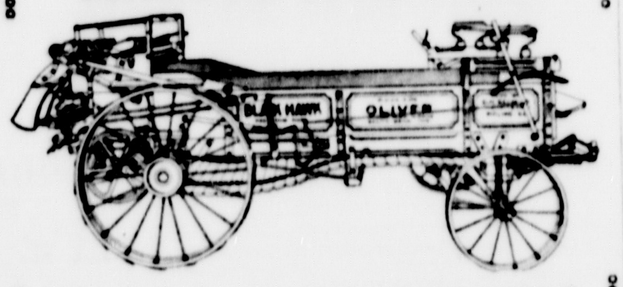
THE "BLACK HAWK" MANURE SPREADER



Is simple in construction, and easy to operate. The wide spread attachment enables the farmer to spread a width of 7½ feet. This spreader is easy to load because it is low-down.

Anyone who is in the market for a spreader cannot afford to lose the opportunity of examining the "Black Hawk" before placing his order elsewhere.

Price Lad Injured.

W. James Massey, Jr., son of Mr. and Mrs. W. J. Massey, Price, met with a painful accident last Saturday morning. His father had a carload of lumber in a car on a railroad siding and the lad started to get inside the car to help unload it. He grasped the hand hold on the car door to swing himself up, when the door fell from its track. He was knocked down and when examined later by a physician was found to be suffering with a fractured bone in his left ankle. The bone was reset and the injured boy is now recovering as rapidly as could be expected.

Three Big Feature Plays.

Three big feature photoplays are scheduled to appear at the Centreville Opera House Monday, Tuesday and Wednesday of next week. "After Dark," Brady's greatest stage success, with Alec B. Frances appearing as old Tom, will be the attraction Monday night. Tuesday evening Manager Cahill has arranged for the wonderful story of city life entitled "The Dragon," with Margarita Fisher as the star of five thrilling acts. Wednesday night Holbrook Blinn will appear in "The Ivory Snuff Box." All three of these productions are leaders and should attract large crowds.

Committees Hard at Work.

The committees appointed last week to supervise the work of registration in the various districts of Queen Annes county have been hard at work during the last few days. Meetings have either already been held or will be held this evening in every district in the county. The committees have obtained lists of those who are entitled to register and those who should be transferred from one district to another. The members of the committees will see that all are properly enrolled either next Tuesday or the Tuesday following. Every Democrat should register and help get all other Democrats on the poll books.

To Hold Big Minstrel Show.

Plans are on foot to hold a big minstrel show in Centreville some time within the next couple of months. The entertainment will be staged two successive evenings and the proceeds will be equally divided between the Good Will Fire Company and the Centreville Public Library. Both are worthy public institutions and it is believed that a good show would attract a packed house each night. It is stated that many of the old time local talent will be

DO YOU HAVE DIZZY SPELLS?

It's Important To Learn The Cause As Many Centreville People Have.

Dizziness is never a disease of itself, its only a symptom of some deeper seated trouble. Much dizziness is caused by disordered kidneys failing to filter all the poisons from the blood. These poisons attack the nerves and dizziness results. If you are subject to dizziness, there is good reason to suspect your kidneys, and if you suffer backache, headache and irregularity of the kidney secretions, you have further proof. Many Centreville people have learned the value of Doan's Kidney Pills in just such cases. Read this Centreville resident's statement:

Mrs. Ella Lucas, Commerce St., Centreville, says: "About a year and a half ago I was in a bad way with my kidneys and a very painful backache. My kidneys were irregular in action and the secretions caused annoyance. At different times I could see black spots before my eyes and I had dizzy spells. When I stooped over, sharp twinges shot through the small of my back. I certainly was in a miserable state until I leanred of Doan's Kidney Pills and bought a box at Holland & Thompson's Drug Store. They gave me great relief."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lucas had. Foster-Milburn Co. props., Buffalo, N. Y.
