WILMINTON offers many advantages to the shoppers of the Eastern Shore of Maryland. Aside from the fact that Wilmington stores are large and finely stocked; that the prices are reasonable and the service is of the best, Queen Annes countians may journey to the capital of the Delmarvian peninsula and return home the same day. And the best of it is they have

## Six Full Hours in Wilmington

It means something to have a city at your doorway that you can visit and do your shopping without hurrying. You have ample time to visit the various business establishments and make careful selections.

Wilmington is the only city that offers you the advantages of plenty of time for shopping.

Of course those who have automobiles can make their shopping time in Wilmington as long or short as they like. But for those who travel by train, always remember that you have SIX FULL HOURS IN WILMINGTON.
