawful for all persons to sell spirituous and fermented liquors and lager beer within the limits of said Election District number Five, under the provisions and restrictions hereinafter set forth, and section 193, of Article 18, of the Code of Public Local Laws of Queen Anne's County, as amended by the Act of 1896, Chapter 348, and all other parts of Acts inconsistent herewith shall be and the same are hereby repealed.

Sec. 6. *And be it enacted*, That in case the majority of the votes cast at said Election shall be for license," then Section 193, of Article 18, Code of Public Local Laws of Queen Anne's County, shall be repealed and re-enacted in the manner following, together with certain additional sections to said Article 18, of the Code of Public Local Laws, title "Queen Anne's County," sub title "Liquors and Intoxicating Drinks," to follow said Section 193, as re-enacted, and to be designated as Sections 193 A., 193 B., 193 C., 193 D., 193 E. and 193 F., the same to be read as follows:

193. It shall not be lawful for any person, persons or body corporate to sell spirituous or fermented liquors or lager beer in Election District Number Five, or Queenstown district, until he, they or it shall have first complied with the following provisions: First, the person, persons or body corporate proposing to sell spirituous or fermented liquors or lager beer in said district, shall file with the Clerk of the Circuit Court for Queen Anne's County a written application for a license, signed by such applicant or applicants, setting forth the full name or names of the applicant or applicants, together with the exact location in said district of the place where said liquors are to be sold, which application shall be endorsed with the written recommendation of at least twelve freeholders residing in said district, each of whom is assessed upon the tax books of said county with real estate at a valuation of not less than one thousand dollars.

Second. And such applicant or applicants, or in event of such applicant being a body corporate, then its duly authorized agent, at the time of making such application, shall make oath before the said Clerk that he, they or it will keep an orderly house, that no spirituous or fermented liquors or lager beer will be sold at such place, bartered or given away directly or indirectly, on the Lord's Day, commonly called Sunday, and that no such liquors will be, at any time, sold, bartered or given away, directly or indirectly, to any person under the age of twenty-one years, or to any person whose juvenile appearance would be sufficient to put the vendor of such liquors upon inquiry.

193 A. *And be it enacted*, That it shall be the duty of the said Clerk to issue a license to sell spirituous or fermented liquors and lager beer to every applicant complying with the foregoing section and provisions thereof, upon the payment by said applicant to said Clerk of the sum of [illegible] hundred and fifty dollars for said license, one dollar as a fee to said Clerk for the same.

193 B. *And be it enacted*, That it shall be unlawful for any person, persons or body corporate engaged in selling liquors in said district under the provisions of the preceding sections, to sell, barter, give away or otherwise dispose of any spirituous or fermented liquors or lager beer on, or during the Lord's Day, commonly called Sunday, and any person violating this section shall be deemed guilty of a misdemeanor, and upon being convicted thereof, shall be punished by a fine of not less than fifty dollars nor more than five hundred dollars for each offense, or by imprisonment in the house of correction for a term of not less than thirty days nor more than six months or both, in the discretion of the court, and the license issued to such party so convicted shall be deemed forfeited from the date of such conviction.

193 C. *And be it enacted*, That it shall be unlawful for any person, persons or body corporate engaged in selling liquors in said district under the provisions of the preceding sections, to sell, barter, give away or otherwise dispose of, directly or indirectly, to any person under the age of twenty-one years, any spirituous or fermented liquor or lager beer, and any person violating this section shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than fifty dollars nor more than two hundred and fifty dollars for each offense, or by imprisonment in the House of Correction for a term of not less than thirty days nor more than six months, or both, in the discretion of the Court, together with forfeiture of license from the date of such conviction; and the juvenile appearance of any person seeking to obtain such liquors or beer from any such dealer shall, in the construction of this law, be sufficient to put the vendor of such liquors upon inquiry.

193 D. *And be it enacted*, That any person under the age of twenty one years, who shall, by misrepresentations or false statements as to his age, obtain any spirituous or fermented liquor or lager beer from any person, firm or body corporate licensed to sell liquors under this Act, and any person who shall obtain for a person under the age of twenty-one years, from such licensed dealer, such liquors, with knowledge that the person for whom the same is obtained be a minor, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than fifty dollars and costs, or shall be confined in the County Jail not less than thirty nor more than sixty days, or both in the discretion of the Court.

193 E. *And be it enacted*, That if any person, firm, body corporate or druggist shall without having first obtained the license provided for in Sections 193 and 193 A of this Article, sell or otherwise barter or dispose of, directly or indirectly, or take orders for the same to be delivered in the future, within the limits of said district, on and after the first Monday in May next, any spirituous or fermented liquors or lager beer, or other compounds or beverages producing intoxication, he, she or they shall, upon conviction, be fined not less than fifty dollars nor more than five hundred dollars for each offense, or be imprisoned in the House of Correction for not less than three months nor more than six months, or both, in the discretion of the Court, and the person in possession of the premises, house or place at the time the violation occurred, shall be deemed *prima facie* guilty of a misdemeanor, and on conviction thereof shall be subject to the same fines and penalties as the actual violators.

193 F. *And be it enacted*, That the license provided for in this act shall bear date from the first Monday in May of each year and shall be valid until the first Monday in May of the year succeeding the date thereof, unless sooner forfeited for cause, and the Clerk shall in no manner take into account any fractional part of a year in demanding the tax fixed for such license, and all sums received by said Clerk under the provisions of this act, except the Clerk's fee, shall be paid over by him, one-half to the County Commissioners of Queen Anne's County for the use of said county; one-fourth thereof to the Board of County School Commissioners, for the use of the public schools of said county; and the other fourth to the State of Maryland, for the use of the State; which payments shall be made by said Clerk on the first Monday in July and January of each year, and the bond of said Clerk shall be liable, at the suit of the County Commissioners of Queen Anne's County, or the Board of County School Commissioners, in the name of the State of Maryland, for their use respectively, or to the State of Maryland, for all monies received by the said Clerk under the provisions of this act and due them, respectively, and not paid over as herein directed.

Sec. 7. *And be it enacted*, That all of the expenses attending the holding of said special election provided for by this act shall be paid by the County Commissioners of Queen Anne's county out of the treasury of said county.

Sec. 8. *And be it enacted*, That this Act shall take effect, except as herein provided for from the date of its passage.
